

NEW CHRISTY MINSTRELS — The New Christy Minstrels, a widely acclaimed folk-singing group, will present a concert tonight

at 8:00 p.m. in the Fieldhouse. The event is being sponsored by the social clubs.

Senator Wayne Morse Speaks At Human Relations Conference

Wayne Morse, United States Senator from Oregon, spoke at Morehead State College on Monday, Oct. 26, at the seventh annual human relations conference.

Selected high school students from 30 schools in Kentucky, Ohio and West Virginia attended the annual event co-sponsored by the National Conference of Christians and Jews and Morehead State College.

Morse delivered the keynote address at 10:20 a. m. in the college Fieldhouse to a crowd of over 4,000—including the Morehead State College student body. His address was entitled "Citizenship Responsibility and Human Relations."

Dr. Adron Doran, President of Morehead State College, said, "This conference provides an opportunity for students of all races, creeds and walks of life to discuss the kinds of relations which should exist among human beings, to promote a greater understanding of various problems and to develop a keener insight into the solution of the problems."

Appearing as guest consultants for the day-long conference were: Robert M. Jones, Kentucky Director for the National Conference of Christians and Jews; Virginia Coffey, Seven Hills Neighborhood House, Cincinnati; Ohio Andrew Gottschall, Director of the Carolinas' region of NCCJ; Malcolm

B. Chandler, Southern Ohio region of the NCCJ; and John Arvey, Associate Director of the Cincinnati office of the NCCJ.

The Morehead State College Cosmopolitan Club coordinated the day's events. Dr. Lily-alice Aiken, Association Professor of Sociology, is club sponsor. Clyde James, president of the Cosmopolitan Club, presided at the 10:20 convocation. Mrs. Adron Doran, wife of the Morehead president and a founder of the Cosmopolitan Club, played the organ and Gabriel C. Banks, Professor Emeritus of English, gave the invocation.

President Doran introduced Senator Morse for the keynote address which was followed by a session conducted by Jones. Senator Morse was available at the luncheon for a discussion and question and answer period.

Discussion groups meetings were held from 1:50 to 3:30 followed by a panel discussion composed of the various consultants. The annual human relations banquet was held at 8:30 in the Doran Student House with Mrs. Coffey scheduled to speak.

Monroe Wicker, Director of School Relations at Morehead State College, was coordinator of the conference and calls the event "one of the most worthwhile and stimulating conferences we hold each year."

KIPA Conference Will Begin Friday

By Mary Sharrard

The Kentucky Intercollegiate Press Association will meet at Morehead State College on October 30-31 for its first state-wide meeting since World War II.

Collegiate editors and advisers from all parts of the state will participate in the program, which will touch on all phases of publishing a college newspaper.

Since the early 1940's the organization has been inactive. Last fall, the Kentucky Press Association officers agreed to help re-establish KIPA as part of a program encouraging better journalism in the colleges throughout the state. Planning sessions, called during the spring and summer, have resulted in active participation of twelve out of Kentucky's thirty five colleges.

During the first meeting, officers for the association were elected. They are Roger Dixon, Morehead, president; Doug Whitlock, Eastern, secretary; and Perry Ashley, U. K., executive director. The executive committee is composed of these officers and Ken Alexander, Georgetown; Bob Adams, Western; Cecil Rea, Kentucky Southern; David Haise, UK; and Mrs. Annette Mayer, Transylvania.

The tentative program is: Friday afternoon—12:00 noon, registration, Doran Student House; 1:00 P. M., opening session, Roger Dixon, presiding; 1:30 P. M., "Responsibilities and Role of the College Press," a panel discussion. (Panelists will be George Joplin, Somerset Commonwealth, Moderator; Ken Alexander, Georgetown College; Joy Graham, Eastern State College; Bill Grier, University of Kentucky; Ray Hornback, Morehead State College; and Chester Russell, Kentucky Southern College.) 3:00 P. M., refreshment break; and at 3:30 P. M., "Page Make-

Christy Minstrels To Play Tonight

Social Clubs Are Sponsoring Group's Appearance At College

The New Christy Minstrels, widely acclaimed folk-singing group will present a concert tonight Tuesday, October 27 at 8:00 p.m. in the Morehead State College Fieldhouse.

The event is being sponsored by the social clubs of Morehead State College and tickets are currently on sale at the College Business Office. Tickets are also available from members of the Campus Club, Aquila Club, Lakotas, Capa Tridents and Collegiate Knights.

Price of admission is \$2.00 for student advance tickets and \$3.00 for general admission.

The Minstrels had a network television show on location at the New York World's Fair this summer. Moscow has permitted the State Radio to play the folksinging group's albums.

Ranging in age from 21 to 29 the group consists of two girls and seven boys. Each plays an instrument and sings and does a solo specialty performance.

The Minstrels play a bouncy and happy type of rhythm under the direction of 30-year old Randy Sparks, vocalist, instrumentalist, arranger, and founder of the group.

Members of the group have come from vastly different areas and previous occupations. Barry Kane emigrated from Russia and Larry Samson was born in Hawaii. Art Podell attended a Jewish theological school.

Multi-lingual versions of the Minstrels' songs have been received in more than 120 foreign countries. They have also appeared at various colleges and universities throughout the country.

Louisville Orchestra To Perform Sunday

The Louisville Orchestra, one of the finest orchestras in the nation, will open the Northeastern Kentucky Celebrity Series, programs this year at Morehead State College. A concert by the orchestra will be held at 2:30 P. M., on Sunday, November 1, in Sutton Auditorium.

This program by the orchestra is made possible by an appropriation of the 1964 session of the Kentucky General Assembly administered by the Kentucky Council on Public Higher Education in cooperation with the State Department of Education and the State Department of Commerce.

Dr. Robert Whitney, who has been director of the orchestra for a number of years, is also Dean of the University of Louisville's School of Music.

The program by the orchestra, which has done a considerable amount of recording, will include: Handel's "Water Music Suite," Kay's "Tomb Raider Scene," Ives' "Variations on 'America,'" and Scriabin's "Divine Poem (Symphony No. 7)."

This will be the fifth annual appearance of the Louisville Orchestra at the Morehead State College campus.

The Concert Series will also feature pianist Abbey Simon on November 17, the Doran Woodwind Quintet on February 26, and the Kai Winding Sextet.

Membership drives in the Northeastern Kentucky Celebrity Series As-

(Continued on Page 3)

CELEBRITY SERIES OPENER—The Louisville Orchestra will open the 1964-65 Northeastern Kentucky Celebrity Series events with

a concert on November 1. The concert will be held in Sutton Auditorium at 2:30 p.m.

Social Clubs' Sponsorship Of Concert Excellent Move

The move by the five social clubs - Aquilas, Campus Club, CAPA, Tridents, Collegiate Knights and Lakotas - to sponsor the New Christy Minstrels in a concert at Morehead is an excellent one.

