MOREHEAD STATE UNIVERSITY

Tues., Dec. 9, 1969

Vol. 39

No. 12

**HAPPY HERO . . . All-American Dave Haverdick, defensive tackle, smiles at coed well wishers last Thursday morning when the news broke of his selection to the first team of the Associated Press honor squad for college division teams.**

## Dave Haverdick Joins AP All-American Squad

Dave Haverdick has capped his brilliant football career at Morehead State University with the college gridiron's top prize — All-American honors.

The 6-4, 240-pound senior defensive tackle from Canton, Ohio, was named to the first team of the Associated

Press All-American squad for college division schools, commonly called "the Little All-America team."

Haverdick became the first MSU gridders to reap All-American honors since the Eagles helped form the Ohio Valley Conference in 1948.

"It was my dream and I wanted it more than anything in the world," the big, bruiser said of his selection to the AP's defensive unit. After being named to their honorable mention list last year, I thought I might have a chance if I worked real hard this season."

And work he did. The four-year starter was named to the All-OVC team for the third straight year and won unanimous recognition for the second time. He was picked as an OVC All-Star by the Louisville Courier-Journal.

Haverdick has been pessimistic about his All-American chances because of missing two games with injuries but his presence in the other eight games was enough.

"Besides being a dedicated, outstanding player, Dave also is a gentleman and a young man with great character," said MSU Head Coach Jake Hallum whose Eagles finished 6-4 this year with Haverdick anchoring the defensive line.

The 22-year-old Haverdick hopes to play in an all-star game during the Christmas holidays and then turn his attention to professional football. The pro scouts have been watching him closely for two years.

## Age-Old Topic Is Discussed At Meeting

Morehead University was host to a Conference on the Aging Monday.

Interested individuals from throughout the region were invited to the conference which got underway with a luncheon in the Adron Doran University Center at noon, followed by afternoon sessions which concluded at 4 p.m.

The afternoon session featured presentations by Harry Hitch, director of the Institute on the Aging at the University, and Dr. Morris Norfleet, vice president for research and development at Morehead.

Dr. Doran spoke at the luncheon. The afternoon session included a panel discussion, featuring James Garthe, asst. director, Gateway Area Development District, Catlettsburg; Calvin Schneider, director, Gateway Area Development District, Owingsville; and Gene Fox, director, Buffalo Trace Area Development District, Maysville.

The Institute for the Aging is operating under a \$26,126 budget funded by the Older Americans Act, Title III, awarded through the Kentucky Commission on the Aging. Hitch said the purpose of Monday's conference is "to report on and discuss fully what has been done and what can be done for the elderly in this region."

Participants in the conference included school superintendents, city and county officials, elderly citizens, hospital representatives, and rest home representatives.

## Multi-Media Make-Up In New 'Grass' Production

Cinemastage will be produced by the University theatre in January when the communication division presents its second production of the year — "Please Keep Off The Grass."

Cinemastage is a term describing a dramatic production merging live and film presentations. In addition to performances by actors, "Please Keep Off The Grass" will also use film clips, stock footage, and original film produced on campus.

The production is not actually a play but a collage of scenes from various sources. Three scenes come from "We the People" written in 1933 by Elmer Rice; another scene comes from an Art Buchwald column, and two scenes were written by MSU students. Senior Mike Chapman wrote "No One There," which he will also direct, and Paula Raines and Tom

Hauger, both sophomores, wrote a scene about a Hitler-type politician.

### Casting Completed

Casting was completed and rehearsals got underway last Tuesday. The cast includes Terri Bonar, Rick Cotner, Doug Mullins, Doug Whitson, Daniel Wilson, Vicki Rose, Dennis Meade, Connie Wells, Cynthia Cunningham, Madalyn Lamb, Vicki Kose, D. Thomas, Dennis Meade, Hugh Duncan and Janet Sames. A folk singer will be added later.

The production, which requires a large degree of coordination of all aspects of theatre is the first production directed by J. Larry Roof since coming to the University this fall. Performance dates for the unique production are Jan. 13, 15, 16, 17, 18, and 19. The 17th and 18th are matinee performances.

## Third Annual MSU Pageant Is Revised

The Third Annual Miss Morehead State University Pageant, under direction of Chuck Lee and Tom Dominique, will be held March 14.

To have a wider selection of girls for this year's pageant there will be a preliminary pageant Feb. 28. These girls will be selected by giving each women's and men's dorm and each sorority and fraternity a chance to nominate one girl to represent them. The preliminary pageant will be judged only on talent. The top 10 girls will advance to the finals on March 14.

Acting as faculty and administrative advisors for this year's pageant are: Dean Anna Mae Riggle, Panhellenic advisor, Dean Ronald Walke, Interfraternity advisor, and Larry Roof from the drama department who will act as production advisor.

## Original Works In Art Gallery To Be For Sale

Original art works of University students will be placed on sale from December 11 to December 14 in the Claypool-Young Art Gallery.

Selected drawings, watercolors, woodcuts, etchings, oil paintings, and ceramics will be offered for sale at prices ranging from \$1 to \$50.

Henry Glover, head of the art department, said the Christmas art sale is being held "to provide an opportunity for individuals in Morehead and the region to purchase original works of art by promising young artists."

The gallery will be open on Dec. 11 and 12 from 9 a.m. to 9 p.m. and on Dec. 13 and 14 from 10 a.m. to 6 p.m.

Glover pointed out that the sale will run for only four days.

## We Did It Again!

We've done it again! Our publication schedule has changed again. Starting with this issue The Trail Blazer will come out on Tuesdays each week rather than Wednesdays. The deadline for news and advertising will be Thursday at 4 p.m., the picture deadline will be Friday.

Hopefully this will be the schedule for the remainder of the year. Club news will appear again in the issue after next. This is in keeping with our policy of printing club news every other issue.

Short, maxi, and great are the lengths of coats for warmth this winter. All three styles are shown as coeds greet the first cold wave of winter.

Officers of Delta Tau Delta are, left to right, President Bob Williams, Vice President Russ Kline, Secretary Ron Freeman, and Treasurer John Taylor.

## Sigma Chi Alpha Becomes Colony Of Delta Tau Delta

Sunday, Nov. 9, Sigma Chi Alpha became a Crescent Colony of Delta Tau Delta.

Sigma Chi Alpha was formed in April of 1967 and was officially recognized by the Student Life Committee on January 18, 1968 with

42 charter members. During the brief history of Sigma Chi Alpha, they won the intramural trophy for total participation last year, won the Campus Club Bike Race, worked for the Rowan County Board of Mental Health at Pine Crest Children's Home. All members have a 2.5 overall academic standing.

Delta Tau Delta was founded in 1858 at Bethany College in what is now West Virginia. Deltas have the distinction of setting a precedence among fraternities by appointing the first field secretary in 1922. In 1938-39, they ranked first in scholarships for fraternities with 50 or more chapters according to the National Interfraternity Conference scholarship ratings. National headquarters are located in Indianapolis, Ind.

Other chapters in the state are Delta Epsilon at the University of Kentucky and Epsilon Xi at Western Kentucky University.

Active members of the Crescent Colony of Delta Tau Delta are: Joe Adams, Ron Arnett, Tom Atkinson, Ronnie Back, Bill Donofrio, Dennis Dorton, Deither Endicott, Ken Ferguson, Ron Freeman, Elzer Fuller, Creighton Greene, George Ingham, Paul Karkoska, Russ Kline, Mike Little, Terry Marshall, Dale McGarey, Frank Melvin, Jeff Molner, Bob Mowery, Curtis Nichols, Doug Ponder, Bill Riley, Rodney ShROUT, Larry Stevens, John Taylor, Carlos Terrill, Troy Tignor, and Bob Williams.

Delta Tau Delta's pledge class of 1969 consists of: Mike Barnett, Danny Barrett, Danny Bates, Mark Borders, Alan Cooley, Tracy Hall, Dwaine Hollingsworth, Gordon Millsbaugh, Richard Schneider, Tom Schweitzer, Bill Stanforth, Joe Stewart, and Tom Trivette.

The officers of Delta Tau Delta are: president, Bob Williams; vice-president, Russ Kline; secretary, Ron Freeman; treasurer, alumni secretary, Elzer Fuller; historian, Bill Donofrio; Chaplin, Doug Ponder; parliamentarian, Ron Arnett; sergeant-at-arms, and pledge master, Creighton Greene; and pledge chairman, Rodney ShROUT.

