

Cumberland Forest Had 13 Fires Last Year

Forest rangers and fire squads of the Cumberland National Forest gathered in Winchester, W. Va. on Jan. 28, 30 to discuss ways and means of preventing forest fires in 1947. Supervisor H. L. Borden of Winchester, chairman

of the group, announced that 131 fires had to be controlled in 1946, that was over twice as many fires as in 1945. He pointed out that smokers, hunters, and debris burners would be given special attention in 1947. Also analyzed was the problem of finding fire rangers willing to help fight the fires.

A motion picture entitled "X Marks the Spot" was shown to impress the need of safety while driving the 50-odd automotive

vehicles used in managing the Forest. Plans were made to cooperate with the State Forestry Division in observance of Kentucky Forest Week March 16-22. A meeting was attended by Don Beck, fire specialist of the regional forester's office in Philadelphia and State Forester Newland of Frankfort, Winchester Assistant Henry Sipe, Bruce Fansberger, Tom Kendrick, John Avent, and Curtis Pulliam. Field men present were Jack Hicks, Forest Hauler and Joe Maulk of Morehead, Wilbur Rose of Slade, Earle Meekins and Carl Ashley of Berea, Paul Glibreath of Mc-

Kea, John Ridnour of East Earl, Karl McNasser, Gotto Paterno, E. C. Niemann, and D. F. VanArsdale of Leidon Campbell and Paul Sampson of Williamsburg. Smoot, Tom Watto, Ed Hurst, Andy Griffith, Leiford Perry, C. McCarty and Elmer Sumner of Stearns.

Step right up and meet a Sweetheart

It's BUICK for '47!

of beam that spells room aplenty - the ready-to-go poise of four coil-sprung wheels ready to level the roughest roads into boulevard smoothness.

And in particular, mark down this: Not one smart model but *nine* will present this fresh front to the world in this season.

Cars in this series, three wheel-bases and three price ranges give you a triple-barreled chance to know Buick size, Buick beauty, Buick ability when you travel.

Choose from two versions of the garage-handly SPECIAL - four of the light-footed SUPER - three of the great-hearted ROADMASTER series.

In each you'll find a rich abundance of the things that make Buick America's most wanted automobile - engines that seem to stay forever young, the matchless buoyancy of Buick Coil springing, the spaciousness of great room, the feathery handling of controls that are always "obediently yours."

Naturally - demand is going to be great; a sweetheart like this is bound to bring suitors flocking.

So how about coming in - right away - and getting your order on our books?

Time in HENRY J. TAYLOR on the air twice weekly

STEP UP now, good people, and meet the fashion master of the new season.

Here's Buick for 1947 - style-wise, performance-wise, quality-wise and value-wise, the sweetest "buy" your dollars are going to find anywhere this year.

Eye well that sparkling new grille - behind it you'll be plainly marked as strictly up to 1947 in your travel standards.

Take in the tapering grace of long, sweep-through fenders - there's the hallmark of a style pattern sure to bring you notice and approval wherever you may go.

Note the reach of the bonnet - long, deep, broad-chested - there's a lifetime of this in such bountiful supply of Buick Fireball straight-eight power.

Spot the solid footing of a carriage big as you deserve - the breadth

ONLY BUICK HAS ALL THESE

Improved SUNDAY International SCHOOL LESSON

Lesson for February 9

LESSON SUBJECTS and Scripture texts selected by the Board of Christian Education: Released by Western Newspaper Union

LESSON TEXT - John 6:25-35, 56-58. BREAD: I will be the bread of life. - John 6:48

Bread! The cry of the hungry peoples of the world for bread has reminded us anew that it is the simple and elemental things of life which are of most importance. Bread, water, light - such things man cannot do without. How significant then that our Lord declared unresponsive to the bread of life (John 6:35), the satisfying water (John 4:14), and the light of the world (John 8:12). Our lesson does not deal with the feeding of the five thousand, but the story of that miracle of our Lord is the background for the discourse on the bread of life which is assigned for our study. It is one of the most delightfully simple, yet unforgettably profound, portions of Scripture.