The New Christy Minstrels, who will perform in the Fieldhouse tonight, are one of the top folk-singing groups in the nation today. In fact, we doubt if there are any students (excluding the new students from other countries who are on campus) who have not heard or heard of them.

This undertaking by the five clubs could be the beginning of a new era of co-operation and unity among the groups. It is a move of far greater magnitude than anything the various organizations have tried in many years.

Through such co-operation among the clubs, the entertainment factor at Morehead, already the best in the state, could rise to even greater heights.

Of course, the clubs must make their money on this concert so they will be able to bring even more blue-ribbon entertainers to the Morehead campus. This will call for not only inter-club co-operation, but co-operation from all the students on campus who want such groups to continue to come to Morehead State College.

The time allowed for publicity for such an event has been short, but the editors feel that the student body will respond and attend the event in such numbers that the club will be more than able to pay the Minstrels for the concert.

Help Stamp Out 'Weekend Warriors'

It is amazing that with all the beautiful and gala events that are synonymous with Morehead that some people would actually pack their war bags and head for the home fires during this weekend-of-weekends. Yet, some actually did. In fact, some students haven't remained on the campus a single weekend since school started this fall.

As these noble warriors leave the campus, they are periodically heard giving forth their famous war cry. "There's nothing to do here over the weekend."

At the chance (not much of a chance though) of offending some of these tender souls, it can easily be said that these warriors are speaking with forked tongues.

There are numerous activities over each weekend that everyone can enjoy. Over Homecoming weekend, the list is almost endless, and there are very few acceptable excuses for missing such a college experience as this.

There it, has been, and probably always will be a great deal to do over the weekends at college besides running home.

College is here, besides obtaining an education, one is supposed to mature (which is part of obtaining an education). We fail to see how anyone who leaves the new life he is trying to build at every opportunity is going to form a solid foundation for the future.

It takes time to build a solid foundation for life, and dragging the proverbial "apron strings" along from home certainly doesn't help in this process of building.

Make Every Week Better Dress Week

Later in the school year the Council of Presidents will sponsor the annual Better Dress Fashion Show. Much more will then be said along the lines of acceptable campus attire, but perhaps a few words along this line would be in order for freshmen or overclassmen who have "forgotten" that dress can be only as neat and beautiful as its student's character tends to be. As pride in campus appearance is important, so is pride in personal appearance.

Campus dress trends have definitely been upgraded in the last several years at MSC. Let's continue this trend into 1964-65 with the same pride as has been shown in the past. We don't make the mistake of saying "but I've got to go a long way in the formation of first and ever-lasting opinions."

The Trail Blazer

"The greatest state is Morehead State"

Official Newspaper of Morehead State College, published bi-weekly except on vacations and holidays, and once each summer session. Entered as second class mail at the Post Office at Morehead, Kentucky, on March 3, 1972. Subscription price \$5.00 per semester in advance.

The Editor's Desk

It seems as if we can't even begin to put out a paper anymore without half-a-dozen people coming around telling us what we are going to say and do - even before we have done it.

During the chaotic, hectic effort to get out our Homecoming edition of the paper, we were informed by several sources that we were going to have an editorial "blasting" the Student Council.

Now, before this paper is even on its way to the printer's we have been informed that we are again going to do the same thing, and that we "jerried" similar copy from the last paper.

"Dear Hearts" (if we may borrow "Brother Dave's" pet phrase) listen well. In the first issue of The Trail Blazer we ran an editorial policy (which it appears that some of you neglected to read).

Some of the major points of this policy were as follows:

"Abraham Lincoln once said that to sin by silence when one should protest makes cowards out of men. The same holds true for a newspaper and the Trail Blazer does not intend to sin by silence."

If, in the opinion of the editorial staff, a transgression has been evidenced, the Trail Blazer will attempt to point out the situation, offer possible means of solution and support feasible measures to correct the error. The paper will be no "yellow sheet" and its staff no "muckrakers", but will endeavor to take interest in campus happenings and offer its views from time to time.

Trail Blazer editorials are not the brainchildren of an amateur editorial staff who wish to criticize rather than solve, slander rather than elevate or irritate rather than placate. They are not state in the dark or attempt to fill space, but are products of the earnest thinking of a number of individuals who hold the future success of Morehead State College at the apex of their endeavor. The Trail Blazer is the official paper of Morehead State College, not a vent through which the editor relieves his mind of gloomy portions of his own frustration.

At a closing note, it can be said that if the editor merely used the paper to relieve his frustrations it would often have to be printed on asbestos.

HOMECOMING

Homecoming being over, we feel a few comments will be appropriate.

"First, regarding the football game, we think that perhaps Gary Vanderkauf should be "Homecoming King" of the day for his great defensive work during the game. In fact, the whole Eagle squad should be crowned for their efforts. It's been a long time since we've seen such a thrilling game from an Eagle team.

"Second, still about the game, all the students are to be commended for their excellent job of electing the team on. The cheering was top during the game (some of the best we've ever witnessed at MSC).

"Third, we want to commend all of the professors who let their Saturday classes end a little early over Homecoming. None of the students were especially interested in class on such a day, especially with all the distractions going on outside. For those professors who adjourned a little early, a hearty cheer and our thanks.

"Fourth, congratulations to Judy Smith, the new Homecoming Queen. Judy was our choice for the

election, and we are glad to see her as the new queen. She is personable, friendly to everyone, and extremely venetian - a well-rounded (pun) queen in all ways.

"Fifth, we feel congratulations are in order to everyone who participated in obtaining Peter Fountain to play in concert before Homecoming. (We'll have more to say about the concert later).

"Sixth, while we're throwing roses, we'd like to drop a few to the Phi Mu Alpha band. The band performed for the Homecoming dance on Saturday night and did so at a nominal fee, hardly enough to pay them for their time and effort. We feel they're one of the best groups around, and their efforts during Homecoming certainly help to substantiate that feeling.

There are many more people and groups who deserve recognition, but we can't continue listing them. It would take most of the paper, so we'll just (borrowing a well-known trite phrase) give a "Well done" to all for the most successful, gala Homecoming ever.

SMOKING AT CONCERTS--TABOO

While we aren't trying to gain a reputation as a "bitch" sheet, we do want to register one strong complaint about the smoking that often goes on during the campus concerts.

Besides being extremely distracting to see little red glows throughout the audience, smoking at such performances and gatherings is illegal (as we understand it at present time).

There is no individual on campus who enjoys smoking more than we do (especially if volume is indicative of anything), and we doubt if there are many on campus who smoke more during the day's time than we do. Nevertheless, we don't smoke during the concerts (until the break that is), and can see no valid reasons for others to do so.

JOHNSON WINS ELECTION

In the Open Forum mock Presidential election, held last Thursday, over 800 students voted and gave President C. B. Johnson a resounding victory.

The results were:

Johnson	517
Humphrey	
Goldwater	318
Miller	

From the student vote, it appears that feelings at Morehead ran about the same as the national polls indicate (Johnson received about 61 per cent of the votes and Goldwater about 39 per cent) general feeling across the nation is at the moment.