## A Funny Thing Happened At The Forum — Maybe

By Terri Bonar

November 18 was a welcome opportunity for the Morehead students to let down their hair and laugh a while. A funny thing must have happened on the way to the forum, because the audience really fell out of their seats laughing — at least most of them.

After a week of mid-terms, it was nice to have a little comic relief. Since the company in the opening number, "Tragedy Tomorrow," Comedy Tonight" told us that they would do anything for a laugh, we were properly warned.

Lycidus, the slave of Hero, was definitely the best of the cast as far as acting was concerned and he played with the audience well. The audience response gave each of the actors

incentive to play with their lines.

### Actors Broke Up

The enunciation of Lycidus was also a good example of this line playing, even to the point where they were so funny that they laughed at themselves. They laughed so hard it took a few moments for them to compose themselves so they could go on.

Of course, there was the eternal virgin Phillia. As the heroine, Phillia was a delightful melodramatic blonde whose innocence won the audience's heart (at least I think that was the organ). This character of purity and goodness (naturally dressed in flowing white chiffon) received the loudest applause (and cheers) with her meek entrance and bold "Take me" to her new love's father.

The dear captain was indeed a sight to behold. This virile lover, Don Juan type, if you will, was convincingly portrayed as an extremely effeminate soldier. For his body, he was offered a three dollar bill, from the audience. He said it was the best offer he'd had all night. I believe it.

### Choreography Vulgar

The courtisans had nice bodies, but they could have used a good choreographer. He could have choreographed the dances for the male portion of the audience with less vulgarity and good deal more sexiness.

The show was worth the \$1,000 the University paid for a night of comic relief for the students. We know that comedy and tragedy are two definite forms of theater. I hope we also know that this was not worthwhile theater. The cast did not have good material (i.e. a good script) with which to

work. If they were attempting good theater, I was not impressed, nor was I fooled. Equity actors (those belonging to the theater union) owe more to their art than the performance they almost attempted, but they do have an audience to satisfy and, for the most part, I think they did.

## Xmas Concerts Feature Choir And Singers

The University's Chamber Singers, Concert Choir and Orchestra join up forces for special Christmas performances at Lees Junior College, Maysville Community College, and Baird Recital Hall, Morehead.

James Ross Beane, director of the Chamber Singers and Concert Choir, and Douglas Engelhardt, director of the University Orchestra, took a program of Christmas music to the concert series at Lees on Thursday and Maysville yesterday.

Johann Sebastian Bach's "Magnificat" will be performed by the combine concert choir and orchestra.

The Chamber Singers sang Sweetinck's "Hodie Christus Natus Est" and five traditional carols. The University Orchestra played Frescobaldi's "Toccata" and L. Anderson's "A Christmas Festival."

ROTC RECEPTION . . . Dr. Adron Doran, president, and Lt. Col. Thomas A. Harris relax during the reception at Col. Harris' home in November for Advanced Course cadets. More than 80 cadets, with wives or dates, attended the annual affair, along with deans and other University officials.

# Outstanding Students Receive Special Privileges

In recent years the idea has been advanced throughout the country that a significant number of university students have the ability to accomplish more during their university years than is typically required of them. It is a waste of time and talent for such students to accomplish more than is accomplished by others who do not have the particular abilities to succeed along the line emphasized in the usual university program.

Morehead has an Honors Program designed to meet the needs of this particular group of students.

On the basis of the high school record, accomplishment on the freshman and sophomore tests, grades made in college, and the opinions of instructors, certain outstanding students are invited to participate in the program during the junior and senior years. Also, eligible students transferring to Morehead with advanced standing may be considered for the program after a year of residence.

The student enters the program. Each student is assigned an individual adviser from the department or division in which he is doing his major work.

voluntarily and may remain in the program so long as he participates to the satisfaction of the Honors Committee and earns at least "B" in all courses taken.

The Honors Student may enroll for any undergraduate course he desires, but he is expected to observe the numerical distribution of credits required for graduation and/or certification. He may also enroll for any amount of work he cares to schedule but he is held to the general regulations concerning the dropping of courses.

Academic departments can modify departmental content requirements for Honors Students, provided the minimum quantitative requirements for graduation and/or certification are observed. (This authorization means that the department may require different courses or may require a different type of experience for Honors Students.)

Honors Students enrolled in regular classes may attend classes as they choose but, in any event, they are expected to take all tests and examinations required of other students. If they choose to be irregular in class attendance, it is

understood that when attending, they are not to raise questions already given attention in the class. This provision does not apply to courses in which participation in class activity constitutes the essential value of the course.

Students in the Honors Program are expected, under the guidance of their adviser to carry on independent portions of their work on an individual basis. Thus they can explore their own interests more extensively than would be possible in the typical classroom situation.

Honors Students are also expected to participate in an Honors Seminar for two semesters in the junior and senior years or a minimum of three hours of independent study. This seminar carries one hour credit each semester and may be counted either as elective or required credit. This seminar deals with content of significance for any educated person regardless of that individual's special interests.

The following Students are

presently participating in the Honors Program at the University.

Bruce Allan Adams, Diana Joan Barber, Ronald K. Bennett, Donald C. Butler, Hildreth Chapman, Mary Elaine Cordray, Marian Henderson Culbertson, Robert Reed Damron.

Joyce Knarr Dittus, Judith Douglas, Pamela Earley, Joyce Roberts Elliott, Janice P. Fuhrer, John P. Gearhart, Janet Gordon, Joyce Nadine Griffith, Martha Leigh Hall, Versie Clinton Hamm, Lydia M. Hargett, Albert Franklin Harris.

Linda Pearce Harris, Danny Hatfield, Vanda Botts Hedges, Janie Hieronymus, Frances C. Howland, Patricia Hurand, Marsha Jenkins, Elizabeth Jones, Bettie L. Kennard, Margaret Renner, Anne M. Levi, Brenda McFall, Donn R. Maness.

Christine Noble, Ruth Patton, Pamela Phillips, Kathy Rasdale, Michael Reis, Brenda Jo Renick, Alice L. Reynolds, Bruce Douglas Rutherford, Bernice Saylor, Rita Ann Spears, Gail Turner, Lois Vogelopol, Carol S. Wallace, Roxeverne Wiggins.

The sounds of ERGOT, a hard-rock group, are performed by (left to right) Ralph Morman, Dave White, Bob Schieby, and Tome Bowne.

## Hard Rock 'Ergot' Tough New Sound

By Terri Bonar

There's a new band around. They have a very strange name and what seems to be a very good format. Their name is ERGOT, and they have the hard-rock sound of the Fugees.

Members of the band have all previously played with other known bands in the area. Bob Schieby, a 22 year old disc jockey for WMOR, is the bass guitar player, formerly with the ZUE.

Ralph Morman, a 20 year old University art major, will be lead singer. Ralph is from Ashland and formerly played with the OUTCASTS. The drummer is a previous member of the Lexington Symphony Orchestra. This 19 year old Danvillian is Dave White.

On the organ will be Tom Bowne. Tom was with the MAG 7 and lives

here in Morehead. He is a 20 year old radio major.

From a group in Charleston, W. Va., comes Tom Benson. He is the ERGOT's lead guitarist.

The group plays blues, jazz, classical, and hard rock types, with emphasis on the hard rock. Some of the music they do is from Moody Blues; Hendrix; Crosby, Still and Nash; Touch; Lemon Pipers, and Led Zeppelin.

In addition to the ERGOT's regular band equipment and what Schieby terms "an excellent amp system," the band uses a recorder, harmonica, and a theremin to give their band that extra touch of something special.

They have tentative plans to play on campus this year.

## LARRY'S CLOSET

By Larry Sewald

Furs have been the big splash in the men's fashion industry this Fall. Ranging from fun furs to expensive chinchillas, these coats are not only very warm but extremely stylish. When shopping for one of these hairy creatures you can expect to find prices ranging from \$50 to \$20,000. So if you want to join the crowd of Richard Burton, Joe Namath, Frank Sinatra, etc., plan to take a large check book with you.

