ONLINE VOTING

MINUTES

A motion made by Noah Cooley to approve the October 19, 2022 minutes as written, was seconded by Heba Elgazzar. Majority in favor, the motion passed.

MINOR REVISION OF EXISTING COURSES:

- (9-Revised) MATH 400 Foundations of Computability, Approved
- (12-Revised) MATH 404 Topology, Approved
- (13-Revised) MATH 410 Introduction to Real Analysis, Approved
- (15-Revised) MATH 419 Probability, Approved
- (17-Revised) MATH 442 Mathematical Models in Biology for Teachers, Approved
- (18-Revised) MATH 463 Partial Differential Equations, Approved
- (19-Revised) MATH 485 Vector Analysis, Approved
- (20-Revised) MATH 486 Complex Variables, Approved

Meeting was held by online voting only. All voting forms were due by Friday, November 4, 2022, 1:00pm. Zachary Lee recused himself from voting on course revisions as he sits on College Curriculum Committee and previously voted for their approval. However, Zachary was able to vote for minutes. A motion made by Noah Cooley to approve all MATH course minor-revisions as a package was seconded by Heba Elgazzar. Austin Music did not approve the revision for (17) MATH 442: Mathematical Models in Biology for Teachers. By majority in favor the motion passed for all 8 proposals.

NEXT SCHEDULED MEETING: November 16, 2022