THOUGHT OF THE ISSUE

William Faulkner once made this profound observation: "When grown people speak of the innocence of children, they don't really know what they mean. Presumably, they will go a step further and say, 'Well, ignorance then. The child is neither. There is no crime which a boy of eleven has not committed long ago. His only innocence' is, he may not yet be old enough to desire the fruits of it... his ignorance is, he does not know how to commit it."

Regional Campus

'Numbers Game' Is Problem For College Administration

By Winford L. Godwin
Director, Southern Regional
Education Board

The numbers game is not really a racket—it is the chief past time of college administrators and faculty members. And the game is getting tougher.

This fall, for the 20th consecutive year, college and university enrollments broke all previous records. About 4.8 million students are seeking degrees in institutions of higher education.

But the enrollment wave has not reached its crest. Moving up toward college age are 47.6 million teenagers, in elementary and high schools and if the current trend continues, a larger percentage of high school graduates will seek college admission in the future.

College and university enrollments, on a percentage basis, are outstripping population in increases. Auburn University President Ralph B. Draughon recently cited dramatic statistics. He said: "From 1960 to 1963 the population of the U.S. increased about two-and-a-half times, but enrollment in our college and universities increased 15-fold."

In every southern state, students are crowding the campuses, filling classrooms, laboratories and dormitories.

Georgia's public colleges and universities have about 30,000 students—a number equal to the population of a small city. The University of

South Carolina has a 19 per cent increase above last year. In Alabama, the University has enrolled about 16,000. Auburn, 19,800. Freshmen and new students alone numbered about 6,000 at the University of Texas.

At the University of Tennessee, space is at a premium. Set for an enrollment of about 12,900, 14,000 students arrived on the Knoxville campus. Total for all universities of Tennessee alone more than 21,000. Lounging rooms in the dormitories have been turned into bedrooms and young men are sleeping in their cars.

At Tennessee, 70 sections of first quarter English had been planned—this was increased to 90 sections and 11 new instructors were added.

"This is indeed one of the most serious crises in the University's history," said Tennessee President Andrew D. Holt. "Not only because of the present heavy enrollment but also because it is just the beginning of the long-anticipated post-war baby boom increases that will accumulate, up through the Ph.D. level, for the next decade. We cannot serve the increase coming up next year and the years after unless we get relief from the 1965 legislature."

Dr. Holt's predictions are reinforced by the U.S. Office of Education, which anticipates that,

by 1979, about eight million students will be enrolled in colleges and universities—all most double 1964 enrollments. And the U.S. will have more than three million high school graduates.

But it isn't necessary to consult a crystal ball to see the effects of the student boom. It is here now—on campuses all over the South and the nation.

Virginia's Governor Albert Harris, speaking recently to the Southern Governors' Conference in Texas, dramatized the present enrollment situation in these words: "Texas alone has just enrolled 70,000 more students in her public institutions alone than attended all Southern institutions when I finished law school."

"Any legislator, governor or trustee who thinks that all we have to do is ride out a temporary enrollment surge should think again."

Scientist To Visit
Campus November 3-4

Dr. Ivan L. Muller, associate professor at Ohio State University, will lecture at Morehead on "Artificial Satellites: New Tools of Geophysics," on November 3-4.

The program's primary objective is to acquaint students and faculty members with the spectrum of acropoly.

Students who are interested in obtaining an interview with Dr. Muller should contact John Philey in Room 405, Lapping Hall.

FUTURE TRAIL BLAZER STORIES

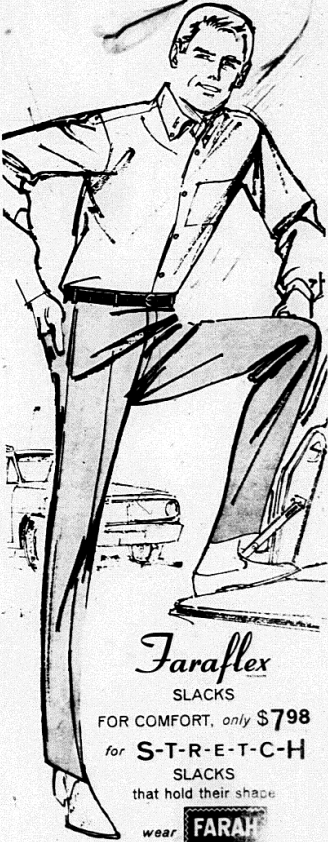

Due to limited space in this edition of The Trail Blazer, we were unable to run certain features and stories in this issue of the paper. Herein, in the next edition of the paper, these stories will be included.

Heading the list of these stories is a feature by Marion Carter, Trail Blazer feature writer, about a skydiver who is a student at the college. Also included in the next edition will be Carter's world news column "As I See It," a departmental news and some club news were unable to include in this edition.

Letters To The Editor

Dr. Clifford Rader Mourned Homecoming Called Best Ever

Dear Editor,
Dr. Clifford R. Rader was the best friend I have ever had or hope to have. He was a wonderful person good to everyone.

I had the honor and privilege of working with him and through this association knowing he and Mr. Rader very well. Dr. Rader always thought of others first and to one who worked for him but with him.

Being his secretary for three years gave me opportunity to know him well. Many, many times he told me the greatest gift on the earth is friendship. He said a person rarely ever found a true friend and that if you had one, that was the greatest blessing one could have or know. He was my friend and I was his. He taught me that a friend always thinks and does good for others—that friendship means giving and sacrificing for that friend.

Cliff Rader gave me much encouragement in my college work, purpose in life, confidence, security, happiness, much material wealth, and most important of all, friendship and companionship. He respected me and loved me and so wanted to do much for me, as he did for many others. I, as a college student and worshiping student, tried to make his work easier and more pleasant.

Not only I, but all Morehead State College and Morehead, Kentucky, have lost a true friend. Many times, he told me and I heard him tell other students to love and respect will diminish.

One day while working in the office, diligently over our work with the social studies division, Rader said, "outside this office, the world may seem cold, unfriendly, blustering and more pressure than one can take, but within this office there is always peace, and our problems and responsibilities seem small and insignificant." To me, that was the way it was with Dr. Rader no matter where he was—at home with his wife, in class teaching, in his office working, conferring

with a student or an associate or walking down the street whistling. He had the great ability to comfort others and he was always ready to listen to others.

My challenge to you today, fellow M.S.C. students and myself, is to live our lives like Dr. Clifford R. Rader—being devoted to our teaching profession, being an excellent scholar, being a most considerate and loving, marriage companion, and being a true, most sincere friend to all with whom we have contact.

Sincerely

Patricia J. DeMoss

Dear Editor:

Will you please send me the issues of your paper which contain articles on the sickness and death of Dr. Clifford Rader, Chairman of the Division of Social Sciences.

