TO: ALL FACULTY MEMBERS

FROM: Linus Fair, Registrar
Marvin M. Cole, Dean, Institutional Programs

All grades for Summer Term 1967 are to be turned into the Registrar's Office by the Dean of your School by 4:00 P.M. Tuesday, August 8, 1967. However, you will not be placed on the "black list" if you happen to turn in grades to your Dean (even if you have only one class completed) by 12:00 Noon on Saturday, August 5, 1967. The Registrar's Office will be open until 11:30 A.M. on Saturday.

One of the first tasks when grades are turned in is to separate the "A's, B's, C's," ect. If you have time on your hands (no comment about those dreamy administrators), we will appreciate your cards being divided into the various grade categories.

One professor can hold up the entire grade reporting process by not turning in grades at the time requested.

Your cooperation is appreciated.