A few weeks ago I mentioned that the real fancy peacock clothes for men were on the way out but... Some of the wildest things in years are turning up at the men's boutique shops around the country. These stores carry the designer lines of Cardin, Blass, Blacker, and Gucci to name just a few. From Paris comes the outfit which I think is tops for women but is being marketed for men... a stretch tight, jersey top, and a patent leather kilt! Of course we have to mention too accessories that go along with this atrocity... patent leather square-toe slip-ons, leather coat with a wide flare at the bottom, and a patent leather cap to match the shoes.

My sister would be more than happy to borrow this outfit from the guy walking down Fifth Avenue.

### Faculty Favors

The change is finally coming around to the point where we see some of our

distinguished faculty and staff members in flare bottom pants, brightly colored shirts, with wide matching ties. Either their wives are getting after them or they have awakened to the new scene around them which has really hit Morehead hard this fall. Walking down campus one can see the marked difference in styles worn by both faculty and students. A few years ago a guy with bell bottoms would have been the laughing stock of the campus... now he is the BMOC. Why? Some might ask this question. The reason is because the male is finally breaking out of a shell of subdued colors and into brighter ones. Furthermore, he realizes it isn't sissy to be wearing this apparel.

## ID Cards

Some students have not picked up their identification cards for the fall semester, although the cards are required to vote in campus elections and to attend various campus activities.

The cards are in the Instructional Media Office, Room 210, Education Building.

Married students may get identification cards for their spouses by applying at the cashier's window in the Administration Building.

## The Silent Speak

By John Cannon

There has been much talk lately about what President Nixon calls the "silent majority." According to Nixon the silent majority is the vast majority of the American people who he knows support him but who never say anything about the pressing issues of the day.

Even though this majority never says anything, Nixon knows exactly how they feel (possibly because he never says anything either).

Unlike Nixon, I do not know how the silent majority feels, so I took a poll of members of the silent majority (at least I think they were members of the silent majority). One can never tell because members of this select group do not carry membership cards or pay dues. I asked how they feel about the Vietnam War.

Of those asked 1 percent of them favored the war, 4 percent of them were against the war, 14 percent had no opinion on the war, 75.5 percent didn't know there was a war going on and 10 percent had to be classified miscellaneous.

### Also Miscellaneous

Under the miscellaneous heading were those who thought we should march on to Berlin killing every Gerry in sight, those who were confident Roosevelt would guide the country through the war, and things like that.

Since Nixon is only listening to 1 percent of those in favor of the war I decided to interview extensively a member of this faction. I only found two people in all those interviewed who held this position, and since Vice President Agnew, who has decided he has said enough for now, was one of them, that left me only James Napalm to interview.

"Mr. Napalm," I asked, "why are you in favor of the Vietnam War?"

"Well, I definitely think we should probably be in Vietnam. Without a doubt the South Vietnamese army could most likely not carry on the war without the U.S. Army. Of course, I am for peace but I'm what you would call a dovish hawk. Thus, I must answer your question yes."

"Do you think Communism is a real

threat to the free world?"

"If Not Today - Tomorrow" "I must answer that with an unqualified maybe. There is every indication that Communism is trying to take over the world, I think. All things considered, if we don't do it today, we will have to do it tomorrow!"

"Do what, Mr. Napalm?"

"Well, you know, do IT!"

"Oh, I see," I lied, "What do you think about Mr. Nixon?"

"Well, I don't see how we can have a true democracy where free thought can flourish, when so many people don't support the President!!! In the name of freedom, we must all back our President, we must support free speech and not speak out against the President! Young people today don't understand this principle. By speaking out they are supporting Communism! I think Nixon should suppress all who speak out against him. In the name of freedom!!!"

## Lottery: Step In Right Direction

The new lottery draft is a definite giant step forward in the long overdue draft reform in this country.

No longer will young men have to spend the years between age 19 and 26 wondering if they will or will not get drafted. Presently only about 33 percent of the young men eligible for the draft are ever called. Thus in the past even though the chances were good that a young man would never be drafted, he was limited in job opportunities because the employer never knew if that prospective employee would get drafted or not.

Under the new lottery system, young men will know what their chances are of getting drafted. The drawing last Monday evening was for all males between 19 and 26 still eligible for the draft. Men in this age bracket will keep the number drawn last Monday for the entire period in which they are eligible for the draft. For example, if a draft age male has a birthday on the 100th date drawn then his number is 100. He cannot be drafted until all males without deferments with number less than

100 are drafted. If he has a deferment and number 100 is passed then when his deferment is up he will be picked up before any later numbers are drafted. If his number has not been passed when his deferment runs out then his name will remain on the draftable list for one year. If he is not drafted in this year, then he is free from the draft.

The drawing last Monday directly affected the future of most men on this campus. Now these students know what their chances are of being drafted. If his number is less than 122 then the male will probably get drafted; if it is between 122 and 244 he probably won't; any person whose number is more than 244 will not get drafted unless there is a national emergency.

At the time the new system went into effect President Nixon said that he hoped the draft will be a thing of the past someday. So do we, and although we do not necessarily favor the draft, the lottery is one reform in this system which is a long overdue improvement.

## Right To Room Fines?

When a student checks into a dormitory, the University reserves certain rights in regards to roomcheck. These rights are generally those most landlords reserve for tenants, but a few practices that some dormitories follow seem to be against the rights of the student.

The University has a right to check any room to see if the occupant is damaging dormitory property, if the student is notified that his room will be checked at a certain time.

The University does not have the right to fine students for such harmless acts as not making his bed or having a disorderly desk. It seems that if a student desires to live in a fifthly, unkept room, he should be allowed to unless he is damaging dormitory property. Still some dormitories persist in fining students for unkept

rooms, which are too often judged to be unkept by dormitory monitors who may hold prejudices against certain residents.

No one should be allowed to enter a student's room without notifying the student before hand and should not be allowed to rummage through the closets and drawers of the student without a search warrant. Fortunately, such incidents do not occur too often on this campus.

The theory of roomcheck with regard to seeing that the room is clean comes from the "in loco parentis" concept. The University should try to eliminate this Mother image as much as possible.

Cleanliness may be next to godliness but certainly the University dormitories have no right to enforce this on its residents.

## THEY DON'T CALL HIM "TRICKY DICKY" FOR NOTHING!!

### THE TRAIL BLAZER

Official newspaper of Morehead State University under direction of The Division of Communications, conducted as a laboratory for journalism students, operated as a non-profit publication and entered as second-class mail at the Post Office in Morehead, Ky., under Act of Congress of March 3, 1879.

Published weekly throughout the school year except during vacations and examination periods, and twice each summer session. The Trail Blazer advertising is intended to help the reader to buy. # Reader's Views

## Vietnam Plea

To all the people at Morehead:  
I am a 1967 graduate of MSU. I am seeking your support and prayers.

At present I am eating my dinner (cold hash and rice paddy water.) I have just sent my platoon into an ambush site. My mission is simple: kill any human that walks through my small portion of this hell-like jungle.

As I look around I see American boys in misery. As their leader this hurts me. Their bodies are tired, full of cuts from vegetation, smelling from 18 days without a bath or clean clothes. Some suffer from jungle rot. Seven men are in the rear with malaria.

My platoon is in good shape compared to others.

What does tomorrow hold? We just hope tomorrow brings life . . .

Most of my men are high school graduates. Some are drop-outs. They do have much in common: hope.

As an officer I see to it my men have their needs taken care of. I try my best to make their tour a little easier. When contact is made I get them artillery, air ships, medical aid, and other battle needs. A lieutenant in the infantry sleeps, eats, fights, and cries, and laughs with his men.

These lines were not made for your sympathy, but to explain one small phase of my duties.

When I was in college the war was just something to talk about. Mostly I just condemned our government. However . . . I supported our troops. I realized that draft card burning, demonstrations, sit-ins and all the rest just made their job worse.

The enemy lives on our lack of unity back home. Their leaders promise we will soon leave and they show proof of our troubles at home. The enemy soldiers can do wonders with a few well stated words from their leaders. Every week-NVA fight me with bows and rocks, because they believe our people will soon stop supporting us . . .

To sum up: If you don't support the war—then support your American fighting men.

Don't make our job harder. We don't need your outlandish ideas.

What we need is your prayers.

Organize and start overbearing those that condemn our efforts.

Nationalism is so great. We have it here 100 percent.

The United States will remain the greatest nation in the world if it rules under God.

Please support us and get out and "do your thing."

