PREPARING FOR THE TALENT SHOW — Preparing their act for the Student Council Talent Show are (l to r): Sharon Wasm, Nancy Byman and Sue Mitchell. Their act will be one of the many to be presented at the annual event.

### Student Council Election Dates Are Scheduled

The primary election for the 1964-65 Student Council will be held on May 6. The final election will be held on May 12.

Candidates for office must file in the Dean of Students Office in the Administration Building by 4:00 p.m. on April 27. No student will be allowed to run for office if he has not filed by this date.

To be eligible for a Student Council office, a student must be a full-time student, in good standing with the college and a resident at the college.

This year the candidates for the office of president, who must have served at least one previous term on the Council, will be required to take a test on parliamentary procedure. To be able to run for office, they must make a minimum score of 70.

The test will be administered by Dean Roger L. Wilson and Student Council President Ronnie Lykins in Dean Wilson's Office after the final filing date.

**Rules of Order**

Voting and campaigning in the election will be governed by the Rules of Order governing all campus-wide elections. These rules were adopted on Jan. 2, 1962.

There shall be no campaigning in the vicinity of the election polls.

No person working at the polls shall solicit votes or influence the voter.

There must be written notification of all campus-wide elections in each polling place not less than one week in advance of the election.

Private voting booths must be used for voting in the Student House in all campus-wide elections.

The record of the candidate must indicate that he is worthy of the prospective office or honor.

All persons voting must present their identification cards to the election poll workers. No person shall vote without his identification card.

The counting of the votes may be public when proclaimed so.

The Student Council shall appoint the tabulators for each election.

The results of elections shall be made public immediately unless directed otherwise by the Student Council.

The Student Council shall appoint individuals to collect the ballot boxes.

A student victory should be placed at each of the voting places.

An Election Procedures Committee appointed by the Student Council will deal with the various and sundry problems of the elections. The committee shall consist of the following: three students, three members of the administration or faculty, and one Student Council representative, or his personal appointee, as a member ex officio of this committee. A simple majority is necessary for action.

In the event of disputes over elections or candidacy, the matter shall be heard by the Election Procedures Committee.

The Morehead State College Board of Regents has approved a budget of \$5,166,648 for the 1964-65 academic year.

The budget, which includes \$1,760,384 for instructional costs, is the largest budget ever approved by the Regents. \$2,624,963 of the total is the state appropriation while the remainder comes from student fees, room rent and auxiliary enterprises.

In other action, the Board of Regents:

1. Set the date for the sale of Series D consolidated educational buildings revenue bonds in the amount of \$1,700,000.

2. Authorized the issuance of Series D consolidated educational buildings revenue bonds in the amount of \$1,700,000 for the purpose of construction, reconstruction and renovation of educational facilities.

3. Transferred an additional \$15,000 into the academic scholarship fund to bring the total of academic scholarship funds up to \$300,000.

4. Heard a report on capital construction projects given by Dr. Adron Doran, President of Morehead State College.

5. Accepted the resignations of

## Let's All Take Part In The Coming Student Elections

"Ring out the old and ring in the new." These words are familiar to all of us, and they appear to be most prevalent in use about January 1.

As old as time as the words may be, they have a sense of truth in them for Morehead State College at this time of year. We are "ringing out the old and ringing in the new," students who will represent us during the coming school year.

Within the next month, we will elect Student Council officers, class officers and cheerleaders for 1964-65. However, whether their election into office is to be accompanied with the sad, mournfully beautiful ringing of the bells like those of the hunchback of Notre Dame or the lively, joyous sound of the ringing of church bells on a sun-filled Resurrection Sunday is up to all of us.

Yes, every student at Morehead State College is responsible for whoever is elected to represent them as a member of the Student Council, a class officer or a cheerleader. Your vote, your encouragement to a potential candidate or your missing vote on any count in the all picture of campus elections. Each of these things can make a difference in electing the best, possible representative.

Students desiring to file for candidacy for a Student Council member must do so by next Monday at 4:00 p.m. After that, no one will be allowed to run for office who has not filed with the Dean of Students.

The filing dates for the class officer

and cheerleader elections will be announced at a future date.

If you know someone who think would be a good representative on any of these groups (Student Council member, class officers or cheerleader), let him know. And, be certain to do so before the final filing date. Your encouragement may be just the motivation he needs to go on to great heights as a student representative and farther in later life.

Don't let last year's "exaggerated comedy based on a broadly humorous situation" occur again. Last year, only two candidates ran for the office of President of the Student Council; only eight girls ran for the positions of cheerleader; only one person signed to run for the office of Historian of the Student Council; and only one person signed to run for the office of Student Council Secretary.

Our way of life is not based on such a system. As many students as want can run for office. Personally, we would like to see a large turn-out of candidates. No one should be allowed to just step into public office with no opposition and no one should step into such a situation from occurring again at Morehead State College.

If these people previously mentioned had been forced upon us as our representatives, without our having a chance to elect others that we thought were as well, or better, qualified, we would have cursed and discussed the system for hours as Penelope waited on Ulysses to quit playing like Simbad, the Sailor, and come home again.

## Seniors Should Begin Thinking About Obtaining A Graduate Degree

A young man's thoughts turn to many things during spring, and among them is graduation, especially if he is a college senior. Therefore, while our thoughts are on graduation and the future, The Trail Blazer would like to make a short suggestion: think seriously about graduate school.

Well realize that the last four years have been long and seemingly endless; however, at least one more year of study wouldn't hurt anyone, no matter how great the immediate temptation of a job and a regular salary.

In the fifth year of training a student strengthens his undergraduate training and prepares himself for the arena in which he may be weak. He broadens

his general education to a great extent.

Also, a graduate student is encouraged to do more original thinking, develop initiative, resourcefulness and responsibility beyond what he has done in the past four years in college.

All of these things, and many others (including a higher salary and better job opportunities after the degree is received) should be added incentives to continue our education. Many graduates say they plan on obtaining their graduate degrees in the future, but few ever do. Now is the best possible time to start, not ten years from now when you have a family which depends on you.

Our sole request — think about continuing your education.

## Welcome To MSC All Area Seniors

We would like to take this opportunity to welcome all of the thousands of Kentucky high school seniors who will be visiting the Morehead State College campus on April 24 and May first.

The Trail Blazer expresses its best wishes to all of you who will soon be embarking on another great step into the future. We hope that your future plans call for a college education and that Morehead State College figures into those plans. Of course, even if you don't come to Morehead (which we wish you would, naturally) we hope you do plan to at-

tend a college of your choice.

We are certain that your high school teachers have preached the importance of a college education to you so many times that it is becoming "old hat" to you by now. We don't intend to do that (we give you credit for having intelligence enough to realize how important an education is). But, we would like for you to look around the campus and see what a college looks like. We are certain you won't find it a prison, but an enjoyable "home away from home" where you can gain an education, have an enjoyable time and make many lasting friendships.

