

Governance Committee
Faculty Senate meeting: October 24, 2024

Asynchronous meeting

Voting Item

The Governance Committee had only a single item for consideration, thus we met asynchronously. The item had to do with recommendations for the Faculty Promotion Committee. The following individuals were approved to be forward to the Faculty Senate for final appointment.

1. The Faculty Promotion Committee has an At Large vacancy along with a second spot which needs to be filled for 1 year due to a member taking a sabbatical during the Spring 2025 semester.

The Governance Committee recommends Dr. Denise Watkins to serve 2024-2026 in the At Large vacancy on the committee.

We also recommend Dr. Sue Tallichet to serve for one year (2024-2025), substituting for Dr. Timothy Hare who will be on sabbatical Spring 2025.

This is a voting item and requires approval from the Faculty Senate.

This ends the Governance Committee report.

Dr. Michael W. Kessinger
Chair, Governance Committee