The story of how our Lord multiplied the loaves and fishes of a small boy's lunch and fed the multitude presents him as the Creator and Sustainer of all things. The people having been fed, wanted to take Jesus and make him their King (John 6:15), so he went over the Sea of Galilee to Capernaum. But he could not get away from them, for they followed him there. Meeting them he gave them the instruction they so much needed as he effectively contrasted the temporal and earthly with the eternal and heavenly.

I. The Bread of Earth and the Bread of Heaven (vv. 25-27). They sought Jesus not that they might receive spiritual blessings, but that their stomachs might be filled. (v. 26). It was not a high motive, but an understandable one. Hunger, or the fear of hunger, threatens so many of the people of this earth that one does not find it in his heart to condemn them too severely. Yet it was a low motive and one which caused them to entirely miss the greatest and most blessed provision of God for their every need. The bread of life is the bearing the imprint of a human maker would soon leave them hungry again, and eventually they would die. The bread of heaven, bearing the seal of the Father (v. 27), would fully satisfy them for all eternity.

Note the folly of those who labor for the reward which this world can give, but who neglect their eternal welfare (v. 27). How foolish, too, is the Christian who spends his whole life and his talents in the pursuit of money and invests little or nothing of time or ability in the service of God!

II. The Work of Men and the Work of God (vv. 28-30). Entangled as they were in earthly things and desires, they seemed for a moment to reach out toward the things of God. Jesus had been talking about everlasting life and the bread from heaven; they wanted to know what they could do to merit and receive it. It is quite typical of man even to this day that he thinks there must be some way that he can come through to eternal blessedness by way of his own works. We shall see how effectively Jesus dealt with that folly!

The only work that man can do to meet God's first demand and inherit eternal life is to believe in Christ (v. 29). Men want to add up works of penance, works of charity, deeds of righteousness, character development, the observance of religious traditions and ceremonies, the offering of prayers, and so on without end. Jesus sweeps aside all this with one brief word, saying in effect, "It is not a question of *do*, it is a matter of *believe*."

Works is not the answer to any spiritual need, but faith in Christ. We must trust God and believe in the One whom he has sent; then we are ready to go out and do his will!

They (yes, and we too) must now face the alternative

Tar Flatt

James O. Burke has bought a farm on Tar Flatt.

Mr. and Mrs. Edgar Stamper's little daughter, Ruth, who fell down a flight of steps and injured her head is improving.

Jimmie Moore who fell and strained a tendon in his right knee a few days ago is improving.

Mrs. Ella Gullett, wife of Sam Gullett of Farmers, who has been ill for some time is no better.

Miss Katherine Black who is convalescing at her sister's home after leaving the hospital is improving very slowly.

Mitchell Bruer, an ex-serviceman, is attending school at Morehead.

Veterans Urged To Keep Their Insurance; Morehead Contact Office Will Supply Data

The Veterans Administration regional office today launched an intensive national service life insurance information program designed to assist 266,616 Kentucky veterans of World War II in retaining or reinstating G.I. insurance. Of this number, 63 per cent have permitted the insurance to lapse.

Harry W. Farmer, regional manager, said the plan is being coordinated with a nationwide drive to bring NSLI information to the 14,000,000 veterans of World War II. Only 4,000,000 still retain G.I. insurance.

"The VA feels that the majority of veterans who have let their NSLI lapse are not familiar with the privileges and economic security that this insurance affords them," Mr. Farmer said. "We believe that NSLI will provide protection against privations and heartaches that enter the lives of veterans' families who are left without security for the future."

The VA official emphasized that cost of NSLI is low because Uncle Sam pays all overhead expenses out of the national treasury.