## SEC Integration Gains

Positive gains in the struggle for equal rights have been made by the University of Kentucky as Steve Matthews, a Negro transfer from Detroit, appeared in spring football tryouts last week.

The University has had an integrated athletics field since last spring, but this is the first time any of the sports have had a chance to show their colors.

Perhaps this will be an opening wedge to loose the former tight grip of segregation on the South's sports. Several writers have said that the SEC must accept any Negro's right to play on a Kentucky team or on any other conference school that wishes to integrate, and if this acceptance does not arrive, then Kentucky should leave the conference.

The OVC . . . has had integrated ath-

letics since 1960, when Morehead's Howard Murphy broke the color barrier. These athletes have been judged on their ability and not on their complexion, and have formed valuable assets to the OVC schools. Prejudice has created some problems for traveling teams — not prejudice against the athletes themselves, but from off-campus personnel — yet, even these difficulties have been well worth the moral profits involved.

UC's action will, we hope, be the guide by which the other SEC schools plan their future policies. If rejected, however, the University will surely leave that conference and thereby show Kentucky's determination to uphold basic human freedom.

## Senator Kennedy Calls For Passage Of Civil Rights Bill

By David Henderson

Trail Blazer Associate Editor

On April 9, the United States Senate resumed the consideration of the Civil Rights Act of 1963. On this occasion, the freshman Senator from Massachusetts, Edward Kennedy, took the opportunity to make his first major speech in the United States Senate. The speech was an appeal to his fellow Senators to pass the Civil Rights Bill.

The Congressional Record for that day outlined the contents of the bill: "to enforce the constitutional right to vote, to confer jurisdiction upon the district courts of the United States to provide injunctive relief against discrimination in public accommodations, to authorize the Attorney General to institute suits to protect constitutional rights in public facilities and public education, to extend the Commission on Civil Rights, to prevent discrimination in federally assisted programs, to establish a Commission to study the problem of discrimination on Equal Employment Opportunity, and for other purposes."

Mr. Kennedy obviously was well prepared for his speech by his show of confidence in his subject, but he rose to speak humbly by saying, "I rise with some hesitation that I rise to speak on the pending legislation before the Senate. A freshman Senator should be seen, not heard; should learn, not teach."

He said that he had been impressed over the high level of dignity that had been present while the Civil Rights Bill had been discussed. He pointed out that the viewpoint of each of the sections of the Nation had been aired and fully developed.

With this introduction, Edward Kennedy told the Senate that he could best represent the people of Massachusetts by bringing the experience of their history to bear on the problem. He said that the basic problem the American people face in the 1960's is the field of civil rights in one of adjustment. "The task of adjusting to the fact that Negroes are going to be members of the community of American citizens, with the same rights and the same responsibilities as everyone else."

He continued, "the people of my State of Massachusetts have been making this kind of adjustment for years. The Italians, the Greeks, the Poles, the Portuguese, we can make it for Negroes, and the Nation will be strengthened in the process."

In the Mind  
"It is not as far as I have seen said on this floor that prejudice exists in the minds and hearts of men. It cannot be eradicated by law. But I firmly believe a sense of fairness and good will also exists in the minds and hearts of men, side by side with the prejudice. This noble characteristic wants to come out. It wants to, and often does, win out against the prejudice. Law, expressing as it does the moral conscience of the community, can help it come out in every person, so in the end the prejudice will be dissolved."

Mr. Kennedy expressed the moral conscience of the community, can help it come out in every person, so in the end the prejudice will be dissolved. Kennedy said that he had received from church leaders of all denominations in the Nation. Also, Kennedy said that he had received from individuals and groups of citizens asking his support of the bill.

After reading the messages, Kennedy said, "when religious leaders call on us to urge passage of this bill, they are not mixing religion and politics. This is not a political issue. It is a moral issue, to be resolved through political means. Religious leaders can preach, they can advise, they can lead movements of social action. But there comes a point when persuasion must be backed up by law to let our campus and field of civil rights, that point

has been reached." At this point in his speech, Kennedy briefly commented on each part of the bill, concluding, "this is not a force bill. There are no fines or criminal penalties. On the contrary, the bill abounds with reasonable, with conciliation, with voluntary procedures, with a moderate approach toward its goals."

Senator Edward Kennedy ended his speech before the Senate by quoting President Johnson. "I remember the words of President Johnson last November 27: 'No memorial oration or eulogy could more eloquently honor President Kennedy's memory than the earliest possible passage of the civil rights bill for which he fought so long.'"

Mr. Kennedy was the first President of the United States to state publicly that segregation was morally wrong. His heart and his soul are in this bill. If his life and death had a meaning, it was that we should not hate but love one another; we should use our powers not to create conditions of oppression that lead to violence, but conditions of freedom that lead to peace. "It is in that spirit that I hope the Senate will pass this bill."

Senator Kennedy's address not only reflected the consensus of opinion in Massachusetts, but of the entire nation. He did a noble job of analyzing the problem and suggesting an approach to its solution. He did not do civil rights.

Nevertheless, even though he was licensed, he was legally killed, as dogs that are running loose at night can be in fact as well as in name. He should have been tied up somewhere (this would have been nice to have known earlier). No longer I feel, and hope to speak for fellow-students, that John Dog's death is an important loss for us for he was our proud and private mascot.

## The Editor's Desk

The Trail Blazer would like to salute an old friend — John Dog. It is our understanding that John passed away after a long argument with the desk over a little piece of lead during the recent dog quarantine at Morehead.

If anyone should see John alive and well, we will be most happy to retract this short attempt at an epitaph. We understand that this will not happen, although we have exhausted our methods of research trying to prove otherwise.

The shuffling of rats, the "caw" of a crow, the occasional "tweet" of a lonely sparrow or, when the smell of burning garbage and an occasional strain of hillbilly music seeping from the caretakers house — these are the sounds that mark the final resting place (a garbage heap) of a beloved friend — John Dog.

For those of you who are unfortunate enough not to have known John, he was a small, white dog who had one brown ear that was implacably cocked over a friendly, inquisitive eye. He was known to almost all the students at Morehead State College, and many graduates remember him as their "pet" and friend.

I doubt if any member of the social club's camp who can remember the long nights of pediatrics, could ever forget this little dog who ran with them during their long nights and days of "slavery."

Many other students also have fond memories of this little, mixed-up breed of a dog who was a friendly, inquisitive eye. With his passing, a friendly comrade who made the college a little more joyful has also passed.

### CLUB NEWS COLUMN

We hope to initiate a new column in the next edition of The Trail Blazer — a Club News Corner column. In this column, we hope to be able to report the news about all of the important club functions and activities.

Jim Harris, a new member of The Trail Blazer staff, will write the column. Club presidents who wish to have some of their club activities written up for publication should have their reporters (or secretaries) write down the important facts (who, what, where, when, why, and how) about the club activity and bring it to The Trail Blazer Office, the Public Relations Office, or mail it to: Jim Harris, Club News Column, The Trail Blazer, Morehead State College.