I extend my sympathy to your college for the loss of one of its finest teachers of this area. I have attended five colleges and universities over a long period of time, and I have never known a professor who could inspire his students toward greater efforts or prove more independent thinking.

Yours very truly,
Mrs. Helen Carpenter

Dear Editor:

My wife and I have just returned from Homecoming at Morehead and a two-day tour of Kentucky. We want you to know how impressed we were with the entire Homecoming weekend. We enjoyed the opportunity of personally meeting part of your faculty on Saturday morning and getting better acquainted with the campus.

The spirit at Morehead stands in a class by itself, and we can say this with the authority of experience. Our experience, particularly with Ohio colleges comparable to Morehead, have been disappointing. College student bodies generally seem to lack the enthusiasm and loyalty of collectively and vocally support their team.

We had the privilege of being

invited to sit with the members of your Mystic Club at the Homecoming game. Led on by the cheerleaders, this fine group of students did not allow morale to sag at any time during the game.

That was a story book finish, as you know, and the team and coaches are the best. Dr. Donah's own act of spontaneous enthusiasm after the game, in going out on the field to personally congratulate the players, underscored our feelings of Morehead's enthusiasm.

We believe your school spirit, your cheerleaders and your Mystic Club are great! We came away with the satisfying feeling that through the morale boosting efforts of the Mystic Club we had shared in a part of the spark which turned the course of the game.

Sincerely,

H. M. Schaaf

Dear Editor:

I would like to comment on the Homecoming activities at Morehead State College for 1964. Students conducted themselves in orderly fashion and I am sure that they all had a wonderful time—I know I did. We had a wonderful and beautiful, Queen Queens Court, and the Queen herself was a hard choice to make by the student body.

The Candlelight dinner was a success, and there is no doubt about the Pete Fountain Concert being rated the number one best out of past concerts in the last two years. The people seemed to have more of an interest this year and certainly we had a harder time than they did last year. The game will undoubtedly be marked as the most thrilling played this season.

Then came the closing out event of activities, The Homecoming Ball, which was packed.

Overall, I am proud to say that we had a great Homecoming and the student body helped make it that way.

Thanks again.

Don Crist,

President of the Student Council

SCORE NO. ONE — Tally Johnson carried the ball over (see picture) early in the fourth quarter of the Austin Peay game to give

Morehead their first touchdown of the game. The Eagle scored again a few minutes later and went on to win the game 14-12.

—Photo by John Hamn

B. Pat's Corner

By B. Pat O'Rourke
TRAIL BLAZER SPORTS EDITOR

Five down—four to go! The Eagles are on the way to their first undefeated season (we hope). It is a little too early to talk about an undefeated season, but the team has shown that it is ready to take all comers, and it will be a "long day in May" before it will give up in a ballgame.

One of the most striking things that has developed in the last two games is the "clutch" football the squad has shown.

In the Murray game, Morehead trailed 14-10 with about twelve minutes left in the game, the defense stiffened to gain position of the ball in two minutes and seven plays later the score was 17-14. For the remainder of the game the defense held and Murray never threatened again.

The Austin Peay game was a stale game as far as the Eagle roster was concerned because the team just didn't "have it". Then in the fourth quarter a fumble and a 22 yard pass from Mike Gottfried to Jack Smith put a spark into the team that may never be equaled again. The team from that point on could do no wrong. Five plays later the Eagles scored their first touchdown of the day and they were on their way to victory. Eddie Hartner of Austin Peay fumbled again and the boys were on their way to another score. The drive was climaxed by one of the finest pass plays of the season. Mike Gottfried threw a pass over the middle to Smith who had to shake off two defenders to get the pass, thus the score was 14-13 and the victory was ours.

UNSUNG HERO

The last couple of games have had many heroes that the normal spectator doesn't see. One of these unsung heroes is sophomore Gary Virden, who plays in the linebacker position for the squad. He probably had one of the finest games of his career, in the Austin Peay game. The Parkersburg, West Virginia, product constantly fouled up Governor pass patterns to help the Eagle defense hold them to only four completions. He intercepted a pass in the wintest minutes of the ball game to put the game "on ice" for the host team. He is a player, like Gary Virden, that gives all that has to do with the cause of victory that makes a winning team. Morehead is very fortunate to have Gary Virden and the rest of the squad who give all they have to bring home a victory and the pride of a winning team home to us.

WOMAN SURPRISES

Two new additions to the Morehead squad are Seniors & sophomores, Zenny Gray, Reddick, a defensive lineman, and some very well on offense

this year and shows no sign of slowing down. Scotty leads the team in punt returns (8 for 93) and kickoff returns (2 for 40 yards). He is fifth on the squad in rushing with 70 yards in 8 carries for a very respectable 8.7 average per carry. To add to all this he intercepted a vital pass in the Tennessee Tech game and ran it back for 25 yards. Reddick is a sophomore physical education major from Abundale, Florida. Tommy Gray, the fastest man on the Morehead squad, has shown his great speed (100 yd. dash in 9.5 sec.) on several occasions. His best example was an interception in the Marshall game which he returned 56 yards to set up the only touchdown of the game. In the Murray game, Gray caught a 45 yard pass from Gottfried to set up the winning touchdown in that game. He is second on the squad in pass receiving with 9 grabs for 122 yards (80 yards in 10 carries) put Gary third on the squad in rushing). Gary is a sophomore (freshman eligibility) physical education major from Birmingham, Alabama.

OVC STATISTICS

Austin Peay still leads the conference in total offense with Morehead running a close second. Morehead has gained a total of 1316 yards for an average of 5.63 yards per game. The Eagles have only allowed 990 yards for an average of 138.0 yards per game for third place in the conference. Jack Smith, who was chosen "lineman of the week" moved into first place in the pass receiving department with 15 grabs for 182 yards and one touchdown. Mike Gottfried kept up his first place status by completing a total of 42 pass out of 82 attempts for a total of 476 yards and three touchdowns.

DON'T GET OVERCONFIDENT

With the season more than half over the Morehead Eagles undefeated there is a new problem developing—overconfidence. This is the nemesis of all good athletic teams. This problem is now facing Coach Penny's gridmen and it could become a real disaster if not controlled. Fortunately we have a group of line experienced coaches and some levelheaded ballplayers. Our team is now riding on one of the greatest victory waves in the history of MSC and is destined to be the greatest. It would be a shame if they all of a sudden got cocky and blew the works.

Our boys know what can happen if overconfidence took over and have been on guard. They are to be commended for their great spirit and will to be the best in the league. YOU—the student and fan should also beware of the nemesis of overconfidence and encourage and give the boys all the support possible. In the Ohio Valley Conference there is no champion until the last game is played and therefore no glory until the last whistle sounds. So always be ready to support the Eagles and they will come through for you in real tradition of a great football team—

which they are.
SHARE WITH THEM YOUR DESIRE AND THEY WILL SHARE WITH YOU THEIR GLORY. Remember, BE GOOD SPORTS. —FANS

Tennessee Tops Morehead 13-0 Blue Raiders Hand Eagles First Loss Of '64 Season

(Reprint from the Courier-Journal)
Morehead-Tenn. Opportunity
Middle Tennessee took a giant step toward the Ohio Valley Conference football championship last night, defeating Morehead 13-0 and knocking the Eagles out of first place and from the unbeaten ranks.