Mr. Farmer urged veterans to continue NSLI term insurance during their readjustment to civilian life, and to convert only after they have become re-established and know what their financial capabilities and insurance needs will be.

After term insurance has been in effect for one year, it may be converted in whole or in part to one of more of the following permanent forms of insurance: Ordinary life, 30-payment life, 20-payment life, endowment at age 55, endowment at age 60, and 20-year endowment.

Complete NSLI information is available at the contact office in the Maples building in Morehead. When paying premiums or in submitting inquiries, it is of utmost importance to include complete information, specifically: Full name, present mailing address, "N" or "V" insurance certificate numbers, service serial numbers, date of discharge from service, and date of birth.

Average Car Owner Uses 651 Gallons Gas Per Year

A car traveling public is driving more in the postwar world. The average passenger car owner used 651 gallons of gasoline and drove some 9,755 miles in 1946, according to the estimates of a prominent economist in the petroleum industry, James J. Skelly, president of the American Road Builders' Association, pointed out in commenting upon the increasing use of gasoline by the nation's motorists.

Have You Seen Morehead's Forest?

By Emerson Wheeler

One rainy day in the spring of 1932, Morehead College students planned 2,000 seedlings of Norway pine. They were spaced six and one-half feet apart on a brown hillside behind Breckinridge Training School.

The plants were received by Henry Haggan of the Agriculture department from the state foresters. As this was the first time that Norway pines had been planted south of the Ohio River, state and federal foresters periodically inspected the trees to see if they were adapted to this region. The project was a success and more Norway pines were used in the Cumberland forest.

These trees today remind me of a poem:
Dark behind it stood the forest,
Stood the tall and stately pine trees.

Proclamation

WHEREAS—February 11, 1947, marks the 100th anniversary of the birth of Thomas Alva Edison in the town of Milan, Ohio and

WHEREAS—Thomas Alva Edison devoted his entire life to bettering the welfare of mankind and through his invention of the incandescent and fluorescent lamps, the phonograph, and the motion picture and his nearly eleven hundred other inventions gave the peoples of the world added comfort, health and a multitude of conveniences and

WHEREAS—These inventions have created vast industries which are giving regular employment to millions of Americans, and

WHEREAS—We are only now beginning to realize the true greatness of Thomas Alva Edison—that he was one of the greatest men who ever lived and that the force for good and for the progress of mankind, born with Edison, shall never die;

THEREFORE, I, N. E. Kennard, Mayor of the City of Morehead, in the County of Rowan, and the State of Kentucky, do hereby proclaim the 100th anniversary of the birth of Thomas Alva Edison, February 11, nineteen hundred and forty-seven, to be celebrated as

EDISON'S BIRTHDAY

and I do hereby urge all citizens to pause on this day for a moment of reverent homage to one who has contributed in such a large way to the comfort of all, to an outstanding American, to humanity's friend, Thomas Alva Edison.

In witness whereof I have hereto set my hand this 4th day of February, 1947, and have caused the seal of the City of Morehead to be affixed.

(SEAL) N. E. KENNARD, Mayor.

Survivors Of Deceased World War II Vets May Be Eligible For SS Benefits

World War II veterans' survivors who may qualify for social security benefits on the deceased veteran's service record should apply for benefits at once to avoid loss of money, H. J. Godbey, manager of the Ashland office of the Social Security Administration, warned today.

Eligible survivors of veterans who died after their discharge from the armed forces and before Aug. 10, 1946, have only 10 days to file their claims to receive benefits payable back to the time of the veteran's death, Mr. Godbey said.

The 1946 veterans' amendment to the Social Security Act provided monthly cash benefits for dependents of ex-servicemen who died, or will die, within three years after discharge, leaving their survivors without compensation or pensions from the Veterans Administration.

Survivors of ex-servicemen who died before enactment of the amendment on Aug. 10, 1946, were given six months in which to apply for benefits payable back to the date of the veteran's death. That six-month period expires Feb. 10. Social security benefits generally are payable retroactively for a maximum

period of three months prior to the time claim is filed.