Lt. Michael DeWan

## Supports Agnew

Dear Editor:

I congratulate the Vice President for bringing an issue of monumental importance into the national spotlight. In his recent speech in Des Moines to the Midwest Republican Committee, Mr. Agnew charged that control of television is concentrated "in the hands of a tiny and closed fraternity of men."

Even with my limited experience in broadcasting I find it obvious that this is not only true but was understated. An example of such control is demonstrated by the fact that the speech was not carried live by any of the three Lexington stations.

WLEX (Channel 18) ran instead a regularly scheduled program, "The Stoneman Family." Bob Jones of that station told me WLEX did not learn of the speech until 5 p.m., two hours before its delivery, that its national importance was not made clear, and that the station already was devoting considerable prime time to national events such as the Moratorium and the Apollo XI flight. So the station videotaped the speech from NBC and aired it at 11:30 p.m.

In this decision, censorship becomes evident. WLEX knew after taping the speech that it was of considerable national importance, that it was a clear cut attack on the television industry, that it was in short a blow aimed directly at them. Thus they chose to air it when few people would see it. Could WLEX not have aired the speech at a more appropriate time?

The answer is an unequivocal yes. They could have videotaped other programs and shown them later and inserted the Vice President's speech in an earlier time slot. They did delay the Johnny Carson show from 11:30 to midnight. Or WLEX could have aired the tape the next night at 7 p.m.

No matter how you look at it, WLEX must be judged guilty of managing the news. (WLWT, NBC affiliate in Cincinnati, pre-empted a rerun of the Dick Van Dyke Show to air the speech live.) The danger of WLEX's action should be crystal clear. If a TV station can censor a speech damaging to the broadcast industry by telecasting it in a late nighttime slot, it can do the same with speeches dealing with any controversial topic. A pro-Republican station could relegate speeches by Democratic leaders to mid-morning when the number of viewers is negligible.

The question raised by Mr. Agnew is of extreme importance. It is not a partisan issue. Censorship in any form is a threat to all political factions. Aldous Huxley, in "Brave New World Revisited," wrote, "The survival of democracy depends on the ability of large numbers of people to make realistic choices in the light of adequate information." Unless we follow Mr. Agnew's advice and insist on "adequate information" from television, our democracy may not survive.

## Catcalls

Dear Editor,

I have just returned from a very enjoyable concert with one exception. It was very disgusting for me to sit in the Fieldhouse and listen to uncalculated remarks and "catcalls" made by a few students. I feel that I have a right to enjoy these concerts without interference from others. I also feel that any artist should be allowed to perform without these interruptions. It was very noticeable that these interruptions did disturb Miss Warwick. I hope that in the future the entire student body will not be embarrassed by a few immature students.

Glen Coatsney

## Greek Councils Join To Show Children Movie

Sponsored by the Interfraternity Council and Panhellenic Council, campus greeks, are joining hands Saturday, Dec. 13, to present a movie at the University Cinema for children at Pinecrest Children's Home, and to visit with a visit by St. Nick.

The Interfraternity and Panhellenic Councils are jointly sponsoring an all-campus caroling Sunday, Dec. 14, as a part of "Greek Christmas Service Weekend." Girls planning to attend are asked to bring a candle. The carolers will assemble at Nunn Hall at 8 p.m. All interested in joining in the carolling are welcome to come.

Opinion

## I Love 191!!!

By Don Smith

The draft lottery had just ended. For two thirds of the young American males, the wondering and uncertainty had come to an end. They knew that they either could practice marching or be contented with Huntley-Brinkley telecasts.

My number was 191. I was in the third that smiled while my knees knocked.

I walked into the hall of my dorm floor. The unlucky third men were planning beer parties. Members of the fortunate third were so happy they didn't need any booze. I went down to the lobby and bought a Coke.

"There must be something in this for me," I muttered to myself, as I got ready for bed. I read a letter from my girl friend: "I can't wait until the lottery is over so everything will be settled and I will be Mrs. Don Smith." We had been going steadily with each other for about eight months, and she was sort of leaning toward marriage, although I was indefinite toward the whole idea.

I started thinking of her parents. The last few times I had visited them, they would subtly bring up the grand topic of marriage, and I was beginning to feel the pressure.

Roy Orbison, singing star, will appear on campus next Tuesday in a concert of the Entertainment Series. Any student having an ID card marked "SC Special" will be admitted free.

## Raconteur

Editor:

Since the first semester of the school year is now more than half over I am wondering about one of our school's publications. This publication is the RAconteUR, our school yearbook. My question is, therefore, when will we be able to obtain this year's publication, and why is it taking so long to receive them? After all this book is wanted by all the students and last year it was distributed during the third week of school, not after Thanksgiving.

Respectfully,  
Marshall S. Mason

(Editor's Note: The Raconteur is late because the staff did not finish the publication on time, it was sent to the publisher late, and will be back correspondingly late. The exact time it is expected back is unknown at this time, but it is hoped the Raconteur will be in, in about three weeks.)

signs began to appear. The last time I had seen her folks I opened my dinner napkin to find "WHEN?" written on the inside.

After dinner, her father offered me highballs while asking me how I felt about his daughter. I ignored the question, so far as I can recall.

Remembering, I sat up in bed. I had the answer.

The Lottery was my escape route. If I was in the "untouchable" draftee section, my future fiancé would have seen a clear path to the altar.

I figured if I was in the 1-120 group, my girlfriend would have wanted to tie the knot as soon as I was out of bootcamp, thereby extending my "bootcamp" indefinitely.

Here was my out. Since I was still in the "maybe" category, my marital indecisiveness was justified. I walked back into the hall and started planning my own booze party, shouting, "Number 191, I love you."

Members of the 1969-1970 Morehead basketball team are, left to right, Eddie Conley, Don Byars, Ron Gathright, John Sewell, Jerry Umberger, Jim Day, Lavon Mann, Alan Harney, Jerry Hueseman, Mike

Guiler, Bobby Hiles, Jerry King, and Terry Sandfoss. Kneeling are assistant coach Jack Black, first year Head Coach Bill Harrell and assistant coach Jim Voight.

## Eagles Pounce On Southern Miss

Don Byars is finally in the starting line-up.

For the past two seasons, whenever a Morehead fan wanted to get a look at Byars in action, he had to come in time for the pre-game warm-up. Playing behind OVC stars Lamar Green and Hobo Jackson, the Millersburg product had no choice to keep the bench occupied. "It was an honor to play behind Lamar and Hobo, but it feels great to start," the smiling forward said after his 25 points and sparkling defensive play led the Eagles to a 84-55 romp over visiting Southern Mississippi Saturday night.

The Eagles and Southerners both were guilty of mistake-hidden play in the first half. The Eagles led from the opening minutes of the game, commanding as much as a 10 point lead with 5:28 to play, but saw it lead cut to 29-26 on a John Byrne tip-in with two and one-half minutes

left in the half. Guard Richard Corsetto's 11 points managed to keep the Southerners close until Byars and Day threw in six straight points to give the Eagles a 35-26 bulge at halftime.

Byars personally salted away the game in the opening minutes of the second half, pouring in eight of Morehead's 11 straight points, burying Southern Mississippi under a 48-26 lead.

The Southerners were cold from the field, hitting only 26 percent from the field while the Eagles fared at 38 percent.

Again Byars took the spotlight, holding 6-5 scoring ace Wendell Lader to two baskets in 14 attempts. The senior forward averaged over 20 points in each of his last two seasons and went into the game with a 17 point average.

Morehead showed a balanced scoring attack. Added to Byars' 25

were Day's 16 while both playmaker Bobby Hiles and center Lavon Mann chipped in 10 apiece.

Day and Mann led the Eagles to a 75-56 rebounding edge with 14 retrieves each. Mann re-injured the little finger on his shooting hand, but should be ready for Campbellsville Thursday night.

Guard Jerry King, still hampered by a knee injury suffered in the Sunshine Classic, came off the bench to score six points and combine with Byars on several fast breaks.

The win upheld Morehead's season mark to 2-1, while Southern Mississippi's record dropped to 2-2.

In the preceding freshman game, the Baby Eagles defeated Prestonsburg Community College 113-65 as Gary Mize tossed in 30 points, Ike Unsel (the smallest Unsel they make at 6-3 and 200 lbs.) tallied 20, and Alonzo Cole contributed 18 points.

## Eastern Looks Tough In First Conference Tilt

The basketball team faces its first conference opponent, Eastern, here Monday night, and it figures to be a real test for the Eagles.