As we said before, we will reserve the right to cut club copy or to eliminate "nothing" stories about club meetings (meaning we won't rewrite the minutes of a club's meetings).

### A POINT TO BE CLARIFIED

Some students have wondered about an article that appeared in a paper recently. The article stated that the Kentucky Senate has expressed "grief and disappointment" that Dr. Adam Doran, Assistant Chancellor of Morehead State College, was not appointed by Governor Edward T. Breathitt to the 13-member commission to administer the Federal Higher Education Facilities Act.

Presidents of the five state-supported colleges were chosen — U.K., Western, Eastern, Murray and Kentucky.

Actually, there is no problem or dispute between the Governor and the administration of Morehead State College or the Board of Regents. It is that only five members were to be named from state-supported schools, and Dr. Doran voluntarily withdrew with the statement: "Let me stand aside this year, and perhaps appoint me next year."

### OUR FIRST OFFSET EDITION

This edition of The Trail Blazer is the first one to be printed on new offset lithography equipment. The Morehead News. The pages are of a lighter color, the printing quality of the pictures (as you can see) has been improved tremendously (now, if you don't like the way the pictures look, go see copy boys and ask them to make the pictures look better). Of course, there will probably be some dark spots or other technical problems, but don't be disappointed. These will disappear as The Morehead News' staff learns to operate the new equipment. It takes some time to train a staff on precision machines like these, but they are learning rapidly.

### DR. BOSWELL HONORED

Dr. George Boswell, Chairman of the Division of Languages and Literature at Morehead State College, was recently elected as the President of the Kentucky Folklore Society. Dr. Boswell has been at Morehead since 1960. He received a B.A. and M.A. from Vanderbilt University and the Ph.D. from George Peabody College. Before coming to Morehead, he served ten years in the English department of Austin Peay State College, Clarksville, Tennessee.

### SPRING HAS SPRUNG

The beautiful spring weather we've been having has certainly brought out the students. I didn't realize so many people were still in school. The campus is covered with couples, groups and individuals enjoying the sunshine and warm weather. Perhaps we will get a particularly hot and muggy day in a few months, but it certainly is a relief from the cold and snow complaining seems an impossibility after the long, cold winter.

### GRADUATION SET FOR MAY 25

Many seniors have been asking about the correct graduation date at MSC. Graduation exercises will take place on May 25 at 10:00 a.m. Governor Edward T. Breathitt will be the speaker.

Baccalaureate will be on Sunday, May 24.

### SHAKESPEARE FESTIVAL SCHEDULED

A Shakespeare Festival — scenes acted out by members of the Shakespeare class at Morehead State College — will be presented May 25 and 26.

The exact time of the festival is not known yet, but look for further announcements on campus. It will be held in the Bert Coombs Building, Room 208.

### CLASSES, CHEERLEADER ELECTIONS COMING

Roses are red;  
Violets are blue.  
Elections are coming.  
This contest of

Yes, the cheerleader and the class elections are coming in the near future. And, they do concern you. As students of Morehead State College, we all want (and need) the best class officers and cheerleaders possible to represent us. And, we cannot get top people into office if they do not run. Talk to people you would want to represent you and try to get them to run for office.

Girls, begin practicing for the coming cheerleader elections. Of all the people who represent the school, no other students are so much in the public eye. Morehead State deserves the best, so let the students have a chance to see and elect you.

We would, as we have stated before, hate to see a repetition of last year's elections where only a few people ran for office and cheerleader positions. (As was also previously stated, we aren't asking for people holding the positions haven't done a good job, but we hate to think of what could have happened if they hadn't been competent.)

# Mobile Blood Unit Visit To Morehead Successful

By Diane Carr  
News Writer

One hundred sixty-nine pints of blood were collected at the last visit of the Mobile Blood Unit to MSC on March 18. The Blood Program Committee has set up a program whereby the college dormitories and the men's and women's clubs may receive due credit for their donations. A plaque reading:

"Recognition of those who have given of themselves, that others might live by The Blood Program" will be engraved with the name of each organization which fulfills the quota of men's groups, 45 percent; women's groups, 40 percent; and mixed groups, 45 percent. The Industrial Arts Club with all of their membership donating lead the list for the last visit. Prior visit recognition goes to the Collegiate Knights, Aquila and Mystic Clubs. Other clubs were very close to fulfilling their quota for this visit and consideration is now being given to figuring the percent quotas on the basis of active club membership.

Thirty-six women and 80 men contributed to the program. The sophomores with 40 donations led the classes, while the freshmen, juniors and seniors followed with 31, 29, and 24 units respectively.

Regent's headed the contributing men's dorms and East, Wilson, Waterfield and Butler followed in that order.

In the women's dorms, Mignon and Thompson tied for the most contributors, and Fields and Allie Young were close behind.

# Industrial Arts Group Attend Conference In Washington

By Carol Vogelsohl

Charles Schickner, Industrial Arts student at Morehead State College, made a brief presentation of industrial plastics at one of the sessions of the 26th Annual Industrial Arts Association Conference, March 30-April 3, in Washington, D. C.

Discussing injection molding and the procedure of construction, materials, and effectiveness, to permit secondary and junior high school students to design and construct them quickly and easily, was the main theme of Schickner's talk.

Dr. C. Nelson Grote, Chairman of the Division of Applied Arts; Edward Nass and Robert Newton, from the Industrial Arts Department; Ronald Hart, Industrial Arts instructor from Breckinridge Training School; and 18 Morehead State College students attended this year's conference.

STUDENT COUNCIL OFFICE — The Morehead State College Student Council has opened an office in the Doran Student House. Shown looking over the new office are (l to r): Dean of Students, Roger L. Wilson, Student Council President Ronnie Lykins and Morehead State College President Adron Doran.

# Appalachian Unit Is Organized At Morehead

The Morehead Chapter of the Appalachian Volunteers was officially organized on the Morehead State College campus on April 15, 1964.

The participating students from the Morehead campus travel to counties in eastern Kentucky to participate in the volunteer work program.

Once there, they will engage in the renovation of one and two room school houses. Future projects will also involve recreational programs, adult education programs, community development projects and many other aspects of help to the depressed areas.

The Courier Journal editorially has stated that this program has done more per dollar spent than any other self-help program for the depressed areas of eastern Kentucky.

The following officers were elected: Allen Baker, President; Ted Pass, Vice-President; Linda Jo Williams, Secretary-Treasurer. The Student Board member is Ron Gullett. He will represent the college on the board, which is the ruling committee of the Appalachian Volunteers.

Sponsors are: Robert E. Wooley, Dr. Roscoe Playforth, and John Garlin.

Meetings are held in the Social Science and Education Building, Room 211. The next meeting will be held Wed., April 22, at 4 o'clock.

# Naomi Claypool Is Honored At Luncheon

Mrs. Naomi Claypool, Head of the Morehead State College Art Department, was recently honored as one of the three living Kentucky founders of the National Honorary Education Society for Women.