"Applications under the veterans' amendment have been far fewer in this area and nationally than was expected," Mr. Godbey said. "It is possible that a number of eligible persons have failed to apply for their benefits." They should seek information at once on their possible benefits at the nearest social security office.

The Ashland office is in the Second National Bank building.

Benefits may be payable to children under 18 and the widows taking care of them, to widows 55 years of age or older, or, in some cases, to aged dependent parents.

Morehead, R. R. 3

Seas Branch school is progressing nicely. Several children have not missed a day. They have had several visitors including Mr. Brame, Mrs. Sinclair, and Mrs. Thompson.

Miss Wanita Mae Butts entered the Spelling Bee at Morehead. Charlene Barracks and Virginia McKenzie entered the sword-drill. Miss Loretta Butts won the first prize in art drawing in the third grade. Miss Faye Spark-

man won first prize in first grade art drawing contest.

Mrs. Emmet Hamilton and Mrs. Ed Hamilton were shopping in Morehead Monday.

Him Nesbitt is home from West Virginia where he was injured in the mines. He has been in the hospital.

Charlie Lewis was a Sunday guest of Chester Butts, Mr. and Mrs. Chester Butts and family were Sunday guests of Mr. and Mrs. Arthur Dean of Haldeman.

EMPLOYMENT

An estimated 56,317,000 persons in the United States held civilian jobs during the week of Dec. 8-14, according to the Census Bureau. The number of unemployed—persons wanting jobs but not having them—increased during December by 190,000 and reached 2,150,000. Most of the increase was among veterans, with 940,000 seeking work.

**HOW GENIUS WITH A CHARRED STRING
 LIGHTED A WORLD FOR BETTER LIVING**

In Thomas Alva Edison's laboratory a bell jar was pumped free of air. In this vacuum a charred cotton string was suspended from two thin wires. Edison closed the switch that sent electricity through the string. It glowed brightly. The electric light was born.

The light which came out of vacuum built the great electric industry of the United States, an industry that today gives the American workingman more cheap electric power than is available in any other nation. Because of this abundance of power, American workingmen produce more goods, earn more money, and work shorter hours than any other men in the world.

We have a new world. We Americans have developed it ourselves: with initiative, with courage, with intelligence and ingenuity, and with hard work.

Thomas Edison grew up in a young nation accustomed to hard work and few comforts. He slaved because he knew the world would welcome something better. We, his followers, feel that it is our responsibility to protect and expand the usefulness of his contributions.

Edison experimented with 6,000 filaments for his lamp before he found the one he finally used.

Edison's first motor was a far cry from those that power modern equipment.

The phonograph was Edison's favorite invention. He clasped music next to religion as the mind's greatest solace and inspiration.

Edison's first motion picture—in 1889—was accompanied by sound from a phonograph.

Thomas Edison's genius contributed to the welfare of all mankind, and on February 11 the world will commemorate the 100th anniversary of his birth.

SOCIETY

Women's Club Entertains At Sweetheart Banquet

One of the most delightful entertainments of the winter season was staged yesterday evening at the Morehead College cafeteria when the Rowan County Woman's Club presented its annual sweetheart banquet with over one hundred members and guests present.

Most of the delightful program, which was arranged by Mrs. Elizabeth Martindale, was musical and featured the appearance of the Morehead majorettes and a portion of the Blue and Gold band directed by Jack Thomond.

After Mrs. Claude Clayton, club president, had introduced the Master of Ceremonies, W. E. Crutcher, the majorettes made their appearance in a special battalion number. As an encore Janet Kinney did a baton solo with handdrings.

The couple present who had been married the longest, Mr. and Mrs. Ben Penix, and the couple that had been married the shortest number of months, Mr. and Mrs. Watkins Martindale were presented during the evening and Mrs. Penix and Mrs. Martindale were proclaimed the sweethearts of the 1947 sweet-

heart banquet.