The Rail Term of coach Charles "Barber" Murphy also included closer toning down the host role in the first National Collegiate Midwest Regional Playoff bowl to be held here Saturday, December 12.

Quarterback Teddy Morris and fullback Bob Hickey, University of Tennessee transfer, combined talents to lead the Raiders to their ninth straight O. V. victory.

Morris passed sparingly, but hit four of nine for 51 yards to set up both touchdowns. Fullback David Petty, who gained 27 yards in nine carries, scored twice on one-yard plunges.

Morehead took the opening kickoff and drove 66 yards for a first down at the Raider three—Russ Campbell was thrown at the four. On the next three downs, fullback Tally Johnson gained a yard on each carry.

He was stopped on fourth down trying to sweep the Middle Tennessee end. The Raiders kicked out of danger and Morehead never penetrated the 30 again until the final second. Morehead gained 66 of its 116 yards and five of its six first downs in that initial drive.

Tommy Gray worked with the best rushing effort for Morehead, gaining 13 yards in three carries. The Raiders limited Morehead to 11 rushing yards and no touchdowns. Back Mike Gottfried off guard to make the league's No. 1 passer hit only eight of 22 for 75 yards. In Morehead's first drive, Gottfried hurried 13 yards to Richard Pate and 17 to Jack Smith.

Middle Tennessee got its first scoring drive under way after boots Donnelly intercepted a Gottfried aerial at the 47. Morris passed 13 yards to Hickey for the big gain.

In the final period, the Raiders drove 57 yards in 13 plays, Morris passing 11 yards to Ray McNeil and Jimbo Pearson when the running

Net yards rushing	41 187
Net passing	4-29 4-29
Passes	75 82
Interceptions	1 2
Fumbles lost by	2 6
Yards penalized	25 23
Punts	6-40 8-62.9
Morehead	0 0 0 0
Middle Tennessee	0 6 7 13

The victory lifted Middle Tennessee's overall record to 4-1-1 and dropped Morehead to 5-1. The loss was Morehead's 14th in a row in this series. The O.V.C. champion is virtually promised the host role in the N. C. A. A. Regional bowl on this campus. Heading the list for the victor's berth is unbeaten Wittenberg of Ohio.

Jack Smith

Jack Smith Is Athlete Of The Issue

By Pat O'Rourke

When you think of Jack Smith you think of a great set of hands. There is a good reason for making this statement. Jack is currently leading the Ohio Valley Conference in pass receiving with 15 grabs for 182 yards and one touchdown.

His performance is the Austin Peay game earned him "lineman of the week" honors in the OVC. He caught seven passes for 83 yards and scored the winning touchdown in the final moments of the ballgame.

Jack's value to the team is more than being one of the best ends in the conference. He is a good team man and his experience on the field has shown the way for the younger ball players.

Smith is a senior physical education major from Decatur, Georgia.

Intramurals In Action

Patriots Lead League In Football Action

By Dave Shure

The Morehead Intramural Football season is now in high gear and the season thus far has brought some line ball games to the spectators.

As of last Thursday, when the Unbelievables lost their first game, the Southern Patriots became league leaders with a 5-0 record.

The scores and standings as of last Thursday are as follows:

Southern Patriots 49-9, S.U., 12-10, and the rest of the Dave Penick and the throwing of Skip Smith and Jack DeLorenzo led the Patriots to another scoring rampage.

DeLorenzo's sure trick hands managed to grab 2 TD passes. Buster Burns also hauled in a TD pass.

The Patriots' two quarterbacks teamed up for a touchdown when DeLorenzo threw to Smith.

The P.A.T. play was Van Meter ran a pass and Bill Van Meter ran for the first down.

Fine defensive efforts were seen in the playing of Conner and Smith with Conner scoring two points on a safety.

The points scored by the S.S.U. were through the pass catching of Coffey (2 TD's).

Campus Club 21-Boogtrotters 0
The steady ground game the Campus Club kept moving consistently with Gary Mills, Teddy Pass and Ivan Harber carrying the load. Each scored one TD apiece.

Tommy Brown had a fine day running also, as he picked up valuable yardage when needed and scored 3 points himself on a safety and one by conversion.

Spastics 14-CK's 14
October 12 proved to be a fine day for the Spastic score-wise when they out-pointed the CK's by 27 in the second half.

The game stood at 13-6 in favor of the Spastics the first half. They came back with a 4 TD's to the CK's the second half to smother them. (The names of the players who scored for both sides have not been turned into the paper, so therefore they cannot be printed).

Southern Patriots 19-187's 0
"The South shall rise again" is the cry, and it did rise again last week as the Patriots knocked off another foe. The 187's could not cope with the passing of DeLorenzo, and Smith as they each had a TD. Penick for TD.

Buster Burns also pulled one out of the air good for the six points. The only PAT was made by Smith on a run.

Campus Club 61-Gremmies 0
The Campus Club, aided by the TD run of Tom Brown, rolled to victory on Oct. 19 by blanking the Gremmies 6-0.

Spastics 15-Boogtrotters 0
The Boogtrotters, still having considerable trouble with their offense, were held scoreless by the Spastics.

In the scoring column for the victors were Jim Harris, who ran for one TD and caught a pass from the PAT. Hall caught one TD pass also from Spears, and Thomas scored the remaining two points on a safety.

Unbelievables 12-187's 6
The Unbelievables continued their undefeated season effort last Tuesday by taking a close one from the 187's by 6 points.

Bobby Johnson, showing colorful running and catching, tallied 12 points on pass plays. Both these TD's were taken place during first half action. Johnson's right hand man was Slump, who completed numerous passes.

Collegiate Knights 19-9, S.U., 1-0
The CK's relied on Larry Maynard to throw the passes as they downed the S.S.U. for their second victory.

Maynard threw to Mike Coughlin for two TD's and an extra point.

Dennis Doyle did the running for the Knights and picked up 3 points on a fine PAT run.

The Spastics and the S.S.U. had their game postponed last Wednesday, and it will be played at the end of the season.

Southern Patriots 10-Gremmies 0
The Patriots coasted to another easy victory by blanking the Gremmies 10-0.

Jack DeLorenzo piloted Patriots by throwing for one TD to Bill Van Meter and throwing the PAT to Penick.

The other TD was made on a run by Leroy Surrey, who had decided he will live up to M-F football and become a Marine.

CK's 16-Boogtrotters 0
The Boogtrotters took away another victory last week, and again I do not have the statistics for you.

Southern Patriots 12-Campus Club 6
In a very hard fought game, the Patriots came out on top to defeat the C.C. and remain undefeated.