Coach Guy Strong's squad will be led by tri-captains Toke Coleman, center Boyd Lynch, and high-jumping Willie Woods.

The 6-9 Lynch has been the big gun for the Colonels in their first two season games. Although he broke a bone in his shooting hand in early season practice, he tossed in 32 points in Eastern's season opening 89-85 loss to Michigan State and poured in 18 more against Western Carolina Saturday night.

Coleman, who can match moves with any guard in the OVC, has totaled 36 points in Eastern's two encounters, while 6-2 jumping Jack Woods has produced scores of 15 and 14 tallies, respectively, for the two games. Woods averaged 16.6 points last season and Coleman 13.9.

Also counted on to add scoring punch will be sophomore guard Bill Burton and Carl Greenfield, who owns a 13.5 scoring average.

The Colonels are seen by many to have the potential to give conference favorites, Western and Murray a fight for the championship. Last season the team finished 7-7 in the OVC and 13-9 overall.

Eastern preps for its conference opener against the Eagles by going against LaSalle in Philadelphia tomorrow night and Dayton Saturday.

## Eagles Swamp Gators In Classic; Bow To Dolphins

Sunshine Classic  
By Roger Morton

East Tennessee 68-49.

Florida Upeat

Jacksonville University won the second annual Civitan Sunshine Classic Tuesday night and proved to everyone watching they are one of the top teams in the nation. The Dolphins handed Morehead the worst defeat in the school's history by beating them 117 to 63. Earlier in the evening University of Florida secured third place in the tournament by beating

It was a warm beautiful day Monday in Jacksonville, and the Eagles kept the sun shining well into the night for Morehead fans as they upset the tough Florida Gators in the opening round of the Sunshine Classic.

Some doubt had been cast as to the quality of this year's team after the loss of Willie Jackson, Lamar Green

and Larry Conley from last season's OVC co-champion team, but the Eagles proved the spots have adequately been filled by Jim Day, Lavon Mann, and Jerry King. Jim Day, the 6'8" Junior from Ashland was undoubtedly the star of the game for the Eagles as he compiled 39 points and picked off 11 rebounds.

The Gator's top scorer was Andy Owens with 23 points. He led Florida in the absence of Gary Waddell who was sidelined by a ruptured disc.

Florida scored first in the game but the Eagles took the lead after less than two minutes and never relinquished their margin. The Gator defense was unable to stop Morehead underneath the board and Day, Don Byars, and Mann combined for 59 points. The Eagles shot 60 percent from the field as compared to 39 percent for the Gators.

The Eagles pulled away early in the first half, and with 9:24 in the half they led by eleven points. With 2:48 in the half the Gators made their only serious threat of the game as they set the score at 35-34. Coach Bill Harrell's team quickly pulled away again,

however and they led by six points at half-time.

Bobby Hiles, who had 10 assists combined with Jerry King to effectively feed the big men the ball in the second half, and the cold Gators were unable to keep up with the Morehead scorers, and the final score was Morehead 82 - Florida 73.

Coach Harrell commented that the Eagles did a good job against Florida, but that they still need work to achieve top efficiency.

In the second game Monday night the East Tennessee Buccaneers were beaten 92-74 by the Jacksonville Dolphins.

Gilmore Leads Dolphins

Jacksonville University, billed as the "tallest team in the nation" showed prospects of being one of the top teams in the nation as they crushed Morehead 117-63 in the championship game of the Sunshine Classic Tuesday night at the Jacksonville Coliseum.

The Dolphins, led by 7'2" Artis Gilmore, seven foot Pembroke Burrowe, and 6'9" Rod McIntyre, shot 63 percent from the field.

# Hallum Describes Season's End As Perfect

"That's the perfect way to close a football season."

An exuberant Jake Hallum, head football coach was discussing his team's 23-11 pasting of traditional rival Eastern Kentucky University last Saturday.

The surprising Eagles ended the season with a 6-4 mark, the first winning record since the Ohio Valley Conference championship team of 1966 finished at 7-2. Last year's record was 3-6-1 in Hallum's first season.

His young squad of 1969 finished with two straight wins after losing three straight in the middle of the season. The Eagles' 3-4 mark was good for fourth place.

## Seniors Tops

All three MSU seniors turned in outstanding performances in their last efforts for Morehead State against Eastern's Colonels.

Quarterback Bill Marston had a record-breaking afternoon with 10 completed passes in 16 attempts for 196 yards and two touchdowns. The 5-9 scrambler from Lake Wales, Fla. set new MSU records in passing yardage and total offense, both held previously by Mike Gottfried from the 1965 season.

Tackle Dave Haverdick and linebacker Bill Wamsley, the only other players scheduled to graduate

this year, also were superlative. Haverdick, a bone crushing defensive ace from Canton, Ohio, had 14 individual tackles and six assists. Wamsley, the team's defensive captain, added eight tackles and three assists.

"Out seniors gave us the best game of their respective careers," Hallum said. "Big Dave Haverdick was a demon out there in spite of his bad knee." Bill Marston again proved that desire can win football games and turn average players into great ones. Bill Wamsley, as usual, was as steady as the Rock of Gibraltar."

The Eagles jumped to a 7-0 halftime lead when Marston found wingback Dennis Crowley in the end zone on a 24-yard touchdown pass late in the second period. Earlier, the MSU defense had held three times deep in its own territory.

Freshman kicker Kirk Andrews boosted the lead to 10-0 in the third period with a 35-yard field goal, the only Eagle three-pointer of the year. Eastern added a field goal soon afterward and the quarter ended 10-3.

In the last period, tailback Louis Rogan powered across the goal line from the five yard stripe and Andrews added his second conversion of the day to send the Eagles off to a 17-3 advantage. Rogan's scoring jaunt came two plays after defensive halfback Ron Gathright made his sixth pass

interception of the year and returned the ball to Eastern's 10-yard line.

## Out Of Reach

The inspired Eagles put the game out of reach two minutes after when Marston hit wingback John Coning with a 33-yard touchdown pass. Eastern scored with less than three minutes to play but it was too little and too late.

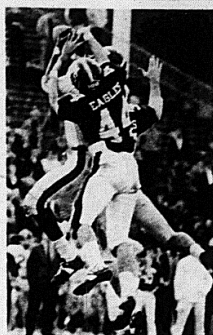

"Our defense knocked them silly and our offense really moved the ball," Hallum added. "We had bitter memories from last year's loss and Eastern paid the price."

The Eagle offense had 196 yards passing with Crowley catching five for 68 yards and the ground attack produced 146 yards with tailback Bill Cason grinding out 64 yards in 24 carries.

Hallum added insult to Eastern's injury in the fourth period when he installed Haverdick at quarterback, Marston at guard and Wamsley at tailback. In the 35-7 loss at Richmond last season, the Colonels used a lineman at quarterback after the outcome had been decided.

"We waited a long year to give them a taste of their own medicine," Hallum said with a wide grin.

"That's the perfect way to close a football season."

Defensive halfback Larry Baldrige (44) of Morehead State University leaps to deflect an enemy pass in the Eagles' 23-11 victory over Eastern Kentucky University.

STRANGE CASUALTY . . . An injury temporarily interrupted the football game at Breathitt Sports Center but the victim was not a player. One of the officials had the wind knocked out of him by accident. Morehead Trainer Roger Hayes (kneeling) revived him and the game continued. The Eagles stopped Eastern, 23-11.

## 22 School Records Set As Gridironers Finish 6-4

Morehead's football team broke 22 school records while compiling a 6-4 record this season.

The new marks came in 17 individual categories and five team statistical departments.

Senior quarterback Bill Marston, the team's top passer and punter, personally accounted for 11 new standards.

The 5-9 scrambler from Lake Wales, Fla., blossomed in his final campaign and twice was named "Offensive player of the week" in the Ohio Valley Conference. His records include:

Most passes attempted (season) — 278; Most passes attempted (game) — 42; Most passes completed (season) — 135; Most passes completed (game) — 19; Most passing yardage (season) — 1,754; Most passing yardage (game) — 274; Most yards total offense (season) — 1,904; Most touchdown passes (game) — 4; Most times punted (game) — 10; Most yards punting (game) — 375; and Longest punt — 68 yards.

Marston directed the Eagles to single game records for most passing yardage, 274, and most total offense, 463. Other team marks set for single games were most yards penalized, 191, most fumbles recovered, 3, and most passes intercepted, 4.