Among the other highlights of the hour's program were: A tap dance by Mary Jo Mobley, a "Li Abner and Daisy May" adaptation by Gene Slater and Imogene Zornes; a special act by Evelyn Caudill and Dorothy Clayton; and a specialty presentation number by the band led by Mr. Thomond. In the finale the band played the Morehead College rally song while the majorettes performed from atop the banquet tables.

Daughter Born To Former Residents

Mr. and Mrs. Raymond Combs are the parents of a six and three-quarter pound daughter born to them on Jan. 30 at the Good Samaritan Hospital in Lexington. Mrs. Combs was the former Miss Virginia Lee Nickell, daughter of Mr. and Mrs. C. E. Nickell. The baby has been named Virginia Rainelle Combs.

Auxiliary To Hold Regular Meeting

The American League Auxiliary will hold its regular meeting Friday, Feb. 7 at the home of Miss Arkie Rose. Her sister, Mrs. W. C. Banks will assist Miss Rose.

Naomi Manning Marries

Mrs. Ada Gearhart is announcing the marriage of her daughter, Miss Naomi Manning, to Mr. Burle Ferguson, son of Mrs. Lala Ferguson. The wedding took place in Owingsville on Jan. 23, at one o'clock. The ceremony was performed by Rev. George C. Frey, pastor of the Christian Church at Owingsville, in the parsonage. Mr. and Mrs. James Brammer Jr. were their only attendants.

The bride wore a suit of green wool crepe with black accessories. Mrs. Brammer was dressed in a black suit.

Mrs. Ferguson is a graduate of Morehead High School and has been assisting in the Allen News Stand for the past several months. Prior to that she was employed at the Bettson Drug Store.

Mr. Ferguson served for some time in the U. S. Marines and was released on a medical discharge. He has been assisting his mother in the Cut-Rate Grocery. They will make their home in Morehead.

Knife and Fork Club Celebrates Birthday

The Knife and Fork Birthday Club met with Mr. and Mrs. C. P. Fraley on Jan. 29 to help two members, Mrs. C. P. Caudill and Mrs. A. B. McKinney celebrate their birthdays. A delicious dinner was served and a social hour was enjoyed. The honor guests received many lovely gifts.

Those present were: Mr. and Mrs. C. P. Caudill, Mr. and Mrs. A. B. McKinney, Mr. and Mrs. Alvin Caudill, Mr. and Mrs. Everett Randall, Mr. and Mrs. Roger Caudill, Mr. and Mrs. J. W. Walbrook, Mr. and Mrs. W. K. Kenney, Mrs. John Palmer, Mrs. John McKinney, Mrs. A. L. Miller, Mrs. Mae Mesdown, Mr. and Mrs. Cecil Fraley, host and hostess. Two new members voted in to the club, Mr. and Mrs. Ben Penix, were also present.

Daughter Born to Mr. and Mrs. Mullins

Mr. and Mrs. Bennet Mullins are receiving congratulations on the birth of a daughter born to them on Jan. 28, at the Good Samaritan Hospital in Lexington. She has been named Karen Lynn. Mrs. Mullins was the former Miss Juanita Hayes.

Christian Missionary Holds Regular Meeting

The Women's Missionary Society of the Christian Church held their regular meeting on Wednesday, Feb. 6, at the home of Mrs. N. E. Kennard. Mrs. C. O. Peratt had charge of the program.

Daughter Born to Mr. and Mrs. Elwood Lytle

Mr. and Mrs. Elwood Lytle are the parents of an eight-pound daughter who was born to them on Jan. 31 at the Good Samaritan Hospital in Lexington. The baby has been named Sherry Gay. She has a brother, Gene Elwood, three years old.