She was honored at a luncheon in South Shore on March 28. The luncheon was held to celebrate Founder's Day for the society, which was organized on the national level on March 28, 1937.

The purpose of the society is to honor leading women educators in the United States for outstanding contributions in the field of education. They must have taught five years to be eligible for membership in the society.

The other two remaining Kentucky founders are Mrs. Emma Case, Richmond, and Miss Shara Reeves, Covington.

# Band Festival Held At MSC Last Saturday

The Morehead student group arrived in Washington by train on Thursday and attended various sessions during that day and on Friday.

The topics of some of these meetings included "Technological Change and Its Consequences," "New Technological Processes and Developments," "Plastics: A New Direction for Industrial Arts" and several discussions geared to college students.

A display of new equipment and material used in the field of industrial arts concluded the five-day convention.

Saturday, the students toured Washington, D. C., and visited The National Education Association Buildings, the new technological building and other points of interest in the city.

Those students attending from Morehead were James M. Allen, Forrest Cope, Douglas Corkman, Robert D. Couchman, Jerry Garrison, Ronald L. Griff, fifth, Gary Duane Hart, Louis Haubner, Paul D. Hires, David R. Layne, Billy Joe Litton, James L. McDaniel, Jack Moreland, Bill Norcross, Charles Schickner, Bemis Sluss, Glen E. Wilson and James K. Young.

By selling school pennants earlier in the year, the Industrial Arts Club was able to finance the trip.

# Naomi Lorne Holding Exhibit In Morehead Art Department

Naomi Lorne, a member of the American Society of Contemporary Artists, is currently holding an exhibit of her work in the Morehead State College Art Department.

The exhibit will be on display throughout the month of April.

Lorne studied at City College in New York and she started the Barker Movement of art through the United States. Articles about her have appeared in magazines and newspapers throughout the United States and in thirteen foreign countries.

She has had exhibits of her paintings in Washington, D. C.; Baylor University, Waco, Texas; Kansas State College, Pittsburg, Kansas; Louisiana State Exhibition Museum, Shreveport, Louisiana; St. Louis Public Library Gallery, St. Louis, Missouri; Brigham Young University, Provo, Utah; and in Philadelphia, Penn.

A nominee for the Ford \$10,000 Grant in Painting, Lorne has won the Cooper Prize, the Audubon Artists Bronze Medal, the Roosevelt Development Award, Grumbacher's Cash Award in 1954 and the Metzger Award.

Some of her paintings are included in the permanent collections of: New York Governor Nelson A. Rockefeller, Supreme Court Justice of New York, Henry Epstein; Notre Dame College; Regar Museum, Anniston, Alabama; Purdue University, Lafayette, Indiana; Dakota Wesleyan University, Mitchell, South Dakota, and the Ain Harod Museum, Israel.

# Mary Owens Wins 2nd Place In Interpretation Contest

Miss Mary Pat Owens, a Morehead State College sophomore, won second place in the Oral Interpretation Contest in the Eleventh Annual Mountaineer Forensics Tournament at West Virginia University on April 10.

Miss Owens read two selections in the contest: Langston Hughes' "Let America Be America Again" and Albert A. Whitman's "Bury Me in a Free Land."

She is a speech and drama major from Mayville. She is a member of the Morehead Players, the Cosmopolitan Club, the Open Forum Club and serves as the public relations director for the speech and drama department.

Gary Bradford, president of the Morehead Players, and Jerry Hay also entered the tournament. They entered as a two-man debate team, and tied Princeton in six rounds of debating with a 3-3 record.

The debate question was that the federal government should guarantee an opportunity for higher education to all qualified graduates.

Baseball is coming to the half-way mark and the Eagles have been pouring it on. Morehead stands at 8 wins-2 losses as of April 16.

The biggest surprise according to Coach Chaney is the pitching. The statistics for 9 games are:  
Harold Sergeant is M.S.C.'s leading pitcher with a 4.0 record (for 10 games). He has earned run average stands at .67 for 27 innings. He has struck out 32 and allowed only 13 hits.  
Next comes John Capelle who stands 2-1, with one no-hitter to his credit. John is a 6'2", 200 pounder from Cincinnati.

The Eagles have also been on a hitting spree with 3 boys hitting over .400. They are: Jim Mastrodica, .461; Dennis Doyle, .448; and Leston Stewart, .440 (4 homers and 20 runs batted in). The team for 10 games has scored 118 runs (11.8 game) and hit 107 home runs (11.7 game).

Keep up the good work boys and bring that trophy home in May.

## PLEASANT SURPRISE

The baseball team is not the only group to start out great this spring, as the track team is also doing great. Coach Bentley put it perfectly when he said "this year's team is a 'pleasant surprise' because that is just what they have been." "All the boys have shown plenty of desire and it is the best team I have ever had here in 5 years. Distance competition seems to be the greatest," stated Bentley.

Tom Gray set a school record by running the 100 yd. dash in 8.8 (the old record, which is also the existing OVC record) held by Morehead's Howard Murphy) and the record was almost tied by Jerry Betts, who ran it in 9.75. Jerry also did well in the hurdles. Mickey Wells won the high jump and "road jump," while Randy Marris pole vaulted 12 feet. Adilakis has already had a season form by throwing shot 46% feet and the discus 138' 10". The team's two best action marks are the 440 and javelin.

## COACH CHANEY — 4TH YEAR MAN

Affable baseball coach Rex Chaney holds both AB and MA degrees from Morehead State College and has done doctoral work at Indiana University.

He left Morehead in 1957 after graduation and coached basketball in the high school ranks before returning in 1960 to complete his MA degree.

Chaney became head baseball coach and assistant basketball coach on his return and has had three winning seasons. He has a record of 44 wins and 29 defeats for the three seasons. He led by Morehead's Howard Murphy) and the record was almost tied by Jerry Betts, who ran it in 9.75. Jerry also did well in the hurdles. Mickey Wells won the high jump and "road jump," while Randy Marris pole vaulted 12 feet. Adilakis has already had a season form by throwing shot 46% feet and the discus 138' 10". The team's two best action marks are the 440 and javelin.

Last season he was named OVC "Coach of the Year" with a 20 and 10 mark and captured the Eastern Division championship and the co-championship of the conference against Murray State College.

He is married to the former Joyce Brown of Morehead. They have one daughter, Jennifer, who is as pretty as a picture (Editors note: She gets it from her mother!).

## LACEY SIGNED

Morehead State College has signed its first high school basketball to a grant-in-aid as the recruiting war is well underway.

And while winning one skirmish doesn't win a war, Morehead is well on its way with the signing of 6-8 1/2 Lacey of Cincinnati.

Called by the Morehead coaching staff "one of the finest big men we have ever signed," Lacey is a 240-pound giant who averaged 17.2 points as a senior while playing for Telf High School.

The 18-year-old is still growing and improved greatly his senior year. A good student who is in the upper 20 percent of his graduating class, he was coached by Craig MacMann.