Skippers Smith threw the only TD passes he hit Bill Van Meter and Leroy Surrey for six apiece.

The C.C. scored their six on a pass interception by Teddy Pass who ran it back for the tally.

187's 19-CK's 0
The 187's broke into the win column again and held the CK's pointless.

Steve Stein, returning to his old form, broke away for a 50 yard run and scored. Through some backfield fumbling, he managed a TD pass to Jimmy Lynch for another 6.

Bob VanCleave ran for six points and also the PAT to wind up with 7 points.

Gremmies 14-Unbelievables 8
Last Thursday, the Gremmies, by knocking off the undefeated Unbelievables, could have been the team that broke the Camel's back.

Joe Campbell hauled in a long pass from Roger Montenegro and a short one also to score two TD's and capture the victory. I do not have the official word on how the extra points were scored.

Joe Santo (Gremmies) returned the opening kick-off 70 yards, for their only 6 pointer. Bruno Russo tagged Montenegro in the end zone for a 2 point safety.

The standings as of last Thursday, not including yesterday's two games, are as follows.

Southern Patriots 5-0
Unbelievables 4-1
Campus Club 6-0
Gremmies 2-2-1
187's 2-2-1
Spastics 2-3
Collegiate Knights 3-3-1
S.S.U. 1-4

Cross-Country

Wins, Loses One

By Ken Straffer

The cross-country team of Morehead in their meet lost against the University of Cincinnati on Friday, October 9, by a 15-45 count.

The Morehead five for this meet were: Dave Mitchell (sixth place), Jim Johnson (seventh), Wayne Garner (ninth), Dave Dennis (eighth), and Dick Norman (tenth). Ted Newcombe was out with a bad cold and a quarter mile.

On Homecoming day, Oct. 17, Marshall University came to Morehead for the first Hart-Horne meet.

Morehead defeated Marshall 24-31. Morehead took second, third, fifth, sixth, eighth and eleventh places in the race. The runners were: Jim Johnson, Dave Dennis, Wayne Garner, Dick Norman, Ted Newcombe and Ken Straffer.

THE WINNING POINT — Tally Johnson is shown here kicking the winning point in the Austin Peay-Morehead game on October 17. The Eagles, who had trailed throughout the ball game, scored the tying touchdown late in the fourth quarter of the game. Johnson's P.A.T. put the Eagles ahead 14-13, and the Moreheadians kept their one-point edge for the remainder of the game.

Eagles Win By 14-13 Count Over Austin Peay Squad

By Herbert Lee Sparrow
Trail Blazer Sports Writer

Before 8,000 delirious homecoming fans, the Morehead State College scored two touchdowns in the final quarter to defeat Austin Peay 14-13, Saturday, October 17, at Morehead.

The stirring comeback came after a sharp Austin Peay team had dominated the first three quarters. Taking advantage of a second-quarter fumble by the Eagles, the Governors scored on a four yard pass from quarterback Charlton Platt to end Pete Bush with 1:01 left in the first half. Austin Peay again tightened the noose of the half as they drove to the one yard line as time ran out.

Austin Peay took up in the second half where they had left off in the first, as they drove 75 yards to score. The drive was led by sophomore John Ogles, who gained 40 of the yards. Ron Paron's kick was wide, and proved to be decisive in the outcome of the game.

The State Morehead offense seemed to come alive after tackle Dick Jones recovered a Gov's fumble on the fifth play of the last quarter. From the Austin Peay 44 yard line, the Eagles scored in six plays, capped by Tally Johnson's two yard run. The big man in the drive was end Jack Smith who caught three Mike Gottfried passes for a total of 38 yards. Johnson's

kick was good and M.S.C. tallied 13-7 with 11:04 to go in the game.

After Austin Peay took over the ball, linebackers Gary Vinton and Bill Hester came up with timely tackles and end George Adams grabbed a fumble by Rayland on the Gov's 20 to set the winning drive in motion.

A one-yard run by Johnson and a pass from Gottfried to Richard Pare gave Morehead a first down on the Austin Peay ten yard line. After Russ Campbell was stopped for no gain and Gottfried threw two incomplete passes, the Eagles were faced with a crucial fourth-and-ten situation. Gottfried took the map from center and fired. Smith made a great diving catch in the endzone and Morehead had tied the score. Johnson then kicked the winning point, as a fired-up Morehead defense held Austin Peay the rest of the game.

"We were stale," said Eagle head coach Gary Penney. "I know what's wrong with us. We worked them too hard during the week. We're going to take the pads off before these boys whip each other to death."

The victory jumped the Eagles into sole possession of first place in the Ohio Valley Conference. They are now undefeated in five starts, three of them with conference foes. Austin Peay lost its first game in five starts.

during Homecoming, October 17. Regents Hall was second and East Men's Butler was third in the competition.

Homecoming Most Festive Ever At Morehead State College

By Walter Moore

Homecoming 1964 brought a record turnout of students, parents, and alumni to Morehead, where they saw the most gala Homecoming ever.

Activities started Friday afternoon (Oct. 16) with a candlelight dinner in the Doran Student House. Mrs. Doran, wife of President Doran, played the organ.

Mrs. Doran was accompanied by Kenny Beckoff on the saxophone and Lonnie Vinton at the drums. Singers were Carol Gilmore and Gary Holcomb. Hosts for this dinner were the Student Council, the Lakotas and the Capa Tridents.

Ray Hornback, Assistant to the President for Public Affairs, introduced Pete Fountain, jazz clarinetist, at 8:00 p.m. to an enthusiastic audience of over 1500 students, faculty and alumni at the Field House, where he presented a two-hour concert. Saturday morning at registration, alumni and parents were given a copy of the Homecoming edition of the Trail Blazer, which was the largest edition ever at Morehead.

Open House was held from 10 a.m. to 12 noon, and parents and alumni visited with students and inspected the new buildings on campus. Reception to the various academic divisions were also scheduled at the same time.

Next on the agenda was the Smorgasbord Luncheon in the Doran Student House which drew over 1500 guests.

At the pre-game show the Morehead State College band welcomed the alumni with "My Old Kentucky Home" and "The Water Tower."

At 3:30 the undefeated Eagles started the game

against their previously undefeated conference foe Austin Peay in the Eagle's new Breathitt Sports Stadium.

In the first half, Austin Peay drew first blood and went in at the half with a 7-0 lead.

At half-time, the new Homecoming queen at Morehead for 1964, Judy Smith, was named.

After a 15-minute halftime, the dormitory decoration winners were announced.

Fields Hall placed first in dorm decorations for girls with a demonstration of dressed up "Southern Belle". Mazon Hall took second place, and Thompson took third.

Waterfield's steamship earned a first place for the men. Regents Hall took second, and East Men's Butler took third.

In the third quarter, the Governors scored another hard-earned touchdown, but missed the pat. Nevertheless, in the last quarter it was the Eagles all the way. Morehead made a thrilling comeback to win the game 14-13 before the over 8,000 fans.