Mr. and Mrs. Tommie Dugan Welcome Twin Daughters

On Monday of this week, twin daughters were born to Mr. and Mrs. Tommie Dugan at the Good Samaritan Hospital in Lexington. The babies have been named Nancy Corinne and Mary Lucile. They weighed five pounds and eleven ounces, and six pounds and fifteen ounces. Mrs. Dugan was Miss Corinne Holbrook before her marriage.

Helen Elizabeth Clancey Weds Sam Caudill Jr.

Helen Elizabeth Clancey and Sam Caudill Jr. exchanged nuptial vows at a ceremony read by the Rev. W. J. Swensen, the Catholic parsonage in Spokane, Wash., in late December.

The bride, daughter of Mrs. Anna Clancey of Spokane, wore a dress of ice-blue with black accessories and a corsage of carnations. Her single ornament was a gold cross, a family heirloom, suspended on a chain.

The groom is the son of Mrs. Woody Hinton and Sam Caudill Sr., West Palm Beach, Fla. He is a graduate of Morehead High School.

A bridal breakfast for the wedding party was served at the home of the bride's mother immediately following the ceremony.

Mr. and Mrs. Caudill left for a short wedding trip in Idaho. They will make their home in Spokane where the groom is attending Pennsylvania University. The bride was employed by General Electric in the telephone office.

Baptist Women's Missionary Society To Meet Monday

The Women's Missionary Society of the Baptist Church will meet with Mrs. Royal Brown on Monday at the Good Samaritan Hospital. Mrs. C. O. Leach chairman, will have charge of the program.

Morehead Club Postpones Meeting Until Third Tuesday

The regular meeting of the Morehead Women's Club scheduled for Tuesday, Feb. 11, has been postponed until the third Tuesday, Feb. 19.

Mr. and Mrs. Warren Shafer left last week for a few weeks stay at Miami, Fla.

Sgt. Ernest Crutcher and Mrs. Crutcher visited his brother, W. E. Crutcher, and Mrs. Crutcher Monday. Sgt. Crutcher has recently been discharged from the Army after serving in the European theatre and he and Mrs. Crutcher were on their way to Pensacola, Fla., where they will make their home.

Mr. and Mrs. Worley Hall and Mrs. Jesse Johnson and son, Tommy, are spending a few weeks in Florida.

According to word received by Mr. and Mrs. Reynolds Ellington, their grandson, Larry Neal Hardin, 4-year-old son of Mr. and Mrs. Philemon Hardin of Middletown, Ohio, is seriously ill of pneumonia.

VISITS HERE

Miss Verna Williams

Miss Verna I. Williams returned to her home in Washington, D. C., this week after a visit with her parents, Mr. and Mrs. A. J. Williams, Elliottville.

Miss Williams graduated from the Morehead High School in May, 1944. She now holds the position of "Information and Liaison Clerk" in the State Department in Washington.

Mr. and Mrs. Dave Caudill and Mr. and Mrs. Garland Collins will leave Sunday for several weeks stay in Miami, Fla.

Mrs. Lige Hogge returned this week from several weeks visit with her parents in Los Angeles, Calif.

Mr. and Mrs. Charles Thoroughman and daughter, Mary, of Poplar Plains have been visiting her mother, Mrs. H. B. Tolliver. Mrs. Tolliver, who has been seriously ill, is slowly improving.

Mrs. Nancy Ann Hiser of Frenchburg is visiting her niece, Mrs. Cecil Purvis and family for a few days. Mrs. Hiser is a sister of the late Mrs. T. F. Lyons.

Mrs. Hartley Battison and Mr. and Mrs. Ernest Jayne were business visitors in Cincinnati Monday and Tuesday.

Jack Helwig Jr. went to New-
port Tuesday to visit his wife and infant son, Jack III. He returned Wednesday.

Mr. and Mrs. Marshall Conn and son, Tommy, spent the weekend with relatives in Cincinnati and Westchester, Ohio.