Lacey has good speed for a big man, shoots well, is a top-notch rebounder and will fit well into the Morehead pattern of play which has produced such outstanding big men as Dan Swartz, Steve Hamilton, Ed Noe and Norman Pokley.

## SOCIAL CLUB ATHLETIC TOURNAMENT

The Campus Club will be defending their trophy in the second annual Social Club Athletic Tournament to be held on April 23, 24 and 25. The Collegiate Knights, Campus Club, and the Aquila Club have all been (1 hope) getting in shape for this great tournament. All students are invited and there is no charge.

## Tourney Scheduled By Social Clubs

The warm weather is here and the Social Clubs are getting ready for the second annual Social Club Athletic Tournament, which will be held on April 23, 24 and 25. The Collegiate Knights, Campus Club, and the Aquila Club have all been (1 hope) getting in shape for this great tournament. All students are invited and there is no charge.

RETURNING THE TROPHY — Ron Ratliff, president of the Campus Club, is shown returning the Social Club Athletic trophy to Bob Shapiro, who will be in charge of the tournament this year. The three clubs will be

# Eagles Take Twin Bill From Tech

By Bill Jones  
Morehead's pitching staff first OVC games with Tennessee Tech on April 11. In the first end of the twillbill, Morehead won 9-6. Harold Sergeant pitched and received the win.

Sergeant allowed six runs on five hits. He struck out nine and walked only three.

In the hitting department, second baseman Dennis Doyle got two hits for four trips to the plate. First baseman Jim Sandos got two hits for two trips, and so did Jim Mastrodica. Mastrodica also knocked in three runs.

Ed Haslock also got two hits. In the night cap, Morehead blanked Tech 10-0 on the excellent pitching of freshman John Capelle from Cincinnati. Capelle pitched a no-hitter. He struck out seven men and walked only three. The defense all played errorless ball. In his playing record, he got three runs on four hits.

These two victories gave Morehead, the defending co-champion of the Ohio Valley Conference, a mark of 2-0 in conference play.

## Campus Club "Little 500" Bike Race Set

Spring has sprung and now the Campus Club is preparing for the annual season classics. Louisville has the Kentucky Derby. Indianapolis has the Memorial Day 500, and Morehead State College plays host to the Campus Club's "Little 500."

The year's seventh annual bicycle relay race will be held on Saturday, May 2. Teams are already being formed, and curving their two-wheeled bikes by any means possible.

The boys division of the race will consist of 40 around College Boulevard, starting and ending at the Doran Student House. Each member of the four-man teams will race 10 laps, once every fourth time around.

Ron Ratliff, president of the Campus Club, announced that winners will receive cash prizes again this year. Their names will also appear on a plaque for the Student House together with the previous winners.

Anyone interested in entering the race can get further details from any Campus Club member. A small entrance fee is being charged to cover the cost of prizes.

The girls' race has been changed this year. The co-eds will race on tricycles around campus prior to the boys' race. In the past, the girls have raced for fifteen laps around the Island between College Boulevard and College Street.

## Spring Football Drills Ended; Penny Pleased With Gridders

Morehead State College has completed Spring football drills. Head coach Guy Penny is openly pleased with the performance of his squad.

"Even though a number of them had more than their share of injuries this spring," said Penny, "we had spirited drills and our youngsters showed a lot of enthusiasm in their contact work."

Penny did not close out Spring drills with an intra-team game as injuries left the squad too thin at several positions. But the Eagles did

scrimmage under game conditions on Friday night and the White T-shirt scrimmage on Saturday. The scrimmage was over the freshman and sophomore dominated Blue squad, 12-0.

"We just didn't have the personnel to play a complete game," said Penny, "as we didn't wish to risk serious injury by asking our youngsters to play an entire game with little or no rest."

The personable young Penny was enthused by the Spring workout of nine lettermen who all started from time to time during the 1963 season in which the Eagles posted a 5-4 record. Expected to draw starting assignments in the Eagles opener against Butler University next year are the veterans Jack Smith and Richard Jones and James Osborne at the tackles, Ken Howard at end guard, Mike Gottfried at quarterback, Dennis Brown and converted quarterback Tally Johnson at the halfbacks and Russ Campbell at the fullback slot.

Penny said the center and other guard spots are up for grabs. Others who have had an impressive Spring practice include: ends George Adams and Bill Baldridge; guards James Hall and Herschel McIntosh; center Bill Hornbeck; Gary Virden and Mike Fletcher; quarterback Jay Brogan; halfbacks Tommy Gray, Scotty Reddick and Frank Bruns and fullbacks Scotty Russell and Jim Ross.

"A number of our freshmen who saw little or no action this year had a good Spring practice," said Penny, "and we believe they will be of great help to us next fall."

MOREHEAD TRACK STARS — Coach Earl Bentley gives game pointers to (l to r): Tommy Gray and Jerry Betts. Gray recently broke the school record in the 100 yard dash, which was set by Howard Murphy, Gray's time was 8.8, in a meet against Miami College on April 15.

## MSC Trackmen 'Edge' Out; Eagles Win Opener 103-19

By Ken Strater  
Morehead State College opened the 1964 track season at Union College on April 15. The Eagles won 112 to 19.

Morehead made a clean sweep of the track and took the major positions in the field events.

Jeff Adilakis came through with the shot put, taking the blue ribbon. Adilakis also won the discus with the discus and Bruce King, the only other Moreheader in the shot put, took third place.

## Sports Clinic Held At MSC

A track and field clinic sponsored by the Kentucky Division of Girl's and Women's Sports and Morehead State College was held on the Morehead campus on March 28.

"Registration was held in the gymnasium from 9:00 a.m. to 1:00 p.m. and the clinic events were held at Jayne Stadium beginning at 3:30.

A demonstration of track and field skills was given by members of the Morehead State College track team followed by practice and participation of skills by participants.

A track and field meet was held for all participants at 1:00 p.m.

Clinic personnel include: Earl Bentley, track coach, Morehead State College; Mrs. Elizabeth Addler, Assistant Professor of Physical Education at Campbellsville College and Charles Thompson, assistant Professor of Physical Education at Morehead.

who will be hard to replace, including star half-back Howard Murphy, tackle Roy Lunsford, guard Scott Davidson, center Ron Ratliff and halfback Leo Wessel.

## Phi Mu Alpha Donates TV To Hospital

By Jim Harris  
It took the Theta Phi Chapter of the Phi Mu Alpha Sinfonia three months, but they did it.

They collected more Marlboro cigarette wrappers than any other club on campus in the Marlboro TV Brain Roundup, and thus won first prize—a television set.

Only one question remained, where to put the television. It was discussed by the fraternity members and voted upon. Ron Morgan, president of the music organization, said that they wanted the TV to be donated to a worthy cause.

Upon careful examination, they found that St. Claire needed a television and other audiovisual aids.

Thus, the organization gave the TV in an effort to put it to worthwhile and beneficial use.