Split end John High, Cincinnati

sophomore, put his name in the MSU record book three times on season pass receptions, 54; season pass receiving yardage, 857; and single game pass receptions, 9.

Wingback Jeff Perkins, Somerset freshman, added Morehead State's longest punt return, 69 yards, and best punt return average, 16.3 yards.

Ron Gathright, Louisville junior, picked off six enemy passes for a new school mark on season interceptions.

The Eagles of Coach Jake Hallum also finished high in several OVC categories.

Marston's punting average and Perkins' punt return figures were the best in the league. High's 84 catches took second place in pass receiving. Tight end Dennis Crowley, Cincinnati freshman, was ninth with 31 receptions.

Marston was third in passing and total offense. Tailback Louis Rogan, Cable, Ohio, junior, finished sixth in season rushing with 695 yards in 185 carries. His backup man, Bill Cason, Paris freshman, took seventh spot with 467 yards in 104 attempts.

In team statistics, the Eagles were third in both offense and defense which bettered their 1968 finishes. The pass defense improved from eighth to third.

## Football Banquet To Be Tonight; Struck To Speak

The Morehead State University football banquet will take place tonight at 6:30 in the Adron Doran University Center.

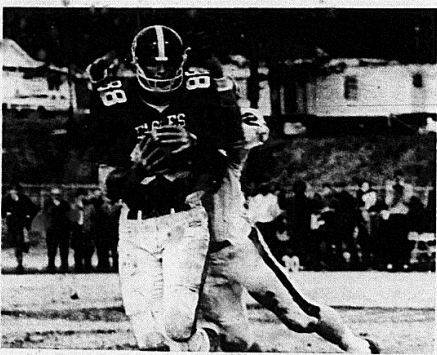

Awards will be presented and an address will be given by Dr. Dutch Struck, former athletic director at Hanover College and now a member of the faculty of Pikeville College.

Toastmaster will be Buford Crager, dean of students and a former Morehead football star.

A crowd of 250 is expected to honor the Eagle footballers who finished with a 6-4 record and a 23-11 win over Eastern Kentucky in the season finale.

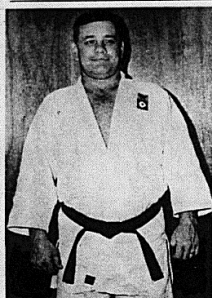

Second year head coach Jake Hallum will make several presentations, including awards to the Eagles' all-conference performers.

Other awards to the made include the senior awards and awards to the best blocker, best defensive player, the hustler award; and the most improved award.

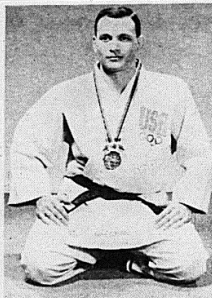

A CATCH BY CROWLEY . . . Wingback Dennis Crowley hauls in a pass from quarterback Bill Marston in the 23-11 win over Eastern Kentucky University. A Marine veteran of Vietnam and a freshman in eligibility, Crowley caught five passes for 68 yards and his third touchdown of the season. The EKV defender moves in too late to stop the pass.

Rick Mertens

Jim Bregman

## Regional Developmental Judo Clinic Will Feature National Instructors

Rick Mertens, Executive Secretary of the United States Judo Association, will be one of the featured instructors at the regional developmental Judo clinic hosted by the University Judo Club on Dec. 13-14.

Mertens, a fourth degree black belt, is the founder of the tournament elimination system and a member of the United States Judo Association's National Coaching Staff.

Mertens and Jim Bregman, the only

American to win a medal in the 1964 Olympics in Judo, will be honored at a banquet the first night of the clinic.

Bregman, also a fourth degree black belt, will narrate a film reviewing the highlights of the 1964 Olympic Judo competition in which he won a bronze medal.

Participants are expected from Ohio, Indiana, West Virginia, Tennessee, and Kentucky.

## Sports Calendar

Judo Clinic Laughlin Field House.

Dec. 14 Judo Clinic Laughlin Field House.

Dec. 15 Basketball — Eastern Kentucky U. at Morehead 7:30 p.m.

## Wrestling Squad Meets Eastern In 1st Match

The University wrestling team opens an 11-match schedule tomorrow against Eastern Kentucky University at Richmond.

The Morehead grapplers will also face the University of Cincinnati, Dayton, Centre, Ohio Northern, Marshall and Case Institute of Technology.

"We only have four boys back who lettered last year," said Coach Dan Walker. "But we have six freshmen coming in who finished in the top four in state high school championships last year."

Leading the returnees is Dave Bostleman, a six foot, 190-pound gridiron star. Also back are Tom Beschler in the 158 pound class, Jim Hillerick in the 142 pound class, and Jerry Gorelick in the 118 pound class.

One of the prime factors in the Eagles' 1-9 record last year was the lack of depth in several weight classes. However, Walker recruited extensively to bolster the deficient classes and has hopes of a winning season if the freshmen progress rapidly.

One of the top freshmen is Rod Smith, who will wrestle in the 177

pound class. Smith finished first in his class in the Pennsylvania High School Wrestling Championships last year.

Another freshman Walker will count on is John Donnelly who captured first in his class in Tennessee. Although Donnelly gained enough weight over the summer to move up to the 142 pound class, Walker plans on using him in the 134 pound class if he can make the weight limit.

Other freshmen the second year coach will depend on are: Bob Warren (167 pound class) who finished second in Ohio last year. Noble Beck (150 pound class), an Oklahoma boy who finished fourth in his weight bracket in high school, and Greg Bulone (126 pound class) a second place finisher in the Ohio High School Wrestling Championships his senior year.

Walker, who guided North Hardin High School to the state championship in 1968 and was named "Coach of the Year," is offensive backfield coach at Morehead. He was unable to start extensive drills with the wrestlers until Thanksgiving, but

Continued On Page 9

## Eagles Meet 'Tallest Team'

Continued From Page 6

compared to 30 percent for the Eagles. The Dolphins also had six other men over six feet five.

The Eagles were cold throughout the game, and were unable to score from the outside. Dolphin giant Gilmore kept the Morehead tall men from scoring under the boards, and the Eagles grabbed only 36 rebounds compared to 56 for JU.

Jacksonville pulled away throughout the game and the Eagles were down 57-27 at half time. Morehead held its own the first few minutes of the

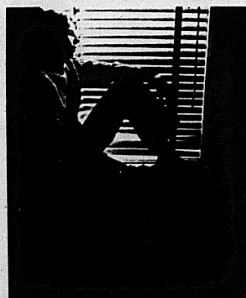

second half, but the superior Dolphin offense soon broke loose again and continued to build up their lead.

With 5:44 left in the game JU broke into triple figures, while Morehead had only 50 points. In the final minutes of the game Jacksonville continued to outclass the Eagles and the final score was Jacksonville University 117-63.

Morehead's only bright spot of the game was the 14 point contribution by Jerry Huesman and the 83 percent they were able to shoot from the free throw line.

**"The happy I am when I'm straight is more beautiful than the happy I seemed to be when I was stoned."**

The girl in the picture is named Chris. For over a year, she was on amphetamines, powerful drugs known as "speed." This is how she describes it:

"I think 'speed' is a lot worse than heroin. Kids have got to know about it, because they can fall so easily into taking it through the diet pill hassle, or needing something to help them study. You know, that's crazy. Because the combination of amphetamines and no sleep just blows your memory completely. There are whole sections of my life which I just can't remember. It got to be just 'do a little more, do a little more,' until that was all there was. And the 'crashing' . . . sometimes the 'crashing' is just really awful!

"For me to stop taking it, I had to feel that people were caring. And they were. I was really lucky. I was very close to two people that were really into amphetamines very deeply, and I loved them a lot. But as far as they were concerned, the only thing that they had was the 'meth,' and that was their life. And they're both dead now."

"Dexies," "bennies," "meth" are all called "speed" these days. And people who know "speed" know "speed" kills!

For more facts about drugs, write for free booklets to:

National Institute of Mental Health, Box 1080, Washington, D.C. 20013

## Soccer Team Finishes Season With Four Wins

Although Coach Mohammed Sabie's soccer team recently finished the season with the worst won-loss record in its four year history, Sabie isn't as downhearted as most fans would think.

The team won only one match of its first five, then swept its last four matches to finish the season with a 5-3-1 record.