A post-game supper and reception was then held in the Doran Student House. About 800 alumni and parents were received by Dr. and Mrs. Doran, Judy Smith and James G. Gibson, president of the alumni association.

The Phi Mu Alpha band played songs at the Homecoming Dance with "The Old South" serving as this year's theme. The band played in front of a setting of an "Old Kentucky Home" and other Southern decorations. Over 500 couples attended the dance. Judy Smith and her court were presented to the guests during the dance.

G.R.E. Exams To Be Held Nov. 7, 14

By Betty Higgins

Trail Blazer Education Editor The fall testing schedule for graduate students taking the Graduate Record Examination will be held on Saturday, November 7, 1964 and, the following Saturday, November 14, 1964, as announced by Mrs. Hazel Whitaker, director of the Testing Bureau at Morehead State College.

All tests will be administered in Room 211 of the Social Studies and Education Building.

The eight o'clock session on November 7, 1964 will include all students who have applied to take the Aptitude Test. The twelve-thirty testing period the same day will be for those who have applied to take the Area Test.

Mrs. Whitaker announces that the Advanced Test may be taken by appointment prior to November 14, if the student desires to take the test early.

At Morehead State College the Graduate Record Examinations are required of graduate students for admission to candidacy in the Graduate School programs. The tests are designed to measure breadth of knowledge and understanding in general scholastic ability.

Fashion Seminar Scheduled At College On November 5

A special fashion seminar has been planned by the Home Economics Department within the Division of Applied Arts as a service to the college and to the community. It will be held Thursday, November 5, in the assembly room of the new Home Economics-Industrial Arts Building.

Miss Helen Wright, special field representative for the educational division of Simplicity Pattern Company, New York City, will present two illustrated lectures.

At 9:10 A.M. she will speak to the freshmen college girls and high school girls from Breckinridge and Rowan Counties as well as schools in the immediate region, on the topic "Careers in Textiles and Clothing." Those girls currently majoring in Home Economics or college girls interested in current fashions or sewing is cordially invited.

Miss Bettie McCloskey, instructor of clothing and textiles at M.S.C., is serving as co-ordinator of the seminar.

The field representative, Miss Helen Wright, has traveled nationwide for Simplicity Patterns for over six years. She is highly qualified for her position as a sewing consultant in both education and experience.

Dr. Clifford Rader

Debate Tourney Scheduled On October 31

By David Littleton
Debate teams from junior and senior high schools from West Virginia will attend the debate tournament to be held Sunday, October 31, at Breckinridge Training School.

The activities will consist of three rounds of debate, three rounds of individual activities, and junior high school events in poetry, prose, public speaking, and oratory declamation.

Mrs. G.C. Webb, Instructor of Speech and Drama Morehead State College, will be in charge of the program of activities.

Heart Attack Takes Life Of Dr. Clifford Rader

Dr. Clifford Rader, Chairman of the Department of Social Studies died at Saint Claire Medical Center on Wednesday, October 14, at 8:20 p.m. He was 58 years old.

Dr. Rader was a native of McKee, Jackson County. He was educated at Eastern State College where he received his A.B. In 1934 he went on to the University of Kentucky to receive his M.A. in 1937.

From 1938-41 he served at Kentucky State Supervisor of Historical Documents. In 1942 he entered the Army and rose to the rank of Sergeant before being discharged in 1945. Dr. Rader then went back to the University of Kentucky to receive his Ph.D.

Dr. Rader came to Morehead in 1947 after teaching at the University of Maryland. He was named division of Social Studies Chairman in 1960.

On June 1, 1933, Dr. Rader was

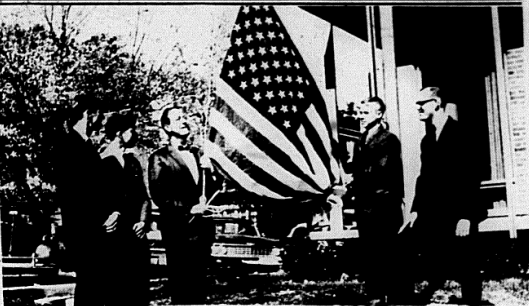

married to Addie Ritter, who survives.

Other survivors include four brothers and sisters: Ed Rader, Manchester; Lucian Rader and Waltz Rader, both of Hamilton, O.; and Mrs. Des Holt, Portsmouth, O.

Dr. Adron Doran, President of Morehead State College and a friend of Dr. Rader's said: "All plans are shelved at the sudden death of Dr. Clifford Rader. He made a great contribution to the purposes and objectives of Morehead State College. He was a dedicated teacher and his influence will live long in the lives of those who sat at his feet."

Similar words were reworded by many of his colleagues.

The body lay in repose at the Lane Funeral Home, Morehead, Kentucky. The interment took place Friday, October 16, at Richmond Cemetery, Richmond, Kentucky. Dr. Doran performed the services.

RAISING THE FLAG — The Circle K recently presented Morehead State College with a United States Flag to fly over the campus, and last week a flag pole was erected to fly the flag from. Pictured above are (l to r):

Phil Owens and Jim Young, Circle K members; Dr. Adron Doran, President of Morehead State College; Jane Ransier, Circle K President; and B. Pat O'Rourke, Corresponding Secretary of Circle K.

Breck In Brief

By Mary Anderson
Jalali Hurt

The Breck Science Club held its first meeting Monday, October 12, 1964 at 2:45 to organize and plan activities for the next year. The club elected the following officers for the coming year: Gary Bishop, President; Mike Ferguson, Vice President; Jim Caudill, Secretary and Wendell Proudfoot, Treasurer.

A meeting of the Breckinridge Beta Club was held last Wednesday morning at 8:30 to discuss plans for the coming Beta Revue.

The date was set for November 5, 1964 in the Breckinridge Auditorium at 5:30.

The new members who will be installed at the Beta Revue are: Loretta Roark, Gary Bishop,

Gary Caudill, Dave Coffey, Carol Coffey, Vickie Fraley, Mrs. Sherry York, Mrs. Linda Arnette, Wendell Proudfoot, and Mary Anderson. The newly elected Drama officers are: President, Jackie Slater; Vice President, Sue Peiffer; Secretary, Mary Olive Anderson and Treasurer, Greg Greenman.

Jr. Senior Man's Honorary Now Accepting Letters The Junior-Senior Men's Honorary Society is now accepting letters of application for membership.

All junior and senior men at Morehead State College are eligible for membership if they have a 3.0 (B) over-all average or better.

Applicants should address their letters to Mr. Victor Venetozzi, Department of Languages and Literature, Morehead State College, Morehead, Kentucky.

Cosmopolitan Club Presents International Talent Show

By Sue Wallace

The Cosmopolitan Club presented its 1964 Talent Show on Thursday, October 22, in honor of United Nations Day. This program was part of the celebration of International Week at Morehead State College.