# Baseballers Hold 8-2 Record; Capelle Pitches No-Hit Game

Morehead State College's fine young baseball team is off to a great start this season and can already boast of:

1. A no-hit pitching performance by John Capelle.
2. An 8-2 record and a 2-0 mark in the Ohio Valley Conference.

Seven starters hitting over .300 with Dennis Doyle leading the pack with a robust .514 mark.

Capelle, a 6-1, 195-pound freshman from Cincinnati, grabbed the OVC spotlight early with his seven inning no-hitter against Tennessee Tech as Morehead captured the seven inning league contests 5-0 and 8-4.

Capelle, whose overall record stands at 2-1, allowed only three walks and struck out seven as the Eagles opened defense of their OVC co-championship. A eightbatter, he has an earned run average of 2.11 having allowed six hits in 11 innings and four earned runs. He has struck out 15.

Coach Rex Chaney's youngsters have a formidable list of wins already although the season is only a few weeks old. The only two losses came at the hands of Howard—considered one of the baseball powers in the South.

The win over Georgia Tech was a convincing 7-1 thrashing while the Eagles trounced Olive 10-2 and Kentucky State 9-2 and Transylvania by a 2-1 count.

Doyle, who has been an all-OVC star for the past two seasons and is one of the finest high school performers ever turned out in Kentucky, has 18 hits in 35 trips to the plate and has scored 20 runs. The former Caverna high school star has already stolen 11 bases and has 10 RBI's.

Baseball star Harold Sergeant has the best record among the pitchers with a 4-0 mark and a fine .67 earned run average. The Willey junior has

pitched 27 innings and allowed 12 hits while striking out 33. Weyman Smith, a sophomore, has a 1-0 record with a superb three-hit performance against Tennessee Tech to his credit in which he allowed the Yellowjackets only three hits while striking out nine.

Following Saturday's double-header with Xavier at Morehead the Eagles will entertain two OVC rivals in twin bills, Eastern Kentucky will provide the opposition today and East Tennessee on April 25.

Chaney, who was named "Coach of the Year" in the OVC last year as his team posted a 20-10 mark, calls this year's team "a hustling, scrappy club which can be about as good as it wishes."

## PITCHED NO-HIT GAME — John Capelle, a 6-1, 195-pound freshman from Cincinnati, pitched a seven inning no-hitter against Tennessee Tech in the Eagles first conference encounter of the year. Morehead won the game 5-0.

Following Doyle in the hitting department is 6-6, 265-pound first sacker Leston Stewart with a .432 average with 23 runs batted in and four home runs.

Sophomore third sacker Jim Mastrodica is hitting .428 and has 13 runs batted in while freshman outfielder Jim Strickland is hitting .353 and for outfielder Ed Haslock .341 and freshman outfielder Charles Merlo .333.

Baseball star Harold Sergeant has the best record among the pitchers with a 4-0 mark and a fine .67 earned run average. The Willey junior has

## Panzers Capture Basketball Crown

By Dave Shire  
On March 26 the intramural basketball program came to a close with the Panzers topping the Rockets for the championship.

The single elimination tournament began March 19 at the Fieldhouse with two games scheduled for the evening.

In the first contest, the Panzers were down by two points at halftime, came back to take the Aquila Club 1, 56-54.

Jerry Suver led the Panzers with 27 points and many timely rebounds. George Grasser and Junior Akers followed with 11 and 10 respectively.

The Aquila's were led in the point department by Jim Mastroticchia with 17, and he was backed by Dick Womack with 11.

The second game pitted the 66er's against the Rockets and saw the Rockets win by 3 at the final buzzer for a 61-58 victory in the first round.

Scoring for the Rockets was divided evenly with four players in double figures. Monahan led with 14; Foster and Phillips 13 apiece and Gene Newsum with 11.

Littleton took game honors for the 66er's with 28 big points. Shopp and Newsum followed with 12 and 8 respectively.

On the following Tuesday, the final game opened with the Panzers rolling over the Pistons 50-45.

The Pistons had topped the Panzers earlier in the season, 33-18 in the second-half of the one that counted.

But were outscored by the Panzers 33-18 in the second-half of the one that counted.

Guiley was high for the Pistons with 15 and Ron McCall with 12. Incidentally, that was the only game of the tourney in which two teams of the same league faced each other.

Guiley was high for the Pistons with 15 and Ron McCall with 12. Incidentally, that was the only game of the tourney in which two teams of the same league faced each other.

The Panzers had three players foul out and played the final minutes with four players.

One of the Panzers players, yours truly, was home in bed with the mumps. Two starters also fouled out for the Rockets.

Jerry Suver was high for the game and the winners with 16, followed by Sexton (13), Grasser (12) and Gardner (12). Leading the Rockets was Rodowski, tallying 15. He was backed by Phillips and Foster with 10 and 11 respectively.

Bob Grager and Skip Smith did not score any points but did a fine job of officiating.

Zack Richards (timer) and Rick Wallin (scorekeeper) were to be congratulated for doing a fine job.

The Intramural Softball League opened Thursday with four games on tap. Only the scores of the games are being kept.

But I hope to give you the leagues top hitters, and players as the season progresses.

On April 16, the Aquila Club won over the Rockets (score not available). The 187's over the 180's.

The Toppers topped the BSU by a four foret. Here is one with a score; the Mets 20, the Collegiate Knights 12.

## Crawford Is Guest Consultant

By Carl Vogelbein  
Dr. J. James Crawford, Ford Foundation consultant and professor of business education at Indiana University, was guest speaker at the Annual Business Teacher's Conference on March 20, in the Little Theater of the Commerce Classroom Building.

The noted lecturer and textbook author gave a travelogue on his experiences in the Far East and emphasized the great need of other people's of the world in understanding economic education.

Approaches to improving the techniques of typewriting instruction were presented during the latter part of the conference, which was attended by over 50 alumni and business teachers from as far away as Ashland and Prestonsburg.

Twelve student teachers from Eastern Kentucky State College were also participants in this year's conference.

Dr. Hollie W. Sharpe, Assistant Professor of Commerce, who was in charge of the day's events, said the purpose of the meeting was to "up-grade instruction in business education in the secondary schools of Eastern Kentucky."

## Dennis Doyle Is Athlete Of Issue

By B. Pat O'Rourke  
Dennis Doyle, a 5'10", 170-pound junior from Caveana, has been an outstanding baseball player for Morehead State College for the past two seasons.

In his freshman year, Dennis was a unanimous choice for All-O.V.C. honors as a center fielder. As a sophomore, he was a unanimous choice for All-O.V.C. honors at second base.

His combined batting average for two seasons at Morehead has been .370 (as a freshman he hit .350 and as a sophomore he hit .350).

Dennis has also set a new stolen base record at Morehead and for the O.V.C. with 24, the old record was 9. He was third in home runs with 5 and set a new league record for hits in one season with 41.

Doyle was named Kentucky (college) baseball "Player of the Year" in 1963 by the Louisville Courier-Journal. He was also named Kentucky (high school) "Player of the Year" in 1961.

