Following 22 years of service to the region, state and nation, Morehead State University President Adron Doran today announced his retirement effective Jan. 1, 1977.

The 66-year-old educator asked the MSU Board of Regents to release him from the remainder of his existing four-year contract which expires June 30, 1978.

In announcing the intended retirement Dr. Doran described his decision as personal:

(Cut 1)

The Board of Regents regrettably accepted the retirement request and constituted itself as a search committee to be chaired by Lloyd Cassity of Ashland.

Dr. Doran, who has served as president nearly four times longer than any of his predecessors, said he would not participate in the selection of his successor.

The Board of Regents will have nearly eight months of advance notice to facilitate the search process.

(Cut 2)

Dr. and Mrs. Doran will be honored at Friday night's Alumni Banquet which was planned before the announcement as an evening of tribute. It will be sponsored by the MSU Alumni Association.
