The Board also approved, at that time, the Audit Committee's recommendation for the minimum scope of the audit work to be performed.

Mr. David Richard, Assurance Director, Dean Dorton Allen Ford, PLLC, attended the meeting and provided a verbal report regarding the audit. He stated that the University had a clean audit with no issues or adjustments. He commended the University for paying down approximately \$6 million in debt and its efforts to cover increased pension liabilities due to a decrease in state funding. He further commended the University for cutting operating costs to better position the University financially in light of a decrease in tuition revenue and additional costs incurred due to the coronavirus pandemic. He stated that the University had an impressive year and is following all accounting policies consistently.

MOTION: Regent Martin moved that the Audit Committee approve the recommendation and Regent Hinton seconded the Motion. The Motion carried unanimously.

There being no further business to conduct, Regent Hinton moved that the meeting adjourn and Regent Howard seconded the Motion. The Motion carried unanimously.

**APPROVE REAPPOINTMENT OF  
AUDITING FIRM AND AUDIT PRICE**

**BOR (IV-B)  
March 31, 2022**

---

**Recommendation:**

That the Audit Committee approve the extension of the auditing services contract with Dean Dorton Allen Ford, PLLC in Lexington and approve the audit price to conduct the required annual audits for Morehead State University for the fiscal year that will end on June 30, 2022.

**Background:**

KRS 164A.570 requires an annual audit to be conducted for all universities in the state system. The bylaws of the Board of Regents provide that the Audit Committee will review, evaluate, and recommend to the full Board, an accounting firm to conduct the University's required annual audits. State statutes specify that the auditing firm must be selected through a request for proposal process, and that a personal services contract be issued to engage the firm.

On January 8, 2021, the University issued a request for proposals from qualified public accounting firms to perform the auditing services. As a result of that process, the Audit Committee recommended and the Board approved the appointment of Dean Dorton Allen Ford, PLLC to conduct the annual audits. The contract with the firm was for the fiscal year that ended on June 30, 2021 with the option to extend the contract for seven additional one-year periods. The audit fee adjustments for the extension periods will be based on the consumer price index.

The services rendered by Dean Dorton Allen Ford, PLLC for the 2020-2021 fiscal year were satisfactory and in compliance with the terms of the contract. The fee for the 2021-2022 fiscal year will not exceed \$99,600.

**APPROVE MINIMUM SCOPE

**BOR (IV-C)  
March 31, 2022**

---

**Recommendation:**

That the Audit Committee approve the minimum scope of the University's audit for the year ending June 30, 2022.

**Background:**

The University is required to have an annual audit conducted of its financial activities. The bylaws of the Board of Regents specify that the Audit Committee review, evaluate, advise and recommend to the full Board the minimum scope of the annual audit.

The Director of Accounting and Financial Services and the Director of Internal Audits have outlined the scope of the audit that will comply with all local, state, and federal audit requirements. A summary of the audit scope is attached.

The audit will report on the internal controls over financial reporting and on compliance with laws, regulations, and provisions of contracts or grant agreements, non-compliance with which could have a direct and material effect on the determination of financial statement amounts in accordance with *Government Auditing Standards*. A report will also be issued on compliance with requirements applicable to each major program and internal control over compliance with requirements of laws, regulations, and the provisions of contracts or grant agreements that could have a direct and material effect on each major program in accordance with the Single Audit Act, Subpart F of Title 2 U.S. CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance).