This year "Doogie" has had a tremendous start. Here are his statistics for the first 9 games: batting average, .358 (second on team); stolen bases, 14 (first); runs scored, 15 (second); R.B.I.'s, 8; hits, 15 (second); base on balls, 11 (first). He has only struck out 3 times.

Dennis is due to be named Morehead's "athlete of the year" and he has shown himself to be a well-rounded athlete, as he is also a guard on the S.C.C. basketball team.

Doyle is a physical education major and a member of the Collegiate Knights.

## Bowling Tips Are Published For Morehead State Keglers

What are college men being taught about bowling? Why are there so many consistently high scores in collegiate bowling tournaments? Just how do the college keggers do it?

Here are some of the answers, according to information supplied by the American Men's Bowling Association, co-sponsors of the annual Men's Intercollegiate Bowling Tournament.

**FOR BEGINNING KEGGLERS**

1. Do put the ball in motion, outward and downward, as soon as you take your first step.
2. DON'T rush the foul line. A brisk shuffle will keep the ball in a smooth arc.
3. Do keep your eyes directed on your target at all times during the delivery.
4. DON'T let or bounce the ball onto the lane. Both your game and the lane will suffer.
5. Do keep your shoulders parallel to the foul line during your entire delivery.
6. DON'T try to throw a big hook or a speed-ball. The best ball to use is the one that is the most important ingredient for high scores.
7. Do work on your spare shot. You may bowl as high as a 190 game without a single strike by sparing in every frame.
8. Do practice, practice, practice!

**FOR INTERMEDIATE BOWLERS**

Most of the nation's top keggers use the four-step approach. Experience has proven that it is best for bringing about a free, natural, easy delivery, the aim of the good bowler. Here it is, step by step:

1. Stance-Pushaway. Stand erect about four paces from where you will release the ball, with your shoulders parallel to the foul line. Your left foot should be at the center of the approach or slightly to right of center. Cradle ball in your left hand. Relax. In first step, the right foot moves forward at the same time, both feet push ball away from the left. The right foot should remain parallel to the foul line.
2. Step. The ball moves forward and the left foot leaves the ball which is

"River Island" is the latest significant collection of original poetry published by Eagle Editor's Note: River Island was edited by Albert Stewart. It is a collection of English at Morehead State College.

This slender volume is divided into four sections: "A New Place," "From The Feudalist," "River Island," and "The Citizens Band."

The second group, "From The Feudalist," as the name implies is a collection of poems which were originally published in "The Feudalist," a literary magazine published by the college.

However, in some instances revisions have been made.

In the third section, "River Island," are four verses from an unpublished manuscript as well as five stanzas which appeared in "The Lyre" in 1947. This poem-play was presented at the Southern Literary Festival in Clinton, Miss., by Sigma Tau Delta of Mississippi College. It was later presented at Morehead State College by the "River Island" group.

In writing "River Island" Spears has drawn freely upon the national and international stock of source material.

Many of the poems in this volume have been previously published by publications such as "The Daily Independent," "The Kentucky Review," "Poetry," "A Magazine of Verse, Voices and The Stylus," "The University of Kentucky," "The National Vocational Guidance Conference in Boston in April, 1963. As state representative, he received the National Citation for Kentucky. The Wesleys' legal residence is Morehead. Right now, graduation seems way off in the wild blue yonder. But it's not too early to start planning. In the future, you'll look back on decisions you make today with satisfaction... or regret.

What can an Air Force career mean to you in tangible gain? The opportunity to take on executive responsibilities you might otherwise wait years to attain. And a head-start into one of a wide range of possible careers in the exciting Aerospace Age.

As an Air Force officer, for example, you may be flying a supersonic jet...helping to keep America's guard up. Or you may be in an Air Force laboratory, working to solve an intricate scientific or technological problem.

Doing jobs like these, you can help your country. In addition to being useful to your country, they're the kind of jobs that give you a sense of dignity and purpose.

For more information, see the Professor of Air Science.

Also shown here are: (l to r): Mrs. Adron Doran, President of the KFWC; Mrs. Sherman Goodpastor Jr., Governor of the 8th District; Ray Hornback, Assistant to the President at Morehead, and 5th Vice-President of the KFWC and Gabriel Banks, Professor Emeritus of English at Morehead State College.

## Dr. Jackson, Barber Attend Science Teachers Convention

Mr. Woodrow Barber and Dr. Clayton Jackson of Morehead State College attended the 12th Annual Convention of the National Science Teachers Association held in Chicago, Illinois on March 20-24.

Over 3,000 science teachers from all parts of the United States and several foreign countries attended the meetings. Dr. Jackson and Barber met with science teachers, consultants, supervisors, and administrators representing each area of science at the elementary, secondary, and college level and viewed demonstrations, film shows, and displays of new curriculum materials.

Also at the Convention was the largest exposition of science teaching materials, supplies, and equipment ever assembled in such a meeting.

"The Scientific Enterprise and the Educative Process" was the over-all theme of the meeting, included among the nationally known speakers who addressed the science educators.

USELESS — A state-presidential primary no more than a popularity contest, and a highly inconclusive one, at that.

## Student Librarians Meet At Morehead

The annual Eastern Kentucky Student Librarians Association meeting was held on the Morehead State College campus last Friday.

Members of the EKSLA and the EKSEA Department of School Librarians attended the annual program.

A business meeting was held and new officers were elected for the group.

Editor's Note: The Trail Blazer will try to have a complete list of the new officers and activities for the next edition of the paper.

## Music Festival Scheduled Next Saturday

The Music Department of the college will be host to 14 high schools for the Morehead Music Festival next Saturday, April 25. Approximately 1,400 students will attend the day of vocal music activities.

High schools that will be present at the festival are: Breckinridge, Mason County, Putnam, McDowell, Louisa, Deming, Owsingville, Mayville, Blazer, Russell, Menifee County, Boyd County, Brecken County and Rowan County.

The day's events will begin at 9 a.m. with boys, girls and mixed choirs. Other activities include soprano solos, contralto solos, madrigals, mixed quartets, trios and ensembles.

Judges for the day's vocal activities will be Ford Montgomery and Nathaniel Patch from the University of Kentucky and John Christman from Berea College.

## Gullett Is Elected President Of CSM Youth Organization

Ronald Gullett, a Morehead State College senior, has been elected as the president of the Youth Organization of the Council of Southern Mountains, Inc. for 1964-65.

Gullett was elected at the 32nd Annual Conference of the Council of Southern Mountains, Inc., which was held in Asheville, North Carolina, on April 7-10. He will serve in this capacity until April of 1965, when new officers will be elected.

A geography and agriculture major from Salversville, Gullett is also the student body member from Morehead State College on the Board of Appalachian Volunteer, which is composed of six students and eight adult leaders.

The SNEA had a dart throwing game. The girls of Fields Hall ran a "crazy style show" which added a festive glamour to the carnival.

