-  Brought to the university by the president and appointed to position
-  Internally appointed to role
-  Hired in a closed search where there was only one candidate interviewed on campus
-  Vacating position at the end of the school term

Three key cabinet positions are being vacated this term and need to be permanently filled. The president himself is a finalist for a job at FGCU. What will the institution do if the president accepts the job at FGCU and takes some of his hand-picked appointees with him?