Sabie's teams are a strange conglomeration of athletes. Most have been drawn from the coach's soccer classes, and had never kicked a soccer ball before coming to Morehead.

Others, such as Sabie's brother Ahmed, have grown up with the game. Sabie sees improvement in 1970 through seniors Tom Creasman, Mike Egan, Keith Hardin and Doug Copenhoven to be gone next year.

The coach says, "We'll do better" next year.

Sabie's phenomenal success at Morehead (37 wins, eight losses, three ties) has come, at least in part, from his experience as a great soccer player and his confidence in the young men he works with. "I believe the American boy has a great desire to play any sport," Sabie cites as examples both Hardin and Creasman. "They never played before (coming to Morehead) and now they are top stars."

## Four Eagles Rate All-OVC

Nine Morehead State University football players were named in balloting for the annual all-conference teams of the Ohio Valley Conference.

Four Eagles were named to the first team, three to the second squad and two received honorable mention.

All-American defensive tackle Dave Haverdick, was placed on the first team for the third straight season. Senior quarterback Bill Marston, the OVC's leading punter, also was named to the defensive squad as a kicking specialist.

Sophomore split end John High and junior tackle Darrel Sadowski each were named to the first team on offense.

Junior tailback Louis Rogan was MSU's representative on the offense's

### MOREHEAD TV CABLE

#### Penalty For Illegal Cable Tapping

The Morehead TV Cable, has had a considerable amount of illegal cable tapping. We would like to advise the persons involved in this illegal procedure to consider the penalty for this violation.

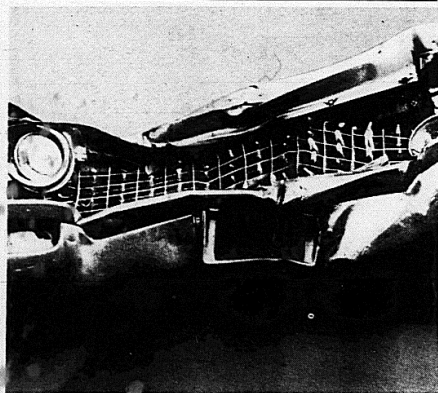

Illegal cable tapping means running a wire or any type of conductors from one dwelling, trailer, business, to another unit without the authorized permission of the company; or reconnecting a line to the main cable that has been disconnected by the company.

The penalty for the above

mentioned consists of a minimum fine of \$50.00 and not more than one year in prison, or a maximum fine of \$500.00 and not more than one year in prison.

So I ask you, as manager of Morehead TV Cable, please do not participate in this unauthorized action. All violators will be prosecuted.

Lonnice G. Gregory  
MOREHEAD TV CABLE  
Division of Commco, Inc.

**"I know the way home  
with my eyes closed."**

Then you know the way too well.  
Because driving an old familiar route can make you drowsy, even if you've had plenty of sleep.

If that happens on your way home for Christmas, pull over, take a break and take two NoDoz®. It'll help you drive home with your eyes open.

NoDoz. No car should be without it.

# Roundup Of Club Activities

## Zeta Tau Alpha

On Tuesday, Nov. 11, Lambda Chi Alpha fraternity presented sisters of Zeta Tau Alpha fraternity with two silver cups in recognition of the job they did in ransoming their president, Marlene Patton, who had been "kidnapped" on Nov. 7. The Zetas collected more than two hundred pounds of canned food over their limit.

The sisters of Zeta Rho colony had breakfast with the brothers of Delta Tau Delta fraternity, Nov. 21.

On Saturday, Dec. 6, the Zetas co-sponsored a dance with the Judo Club, immediately following the basketball game.

## Delta Omega Xi

Brenda Ross, vice president of Delta Omega Xi and president of Nunn Hall Dorm Council, was given the honor of Kentucky Colonel, by Gov. Louis Nunn, following the dedication of the Beula Nunn Hall.

Beata Hatfield has been appointed to the Undergraduate Curriculum

Committee by the Student Council. Brenda Ross and Helen Walker have been named to the National Student Register.

The newest Omega pledge is Jackie Pinkston from Dayton, Ohio.

Brenda Powell and Dan Kuck have announced June 20 as their wedding date.

As a Thanksgiving service project, the pledge class composed a prayer for the prayer cards which were placed on the tables in each of the cafeterias. The pledges also collected food to fill baskets, which the Child Welfare Department distributed to needy families in the area.

During the week of Nov. 1 through Nov. 8, Delta Omega Xi won the Carl I. Newman "Groovy Listener of the Week" award. This award is presented for service to the Morehead and University community.

## Delta Zeta

When Delta Zeta pledges recently won first place in the Lambda Chi Decadron, they became the first sorority to win this event twice.

Formal pledging ended Nov. 14 with a lumber party in honor of the pledges.

Charlotte Case was chosen as a Golden Heart of Sigma Phi Epsilon.

The annual Delta Zeta Christmas

party will be held Dec. 13 at the Campbell House in Lexington.

## Younger Woman's Club

The University Younger Woman's Club will present a plaque to the campus organization which contributes the most toward improvement of the campus community. Mrs. Ronnie Carter, Haggan Hall No. 9 is in charge. (Mrs. Carter can be located at the Admissions office during the day.)

On Dec. 2, 500 pine seedlings were delivered on campus to be planted in strategic locations around the campus.

## Chi Omega

Epsilon Theta pledges and actives participated in a round of activities with campus frats as the men ended their pledging. Dinners were held with the Aquilas and Campus Club; breakfast was shared with Sigma Phi Epsilon, and a mixer was held with Lambda Chi Alpha. Attending church and dinner afterwards was held with Delta Tau Delta.

The sisters prepared 80 "Christmas Cheer" packages for Vietnam servicemen and as another service project are helping with the recreation program each afternoon at the Daniel Boone Convalescent Home.

Chi Omega chapter visitor, Nelle Casburne, spent several days with Epsilon Theta before the Thanksgiving holidays. A candlelight was held November 17 for Pat Rauch who is engaged to Neil Ferguson.

On Nov. 15 pledges surprised actives with a rollout and breakfast. Skits were presented by the pledges. A Christmas party will be held Dec. 13 at Owingsville.

## Lambda Chi Alpha

Jack Sims has been elected president and Bill Cornet, vice-president.

Pledge class officers are: president, Jim Mallot; vice-president, Jim Buzzard; secretary, Dale Adkins; treasurer, Dave Dinsmore; and grand high goat keeper, Jim Baker.

In November pledges "kidnaped" sorority presidents and held them for a ransom of a pound of food for each active and pledge. A total of 834 lbs.

## WANTED

Would like to do ironing and babysitting. D.D. Hardin in White Street. Call 784-7248.

of food was collected. A prize went to the Zeta Tau Alpha pledges for collecting 49 pounds over their limit. The food was given to the Morehead Lions Club to be distributed to needy families in the area.

Mr. and Mrs. Glenn Harber are the new parents of a son, David Glenn.

## G.V.C.

On Dec. 6, Community and Student Volunteers went to Dora Lee's Orphanage to give the children a birthday party and to celebrate Christmas.

On Dec. 7 C.S.V. visited the Daniel Boone's Convalescent Home to sing Christmas carols for the patients.

Then on Dec. 13, the C.S.V. plan to work with Mrs. Larry Netherton's Sunday School class from the Christian Church on a Christmas project involving Morehead children. Ten underprivileged children will be selected. Members of both project groups will accompany the children and use project money to select Christmas presents for the other members of the child's family.

A Christmas party planned by the Sunday School class will be held at the Christian Church.

## Le Cercle Francais

Dr. Wilhelm Exelbert, professor in the Department of History and Political Science, will be the featured speaker at this month's meeting of the French Club. The meeting will be held Thurs., Dec. 11 at 7 in 102 Combs. Refreshments will be served. All interested students may attend.

## Prae-Medicorum Club

On Dec. 1, the club held a special called meeting to hear guest speakers from the University of Kentucky Medical School. They were: Dr. Jarecky, Director of Admissions; Dr. Diedrich, Professor of Pharmacology, and a second year medical student, alumnus of Morehead, Ron Richardson.

The dance sponsored by Prae-Medicorum is scheduled for Friday night, Dec. 12.

## Student Directories

Phi Beta Lambda Student Directories may be purchased, or picked up if not already received, on the first floor of Combs, Thursday and Friday, December 11 and 12 between 10 a.m. and 3 p.m. The directories are \$1.