Other clubs adding atmosphere were the Campus Club, with a pitching machine, and the WRA, with a fishing pond.

The freshman class had a "fish for a wish" stand, the Lakodas sponsored a cotton carry, and East men's and Butler Halls collaborated on a bowling game. The Cosmoopolitan Club and the Sigma Delta sold food, while the BSU offered popcorn for sale.

The CAPA Tridents put on a skit entitled "Playboy Club."

The Collegiate Knights presented "Blot with the OK's." It featured such performers as Chuck Woolery and C. V. Foley. It ran approximately one hour and highlighted the evening of fun and enjoyment.

The CAPA Tridents sponsored the annual event.

KIPA COUNCIL — Representatives of the student newspapers of several Kentucky colleges met recently (Saturday, March 20) to reactivate the Kentucky Intercollegiate Press Association. Named to the executive committee of KIPA are (seated): Ken Alexander, Georgetown; Perry Ashley, executive director, University of Kentucky; Bob Adams, Western; (standing) Roger Dixon, president, Morehead; Cecil Rea, Kentucky Southern; David Neuge, UK; Doug Whitlock, secretary, Eastern; and Mrs. Annette Mayer, Transylvania. The Intercollegiate Press Association, organized to encourage better journalistic practices by student newspapers, has been inactive since 1943.

## Editor Is Named KIPA Chairman

Trail Blazer Editor Roger Dixon was named chairman of the executive board of the Kentucky Intercollegiate Press Association on March 20.

The meeting of the KIPA was held in Lexington to re-organize the group. The KIPA, a division of the Kentucky Press Association, was active in the 1940's and 1950's, but was never re-organized after World War II.

David Henderson, Trail Blazer Associate Editor, and B. Pat O'Rourke, Sports Editor, also attended the meetings.

A fall meeting of the KIPA was scheduled at Morehead State College and all interested Kentucky colleges will send representatives.

Outstanding journalists will be invited to speak and seminars will be conducted in various phases of journalism. The meeting will include representatives from newspapers and yearbooks throughout the state.

The executive board will meet in June to make specific plans for the October meeting.

Representatives from nine Kentucky schools — Kentucky Southern, Kentucky State, Transylvania, U. K., Eastern, Morehead, Georgetown and Western — attended the Lexington conference.

Perry Ashley of the University of Kentucky School of Journalism was chosen as the executive director of KIPA and Doug Whitlock of Eastern was elected as secretary.

### Morehead College Alumni To Attend Dinner Meeting

Over 400 alumni of Morehead State College will attend a dinner meeting at David's Buffet in Cincinnati on Friday, April 24 at 7:00 p.m.

Dr. Adron Doran, Morehead State College President, will make the featured presentation on recent developments at the college. Mrs. Doran, President of the Kentucky Federation of Women's Clubs, will also attend.

J. G. Gibson, President of the Morehead Alumni Association and Principal of Mt. Oak High School, will preside. Morehead's 38-member concert choir will perform and several college personnel will attend.

"The meeting has had a tremendous response," said Harry Mayhew, Director of Alumni Affairs at Morehead, "and advance reservations of 380 indicate a large attendance from throughout Northern Kentucky, Greater Cincinnati and South-Central Ohio."

The Alumni Association and the College are co-sponsoring the dinner meeting which is designed to provide a medium for fellowship among our many graduates in this area," Mayhew said.

Alumni clubs will be formed in the area and the dinner meeting is planned as an annual affair.

The April 24 meeting has been planned and formulated locally by a coordinating committee consisting of Mr. and Mrs. Arthur McKeenie, 6910 Merwin; Mr. and Mrs. John Duncan, 9415 Sunlight Drive; Mr. and Mrs. Lucien Rice, 1853 Centeridge; Charles Richardson, 1823 Compton, all of Cincinnati; and Mr. and Mrs. Joe P. Tackett, Florence, Kentucky.

### Breck Swimmers Take Fourths In State Meet

Entered in the Class B Kentucky High School Athletic Association's swimming and diving championships for the first time, swimmers from Breckinridge Training School Saturday carried off two fourth places and a fifth in the meet.

Freshman Tom Boyne finished fourth in the 200-yard freestyle, while Hollie Sharpe was eighth in the same event. Boyne also took a fourth in the 400-yard freestyle.

The 200-yard freestyle relay team—made up of Fred Casagill, Jeffrey Calvert, Bobby Day and Hollie Sharpe finished fifth.

The team accumulated a total of 10 points.

Chuck Duncan took an eighth place in the 100-yard backstroke.

### Daniel Ericourt Is Featured In Celebrity Series Program

Daniel Ericourt, pianist, was featured by the Northeastern Kentucky Celebrity Series in concert Monday evening, March 30, in Button Auditorium. Ericourt, who is one of the

few persons to have recorded the complete works of Debussy, presented a concert of Debussy and Chopin works.

Ericourt also conducted the annual Morehead State College piano workshop on Tuesday, March 31. A piano class was held the morning following a luncheon for Ericourt, piano teachers from the region, students and Morehead faculty members.

He was also available for informal discussion periods during the afternoon following student recitals by Morehead students at 1:00. Featured pianists were: Marilyn Errett, Urbana, Ohio; Margaret Fossett, Falmouth; Jeannette Frame, Mayaville; Rodney Hall, Galax, Virginia; Paul Hammond, Cincinnati, Ohio; Allen Hill, Urbana, Ohio; Martha Lewis, Grayson; Richard Lyons, Louisville; Priscilla Minnie, Blysville, Ohio; Nancy Patrick, Morehead; Joyce Sloane, Catlettsburg and Eileen Thirs, Lakeside Park.

Ericourt is one of the outstanding authorities on 19th and 20th century French music and has played concerts throughout Europe and America. He is an artist-in-residence and faculty member of the University of North Carolina and is a widely known concert artist.

### West Mignon Hall To Open During 1964 Summer Session

West Mignon Hall, named for Mrs. Adron Doran, will be ready for occupancy by the beginning of the 1964 summer term at Morehead State College.

The modern residence hall, which was designed by McLoney and Tume, Architects, Lexington, will contain 51 suites and a spacious lobby. Each suite, made up of a bedroom, a study-living room and a bath, will accommodate four girls.

Other features of the hall include a director's apartment, a laundry room and vending equipment rooms. The building will be completely air conditioned.

"It has a very excellent design for an upper class dormitory," said Earlene Saunders, associate Dean of Students at Morehead State College. The building, which will house 204 girls, is being built at a cost of \$95,471, and was originally scheduled to be finished by May 1.

"No decision has been made concerning the selection of a director for the new dormitory," said Dean Saunders. West Mignon Hall is the second residence hall in the Mignon Hall Complex. When finished, the complex will be composed of three women's residence halls.

The complex is located on the East end of the campus and the design of the three buildings repeat the general curve of the hill on which they sit.

"Construction will begin on East Mignon Hall sometime near the end of this year," said W. H. Rice, Superintendent of Buildings and Grounds at Morehead State College.
