RECOMMENDATION: That the Audit Committee accept the audit report for the fiscal year ended June 30, 2019 as presented by Dean Dorton Allen Ford, PLLC.

KRS 164A.570 requires an annual audit to be conducted by all universities in the state system. The audit is to be conducted by an independent public accounting firm. On June 6, 2019, the Board approved the recommendation of the Audit Committee to appoint the accounting firm of Dean Dorton Allen Ford, PLLC to conduct the 2018-19 fiscal year audit. The Board also approved at that time, the Audit Committee’s recommendation for the minimum scope of the audit work to be performed.

Mr. David Richard, CPA and Director of Assurance Services at Dean Dorton Allen Ford, PLLC, was present to answer questions. Chair Martin thanked Mr. Richard for his efforts and helpfulness answering questions. Mr. Richard provided a brief overview of the audit report, stating that work completed by Dean Dorton Allen Ford, PLLC went routinely and resulted in a clean opinion. Mr. Richard commended the University’s efforts during a challenging financial time.

Mr. Richard stated that financial operations were conducted in accordance with the approved budget plan, which continues to demonstrate the University’s commitment to advance its mission by focusing on the goals and objectives as defined in the SOAR 2018-2022 Vision & Strategic Plan. Total assets and deferred outflows of resources were $355 million versus $366 million at June 30, 2018. The decrease was primarily related to a decrease in the deferred outflows of $13 million. This was offset by an increase in cash and cash equivalents of $6.5 million. Total liabilities and deferred inflows of resources were $358 million versus $398 million at June 30,
2018. The decrease was primarily related to decreases in the University’s proportionate share of
the state’s net pension liability of $57 million, a decrease in bond and capital lease obligations of
$5 million, and a decrease in other post-employment benefits (OPEB) liability in the amount of $4
million. This was offset by an increase in deferred inflows of resources of $27 million. Total
net position was ($3.2 million at June 30, 2019 and ($32) million at June 20, 2018. Mr.
Richard stated that revenue was down due to challenging times for public universities, but
commended the University for reacting to the reduction in revenue by cutting expenses where
practicable.

An audit was also completed to ensure compliance with federal financial aid regulations. The
audit was successful and showed the University materially complied with all requirements.

President Morgan briefly acknowledged certain expense categories used to calculate
performance funding monies.

MOTION: Ms. Walker moved that the Committee accept the audit report for the fiscal
year ended June 30, 2019 as presented by Dean Dorton Allen Ford, PLLC. Mr. Holbrook
seconded the motion and the motion carried unanimously.

Mr. Joe Hunsucker, Internal Auditor, reported on current, completed, and planned projects.

CURRENT/COMPLETED PROJECTS

NCAA Student Assistance Fund

Mr. Hunsucker reviewed 1,055 transactions totaling $84,087.19 for 312 student-athletes
during the period July 1, 2018 through June 30, 2019, from the NCAA Student Assistance Fund.
He noted the University received $94,769 from the Ohio Valley Conference which was deposited
into the NCAA Student Assistance Fund on July 11, 2018. The balance of unspent funds on hand
as of June 30, 2019 was $91,012.77. Based on his review, he stated that the University’s Office of
Athletics’ internal controls over expenditures and disbursements related to the NCAA Student
Assistance Fund are adequate and the University is in compliance with applicable NCAA policies
for the fiscal year ended June 30, 2019.

President Morgan’s Expenses

Mr. Hunsucker reviewed President Morgan’s purchasing card transactions and
disbursements made to, or on behalf of, President Morgan for the period July 1, 2018 through June
30, 2019. The population consisted of 62 purchasing card transactions and 33 disbursements,
totaling $20,218.58, with one-hundred percent of the transactions being reviewed. The following
categories were reviewed during the period: vehicle allowance (per employment contract), fuel for
business travel, lodging during home repairs, airfare (via travel coordinator), lodging for business
travel, parking/taxi during official travel, and meals during official travel. He stated that all
disbursements and purchasing card transactions were adequately supported and in compliance with
applicable University policies. Based on his review, President Morgan’s purchasing card
transactions and disbursements had a legitimate business purpose, were adequately supported, and complied with applicable University travel, procurement, and purchasing card policies.

**Cash Counts**

Mr. Hunsucker conducted several cash counts, including the University’s Office of Accounting and Financial Services, the University’s Store, and the Kentucky Folk Art Center. Year-end reports were issued to applicable University personnel and the University’s external auditing firm, Dean Dorton Allen Ford, PLLC. No problems were discovered.

**PLANNED PROJECTS**

Mr. Hunsucker noted audits will be performed at selected University departments to determine compliance with applicable laws, rules, regulations, and University policies. The audits will primarily focus on the areas of purchasing cards, travel cards, and travel expenditures. Exit conferences will be held with applicable University personnel as needed and reports will be issued to the appropriate supervisory personnel.

Mr. Hunsucker noted that purchasing card policies related to the purchasing cardholder’s monthly reconciliation and their supervisor’s review/approval of monthly transactions were implemented during July and August. An audit will be conducted to ensure compliance with the new policies. A report will be issued to the President’s Senior Leadership team.

In addition, he stated that he had provided assistance to Dean Dorton Allen Ford, PLLC in several areas, as well as to various internal units. He provided a list of the professional development activities in which he had been involved during the past six months.

There being no further business to conduct, Ms. Walker moved that the meeting adjourn and Mr. Howard seconded the motion. The motion carried unanimously.

Respectfully submitted,

Jacqueline N. Graves, Secretary
Board of Regents
Recommendation:

That the Audit Committee approve the audit price and the extension of the auditing services contract with Dean Dorton Allen Ford, PLLC in Lexington, Kentucky, to conduct the required annual audits for Morehead State University for the fiscal year that will end on June 30, 2020.

Background:

KRS 164A.570 requires an annual audit to be conducted for all universities in the state system. The bylaws of the Board of Regents provide that the Audit Committee review, evaluate, and recommend to the full Board, an accounting firm to conduct the University’s required annual audits. State statutes specify that the auditing firm must be selected through a request for proposal process, and that a personal services contract be issued to engage the firm.

On January 11, 2016, the University issued a request for proposals from qualified public accounting firms to perform the auditing services. As a result of that process, the Audit Committee recommended and the Board approved the appointment of Dean Dorton Allen Ford, PLLC to conduct the annual audits. The contract with the firm was for the fiscal year that ended on June 30, 2016 with the option to extend the contract for four additional one year periods. The audit fee adjustments for the extension periods will be based on the consumer price index.

The services rendered by Dean Dorton Allen Ford, PLLC for the 2018-2019 fiscal year were satisfactory and in compliance with the terms of the contract. The fee for the 2019-2020 fiscal year will not exceed $94,700.
**Recommendation:**

That the Audit Committee approve the minimum scope of the University’s audit for the year ending June 30, 2020.

**Background:**

The University is required to have an annual audit conducted of its financial activities. The bylaws of the Board of Regents specify that the Audit Committee review, evaluate, advise and recommend to the full Board the minimum scope of the annual audit.

The Director of Accounting and Financial Services and the Director of Internal Audits have outlined the scope of the audit that will comply with all local, state, and federal audit requirements. A summary of the audit scope is attached.