## PEP RALLY FRIDAY

A "Meet the Team and Coach" pep rally will be held Friday night at 8 in the Fieldhouse, head cheerleader Karen Cox, announced.

When you know  
it's for keeps

All your sharing, all your special memories have grown into a precious and enduring love. Happily, these cherished moments will be forever symbolized by your diamond engagement ring. If the name, Keepsake is in the ring and on the tag, you are assured of fine quality and lasting satisfaction. The engagement diamond is flawless, of superb color, and precise modern cut. Your Keepsake Jeweler has a choice selection of many lovely styles. He's listed in the yellow pages under "Jewelers."

Shown are three of the hostesses at the Christmas Spanish Dinner in their authentic Spanish costumes.

## Spanish Food And Atmosphere Featured At Local Club Dinner

By Brenda McFall  
Managing Editor

Have you ever dreamed of going to Spain? Well, last Thursday night about 150 people were treated to a genuine Spanish dinner right here at Morehead. The dinner was the annual Christmas dinner sponsored by the Spanish Club.

Spanish food in a Spanish atmosphere was the word at this dinner. Coeds served in authentic Spanish costumes. And the food... well, the menu read Picadillo (which contains hamburger meat, olives, raisins, almonds, and other ingredients), black beans, white rice, orange rind, and natilla (Spanish custard) for desert.

The food was cooked by Dr. Olga Mourino, Spanish professor and sponsor of the club. Each year she starts very early to prepare the food

for the dinner because everything needed can't be found in Morehead and she must send away for it. Also most of the food takes a little longer to prepare than the average American dish.

Money made from the dinner is used each year to finance a student in Spain for the summer. Someone is chosen to study Spanish in Madrid for several weeks with finances paid by the funds raised by the Spanish Club.

So, if you missed the dinner this year, you missed a chance to share a part of another country's culture and chances like this are rare.

## All-Conference

Continued From Page 9  
second team defense.

Senior linebacker Bill Wamsley and sophomore linebacker Harry (Sugar Bear) Lyles were given honorable mention by the league's coaches.

Morehead State's four first team selections trail only champ East Tennessee State.

Haverdick, was among four unanimous selections for the honor squad. He was the biggest player named.

Marston, who broke 11 school records while leading the Eagles to a 6-4 mark this season, is from Lake Wales, Fla. High and Listerman are Cincinnatians and Rogan is from Cable, Ohio.

Wamsley is a resident of Gallipolis, Ohio. Gathright is from Louisville, Lyles from Charlestown, W. Va. and Sadowski from Shamokin, Pa.

Last Monday WMKY began a travel service to aid students in finding rides home over the Christmas holidays. The travel service is located in front of Room 213 in the Combs Classroom Building and will be open from 1-3

## Two From Here Heard On WHAS

Dr. Mary Northcutt, Professor of Education, and Sharon Maggard, a junior music and elementary education major, participated in the WHAS "Campus Viewpoint" program in Louisville last Friday.

Dr. Northcutt appeared as a panel member on one show entitled "I Herby Resolve and Intend to Concentrate" which was a discussion of concentration and study habits. The 30-minute show will be aired over the Louisville station on January 1 at 7:35 p.m.

Sharon appeared as a panel member on another taping of the show entitled "Feminism... How Much Equality Do Women Want?" which will be heard over WHAS on Jan. 8 at 7:35 p.m.

Representatives from the University have been participating in the program for over six years. Students and faculty members from Kentucky and southern Indiana colleges and universities appear on the weekly show discussing diverse topics of interest to the youth of the region.

WHAS is at 840 on the radio dial.

daily through Friday. We cannot promise a ride but we will do everything possible to find one for you.

The Texaco-Metropolitan Opera Network is once again on the air this season with many fine operas for your listening pleasure. Due to labor problems at the Met the network is sending excellent recordings on the network. The operas will be presented each Saturday afternoon at 2 p.m.

This week's performance will be Mozart's comic opera "Così Fan Tutte." Singing leading roles are sopranos Eleanor Steber and Roberta Peters; mezzo-soprano Blanche Thebom; tenor Richard Tucker; baritone Frank Guarrera; and bass Lorenzo Alvary. Fritz Stiedry is the conductor. The opera is sung in an English translation.

The opera is a comedy of love and infidelity and contains some of Mozart's most delightful music.

As one writer has said, "This opera is much more than a succession of wonderful arias and ensemble numbers; it is operatic comedy at its best, with music and libretto equal collaborators in a gay adventure." The title, translated, means "so do they all."

"Opera News on the Air" during the intermission will highlight a singers' roundtable discussion with soprano Regine Crespin, mezzo-soprano Regina Resnik, tenor John Alexander, and baritone William Walker expected to participate. Edward Downes will be emcee.

## Geneva Meade Back At Fields After Illness

Mrs. Geneva Meade is back on the job as Fields Hall house director, following her return to the dormitory on Nov. 30.

Mrs. Meade had undergone surgery at the University of Kentucky Medical Center in Lexington earlier in the month and spent two weeks convalescing at the home of her son, Coach John Allen.

Serving as temporary director of Fields during Mrs. Meade's illness, was Mrs. Nell Harding, who returned to her home in Winchester at Thanksgiving.

UNIVERSITY GRAD AT 18... Kerry Martin will be graduating in June at the ripe old age of 18. She hopes to pursue a career in the entertainment world upon graduation.

## June Graduates To Include 18-Year Old Kerry Martin

With the school year half gone, typical 18-year-olds are looking forward to high school graduation in June and the big switch from high school to university life.

But Kerry Martin, daughter of Mr. and Mrs. Ray Martin of Morehead, is not the typical 18 year old. She's looking forward to graduation — but not from high school. Kerry will receive a bachelor of arts degree in June from Morehead State University. Kerry entered MSU at the ripe old age of 15. She was pushed ahead in elementary school because she was already reading on a third grade level when she enrolled in the first grade at the age of five. Her mother is a former school teacher who began teaching Kerry to read when she was four.

She was soon reading the Bible to other members of the family. The teacher at the little two-room school in Rowan County sent Kerry to sit with the second and third graders when she saw how advanced the child was, and the five-year-old Kerry breezed through the second and third grades in one school year. She was in

the fourth grade by the time she turned six.

### One Of Nine

There are nine children in the Martin family, and all nine were double promoted at least once during their secondary education. Kerry's 20 year old sister Janie didn't begin school until she was 7, but skipped enough grades to catch up with her younger sister, and she'll get her degree from MSU in June also. Kerry's three older sisters have already graduated from Morehead.

If you are picturing Kerry as an introverted intellectual with thick horn rimmed glasses — forget it! The 18-year-old beauty is a member of the student council, an officer in Kappa Delta Sorority, and is listed in "Who's Who in American Colleges and Universities." Kerry was also a member of this year's homecoming court, 2nd runner-up in the Miss MSU Pageant, and has participated in numerous other beauty and talent contests.

### Talented, Too

The brainy beauty also has talent. Kerry is the lead singer in a combo of the MSU Stage Band and in her younger years she and three of her sisters sang regularly on a local radio station. As a matter of fact, "The Martin Sisters" won second place in the Kentucky State Fair Talent Contest a few years back.

The MSU senior thinks she might pursue a singing career when she graduates in June. She says if she hasn't made it in show business in two years she's going to quit, return to Morehead, get her masters, and pursue a teaching career. But Kerry's a little worried about this plan. She'll be pushing 21 by that time, and she's afraid that's a little old to give up one career and start another.

## Discussion Series On Government Set For Campus

The political science department is initiating a discussion series in state and local government to provide students an opportunity to meet and discuss topics of concern with public servants, administrators, and educators who have had experience in state or local government service.

Dr. Adron Doran, President of the University, will speak at the first session on December 9, discussing the Legislature and the office of the Speaker of the House. Dr. Doran served four terms as a member of the House of Representatives and one term as Speaker of the House.

Bob Cornett, Council of State Governments, will speak on December 16 on the Governor as an administrator and planner.

The third session is scheduled for January 6 when Evan Ray, who is well versed on the topics of medical assistance and health services, will discuss "Providing Health Care and Medical Assistance."

The sessions are scheduled at 10:20 a.m. in room 410 of the Combs Building. All interested students and faculty members are invited to attend.

The Eagle takes a long look at the last football game of the season.
