Gentlemen:

ACK'D BY
NOV 13 1924

I have just received your communication of November 7th. I had asked Joseph & Joseph to write you in regard to our plans here. The contractors have begun the excavation for the new building on the line suggested by Joseph & Joseph, and I hardly think that the location can be changed. Would it not be possible for you to harmonize your general plans with the location of the building?

Very truly yours,