The program opened with a Columbian dance, "Cumbia," performed by Margarita Rebolledo, Gabriela Mora, Marion Zuel, Carlos Ruiz, (Columbia); Aldo Bochi, (Chili); and Abbas Salamati (Iran).

The Latin American theme continued with guitarist Jim Bowling playing "La Columbia" and "Malagueña." Jim also sang

"Shady Lane," a folk song from American culture.

To represent the United States, Joyce Mason, sang two Negro spirituals — "Steal Away" and "Swing Low, Sweet Chariot."

Tony Jahanian and Margarita Rebolledo presented the Peruvian dance "Baba Karam." Tony did a Flamenco for an encore.

Joyce Mason and John Demaree presented an authentic African courtship dance.

Two students from the Near East sang songs from their native countries. Abbas Salamati, accompanied by John Hall, sang a Persian love song. From Lebanon, Wael Abouti-Hosn performed

"Mustapha." Mae Chu took us to China with the traditional Chinese Birthday Dance. Again from the United States, Hugh Anderson sang a song from Appalachia.

Hong Kong's Helen Lam, presented a lovely Chinese song, "The Song of Tien Luen."

From the Far East, Japan's Harve Sano played the piano.

Thailand was represented by two completely different dances. Jayant Tulyadham and Macie Yu performed a gay folk dance. This was followed by the exquisite Thai Dance with Macie Yu and Pornprapha Ohnansiyoo.

The program closed with John Hall in an audience participation song "Lemon Tree."

FIELDS HALL DECORATIONS — Fields Hall decorations, pictured above, won from the honor of first place among the women's dormitory

decoration contest held during Homecoming at MSC. Mignon Hall took second place and Thompson Hall took third.

—Photo by Martin Hoffman
1964 HOMECOMING QUEEN — Miss Judy Smith, a sophomore from Prestonsburg, was elected Homecoming Queen at Morehead State College for the 1964-65 school year. Judy, a speech and drama major, is secretary of the Student Council and a member of many other campus organizations.

Judy Smith — A Girl Who Likes People

By Delores Callahan Trail Blazer News Editor

A chemistry student was once asked, "What do you think has been the greatest achievement in the field of chemistry in the past fifty years?" His reply, "Peroxide and blonde!"

Morehead State College can boast of a blonde "five-footer" who is above and beyond the "dumb blonde" stereo type. A native Prestonsburg lass and this year's homecoming queen, Judy Smith now resides in Stone, Ky., a small town near Williamson, W. Va.

Judy is a speech and drama major and plans to be a speech therapist for children. At one time she considered taking nurse's training, but compromised her speech and medical professions to speech therapy.

Her main interest? People!

At the present time, Judy is a member of the Lakota Social Club, secretary of the Student Council, the Floyd County Club, and the Morehead Players, and is a member of the Open Forum Club.

Last year, as a freshman, Judy was a member of the Freshman Steering Committee, played leading roles in several campus play productions, and was Vets Club queen.

When asked about being homecoming queen, she replied, "The crown meant nothing to me, in itself, but it did mean something to me to think that I had all those friends. I love people."

KIPA Conference— (Continued from Page 1)

on a eight column format and a five column format, with Tommy Pickett, Cincinnati Democrat, and Archie Frye, Georgetown Graphic, serving as consultants. Adjournment is planned for 5:00.

Friday night, a banquet will be held at 6:30 with the Kentucky Press Association as host. Dr. Adam Doran, President of Morehead State College, will be toastmaster. The speaker of the evening will be Ben Reeves, Managing Editor, Louisville Courier-Journal.

Saturday morning there will be sectional meetings beginning at 9:00. Resolutions for news and features will be Bob Adams, Western State College and Jim Hampton, Courier-Journal. Discussing business will be Ken Alexander, Georgetown and Victor Portmann, Kentucky Press Association. Advisor is Lou Edmondson, Murray State College.

At 10:00 a coffee break is scheduled. A roundtable with moderator, W. Foster Adams, Morehead, is set for 10:15. Lunch will be at 12:00, followed by a closing business session at 1:00 which includes election of officers, reports of committees on by-laws, constitution, meetings and other business.

Louisville Orchestra— (Continued from Page 1)

sociation are \$5.00 for adults and \$2.50 for students. College students are automatic members of the association. Backriderage students are not automatic members. They must buy memberships. A family of more than four can buy family memberships for a total of \$15.00. Memberships may be reserved by calling college extension 365.

'Anabelle Broom' Production To Open On November 5

By David Littleton Trail Blazer Drama Editor

"Anabelle Broom, The Unhappy Witch" will open for four performances on Thursday, November 5, 8:00 p.m. in the Little Theatre of the Bert Combs Classroom Building.

The play is the first in this semester's series to be presented by the Drama Department of Morehead State College and will be directed and produced by Bill Watts, Instructor of Speech and Drama.

Par Spangle, a freshman from Cleveland, Ohio, will play the leading role of Anabelle Broom, the non-conformist witch.

Others appearing in the play are: Jen Behannon, Norma Hughes, Jo Ellen Brown, Mary Lee Huff, Doris George and pianist, Denny Harney.

The play is being done in the arena style, with the acting done in the center of the auditorium and the audience seated on each side. Many students will remember the department's performance of "Our Town" which was also done in this style.

The play will be presented November 5, 6, 12 and 13. Price of admission for patrons is 50 cents. The show will also tour Rowan County Grade School.

Industrial Arts Club To Attend Conference

By Walter Moore

The Morehead State College Industrial Arts Club will attend an Industrial Arts conference on November 6 and 7 at the Kentucky Hotel in Louisville.

Dr. Grote, Division Chairman of Applied Art, three members of his staff and fifteen students will attend the conference.

Charles Schickler, a senior majoring in industrial arts, and Robert Bittering, a junior, will take equipment they have designed and fabricated to demonstrate at the conference.

Schickler designed a unique "electrical discharge machinery apparatus," which enables one to machine intricate shapes in metal through a discharging process rather than a cutting action.

Morehead State College is the only college to have one of these. A few are used by industries throughout the world.

Bittering has an electro-plating unit designed for use by typical industrial arts teachers in junior and senior high schools. The design of this unit permits students to learn technical processes of electroplating by utilizing principles applied in industry.

Morehead State College's Industrial Arts Club is affiliated with the Kentucky Industrial Education Association. The Industrial Arts Club has participated in this conference for four years.

Learning about a European buffet.

25,000 EUROPEAN JOBS

Grand Duchy of Luxembourg — 25,000 jobs in Europe are available to students desiring to spend a summer abroad but could not otherwise afford it. Monthly wages range to \$300 and jobs include resort, office, child care, factory, farm and shipboard work. \$250 travel grants will be given to the first 3000 applicants. Job and travel grant applications and full details are available in a 36-page illustrated booklet which students may obtain by sending \$2 (for the booklet and airmail postage) to Dept. O, American Student Information Service, 22 Ave. de la Liberte, Luxembourg City, Grand Duchy of Luxembourg.
