Schedule of Night and Saturday Classes
Second Semester 1959-60

Registration of part-time students for night and Saturday classes will be held on Saturday, January 30, at 8:00 A.M. in Button Auditorium. (Full-time students who plan to enroll for any of these courses may do so on the regular registration day.)

This advance registration is being held to give the part-time students a better selection of classes. Enrollments in these courses will be accepted up to Saturday, February 6, but students should remember that most of these classes will be closed before that date.
